encumbrances of any kind or nature whatsoever (collectively, “Liens”) except for: (i) Liens for real estate taxes not yet due and payable for which an appropriate adjustment is received as provided by this Agreement, (ii) Liens expressly included in real estate leases being acquired by one party from the other party hereunder, and (iii) security interests with respect to that certain promissory note (the “Sanford Note”) issued to Debra Sanford in the principal amount of Nine Hundred Thousand Dollars (\$900,000), a copy of which is annexed hereto in Schedule 1.5(a), pursuant to that certain Asset Purchase Agreement, as amended, dated December 9, 2002, by and among SBI, Gulf Coast Broadcasting, Inc., Edward Lawrence Steelman, and Debra Sanford (collectively “Permitted Encumbrances”).

1.6. Loan to SBI. Upon receipt notice from SBI concerning the date of closing for the WTKE Purchase Agreement, if received at least five (5) business days prior to such closing, CBL will make two loans (each a “Loan” and collectively the “Loans”) totaling Eight Hundred Fifty Thousand Dollars (\$850,000) on the closing date of the WTKE Purchase Agreement to SBI solely to be used by SBI to consummate its acquisition of the WTKE Assets, with the understanding that Cumulus will pay the monies from the Loans directly to an escrow account jointly controlled by SBI and Cumulus so that monies from the Loans can be properly disbursed at such closing. The Loans will be memorialized in two Promissory Notes (the “Notes”), one in the principal amount of Two Hundred Fifty Thousand Dollars (\$250,000) and one in the principal amount of Six Hundred Thousand Dollars (\$600,000), in the forms set forth in Exhibit A annexed hereto and secured by (a) a pledge of all of the outstanding stock of SBI in the form of a Pledge Agreement in the form of Exhibit B annexed hereto, (b) the personal guaranty of Ronald E. If this Agreement is terminated without any Closing, the Loans shall be repaid in accordance with the terms and conditions of the Notes. Notwithstanding anything to the contrary in this Section, Cumulus shall have no obligation to make the Loans to SBI unless SBI and all of its stockholders execute the Intercreditor Agreement which (x) establishes priorities for liens in assets owned or hereafter acquired by SBI, (y) precludes SBI as well as its stockholders and affiliates from acquiring any other radio station assets, or entities owning or holding radio station assets, in or through any entity other than SBI, and (z) is otherwise satisfactory to Cumulus.

1.7. Closing.

(a) **Date and Location.** The consummation of the transactions provided for in this Agreement (the “Closing”) shall be held at the offices of Dickstein Shapiro Morin & Oshinsky LLP, 2101 L Street, N.W., Washington, DC 20037, or through such other means (including facsimile and overnight courier deliveries) or at such other place mutually agreed to by the parties, commencing at 10:00 a.m. on a date (the “Closing Date”) mutually agreed to or, in the absence of a mutual agreement, selected by Cumulus, which shall be within ten (10) days after the date on which the FCC provides public notice of each of the FCC orders (each an “Order” and collectively the “Order”) approving the assignment of the WTKE FCC Licenses from SBI to Cumulus and the assignment of the WYBZ FCC Licenses from Cumulus to SBI: provided, that, if any party files a petition to deny or other objection to either Application, as defined herein, the Closing shall not be held until both Orders become a “Final Order” (which, for purposes of this Agreement, means that the Order is no longer subject to reconsideration or review by the FCC or a court of competent jurisdiction under the Communications Act of 1934, as amended (the “Act”) or the FCC rules promulgated thereunder): and, provided further, that in no event shall the parties be obligated to proceed to Closing if (i) either Order includes conditions materially adverse to SBI or Cumulus, or (ii) the other conditions precedent to Closing have not been satisfied or waived. In the event the Closing occurs before each FCC Order becomes a Final Order, the parties shall execute a mutually agreeable rescission agreement.

(b) **Exchange of Documents.** At the Closing, each party shall execute and deliver to the other party documents specified herein as well as any additional document(s) and item(s) reasonably necessary for the consummation of the transactions contemplated herein, including but not limited to bills of sale and assumption agreements. Such additional documents shall be reasonably satisfactory to the other party as to both form and substance.

