Federal Communications Commission  
Office of the Secretary

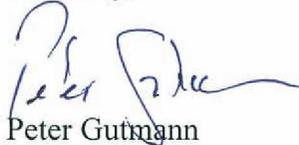

**Re: KKIS(FM), Soldotna, AK (Facility Id. No. 34883)  
Notification of replacement of antenna**

This notification is provided on behalf of KRSM, Inc., pursuant to sections 73.1690(c)(1) and 73.1620(a)(1) of the Commission's rules, to advise that station KKIS(FM) is in the process of replacing its omnidirectional antenna with another of different number of antenna bays at the same antenna radiation height as is current authorized. Specifically, the new antenna is an ERI LPX-6C. ROTOTILLER® LPX Series Circularly Polarized FM Antenna.

The licensee anticipates that installation will be completed and program tests will commence shortly. A license application will be filed within ten days of commencement of program tests.

Should any further information be need at this time, please communicate with undersigned counsel.

Sincerely,

Peter Gutmann
