Re: WLTY Radio Antenna Direction, FCC Tower # 1053747  
Columbia, S.C.

Dear Mr. Brinitzer:

On Monday August 29, 2005, Whitworth & Associates, Inc. performed a survey and has determined that the True North Azimuth of the antenna to the nearest degree is 325 degrees.

Sincerely,

  
Joseph L. McIntyre, PLS #15513  
Whitworth & Associates, Inc.
