

## DECLARATION

August 15, 2018

I am a technical consultant to the broadcast and communication industry. I have over twenty years of experience in the design and installation of broadcast systems. I am familiar with the Federal Communications Commission's rules found in the Code of Federal Regulations Title 47. I have a Bachelor of Science degree in broadcast engineering and am certified by the Society of Broadcast Engineers (SBE) as a Professional Broadcast Engineer. I have been responsible for and directly involved with the installation and testing of numerous FM directional antennas. My work and experience are a matter of record with the Commission.

Entercom Communications, Inc. retained my services to oversee the proper installation of a new directional FM broadcast antenna for WROQ (Facility ID #: 318).

The Electronics Research, Inc. model 1183-4CP-DA (ERI Project #: 35943C/1) for WROQ was assembled and installed in accordance with the manufacturer's documentation provided in drawing #: IA35943C-1 Revision A, and the directional antenna system description and proof of performance dated August 9, 2018.

I declare, under penalty of perjury, that the foregoing declaration is true and accurate to the best of my knowledge, information, and belief.

A handwritten signature in blue ink, appearing to read "Tim Neese", enclosed within a blue oval.
