Re: Thornton Mountain Antenna
Franklin County, Virginia
AHV PN 2004073

Dear Mr. Durham:

This letter is to inform you that we have completed the fieldwork (May 5, 2005) needed to verify the orientation of the antenna recently installed on the existing tower. Based on our field observations, we hereby certify that the antenna is oriented correctly with an azimuth of 52°.

Please do not hesitate to call if you have any questions or need additional information.

Sincerely,

Bryant H. Altizer, PE, LS
President
