

STATEMENT OF QUALIFICATIONS RE: FM DIRECTIONAL ANTENNA INSTALLATION for WFDU-FM

I have been both a design and consulting engineer in the FM broadcast industry for over 40 years.

I possess the following licenses and memberships:

FCC General Radiotelephone Operator License # PG-3-10919 ( issued previously as FCC First Class Radiotelephone Operator License # P1-3-17266 ).

Society of Broadcast Engineers Member # 13339 ( 25 years ).

Institute of Electrical and Electronics Engineers Member # 01213719 ( 26 years ).

I certify that I have supervised both the assembly and the installation of the new PSI Model PSIFML-2C-50WS-DA FM directional antenna for WFDU-FM, and I certify that it was both assembled and installed pursuant to all of its manufacturer's instructions and specifications, to the best of my knowledge and ability.

DATE OF ANTENNA INSTALLATION: 22-OCTOBER-15

Steve Hemphill
