Dear Applicant:

Within 30 days from the date of this letter, file an amendment to resolve the deficiency that was discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, the engineering specifications of the two modification proposals matches exactly the engineering specifications of each of the underlying construction permits they are intended to modify.

The modification applications do not reflect any of the changes as indicated in exhibit 2 filed with each application except for the antenna rotation of 225 degrees and the simple emission mask.

Sincerely

Hossein Hashemzadeh
Deputy Chief
Video Division
Media Bureau
