OWNERSHIP ISSUES

This application seeks a minor change to licensed translator K280BZ, which as of the date of this filing was still listed as being owned by John Botts. However, the FCC approved a Consent to Assignment to Mathew A. Thomas & Marlene R. Thomas on 5/19/1999. The transfer was consummated, and a letter to that effect was sent to the FCC on July 16, 1999 (copy attached). For some unknown reason, that consummation was not recorded. The applicant has been in touch with FCC staff (Mike Wagner), has forwarded a new copy of the letter, and has been assured that the records will be updated, shortly.