1.8. Allocation. SBI and Cumulus shall allocate the respective fair market values of the WTKE Assets and the WYBZ Assets in accordance with the requirements of Section 1060 of the Code. The allocation shall be determined by mutual agreement of the parties prior to the Closing or, in the absence of agreement, by an independent certified public accountant or appraiser (in

either case, the “CPA”) jointly selected by the parties within thirty (30) days after the Closing and whose decision shall be final and binding on the parties. The fees and expenses of the CPA shall be divided equally by the parties. Each party shall file its federal income tax returns and its other tax returns in accordance with such allocation.

1.9. Timing. Time is of the essence to the parties’ performance under this Agreement. Except as otherwise provided by Article 11, the parties intend that the Closing occur no later than one year from the date of this Agreement.

1.10. Adjustments.

The respective operations of WTKE and WYZB and the respective expenses attributable thereto through the date preceding the Closing Date (the “Adjustment Date”) shall be for the account of SBI and Cumulus, respectively, and thereafter for the account of the assignee thereof, and, if any expense is properly allocable or credited, then it shall be allocated, charged or prorated accordingly. Expenses for goods or services received both before and after the Adjustment Date, power and utilities charges, and rents and similar prepaid and deferred items shall be prorated as of the Adjustment Date in accordance with generally accepted accounting principles. All special assessments and similar charges imposed against the WTKE Assets or the WYZB Assets, as the case may be, in respect of any period of time through the Adjustment Date, whether payable in installments or otherwise, shall be the responsibility of the assignor, and amounts payable with respect to such special assessments and charges in respect of any period of time after the Adjustment Date shall be the responsibility of the assignee, and such charges shall be adjusted as required hereunder. To the extent that any of the foregoing prorations and adjustments cannot be determined as of the Closing Date, the parties shall conduct a final accounting and make any further payments within ninety (90) days after the Closing. If the parties cannot reach agreement on the final accounting by that date, the parties shall, within ten (10) days thereafter, select a CPA to review the matter, and the CPA’s decision shall be final and binding on the parties. The fees and expenses of the CPA shall be divided equally between the parties.

ARTICLE 2. FCC Applications. Subject to the terms of the WTKE Purchase Agreement and applicable rules and policies of the FCC, SBI and Cumulus shall file the following applications (each an “Application” and collectively the “Applications”) with the FCC within ten (10) days after SBI acquires assets used or useful in the operation of WPGG(FM) and WIJK(AM) from Gulf Coast Broadcasting Company, Inc. pursuant to that certain Asset Purchase Agreement, as amended, dated as of August 27, 2003: (1) an Application requesting the FCC’s consent to assign the WTKE FCC Licenses from SBI to CLL; and (2) an Application requesting the FCC’s consent to assign the WYZB FCC Licenses from CLL to SBI. Each party shall diligently prosecute the FCC Applications, furnish all information required by the FCC in connection therewith, attend all FCC meetings or hearings scheduled to consider the Applications, promptly provide the other party with copies of any pleadings, orders and other communications (including e-mails) to or from the FCC concerning the Applications, and cooperate with the other party in opposing any petitions to deny and other objections to the grant of either or both Applications: provided, that no party will be required to take any action that would be materially adverse to such party or any affiliate of such party.

ARTICLE 3. Representations and Warranties of SBI

SBI represents and warrants to Cumulus as to the truth of the following matters as of the date of this Agreement or, as the case may be, the date on which SBI acquires the WTKE Assets:

3.1. Company Status. SBI (a) is duly formed, validly existing and in good standing under the laws of the State of Florida, (b) is qualified to do business in the State of Alabama and has the requisite power to carry on the business of WTKE and to own or hold the WTKE Assets, and (c) has the requisite power to enter into and consummate the transactions contemplated by this Agreement.

3.2. Authority. All actions necessary to be taken by or on the part of SBI in connection with the transactions contemplated by this Agreement have been duly and validly taken, and this Agreement has been duly and validly authorized, executed, and delivered by SBI and constitutes the legal, valid and binding obligation of SBI, enforceable against SBI in accordance with its terms, except as enforceability may be limited by laws affecting the enforcement of creditors' rights or equitable principles generally. At the Closing, SBI will provide Cumulus with certified resolutions of SBI's stockholders and board of directors authorizing the execution, delivery, and consummation of this Agreement.

3.3. No Conflict. The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby will not (a) conflict with or violate the organizational documents of SBI; (b) conflict with or violate or result in any breach of or any default under, result in any termination or modification of, or cause any acceleration of any obligation under, any contract or other agreement to which SBI is a party or by which it is bound or by which WTKE or any of the WTKE Assets may be affected (including but not limited to that certain Asset Purchase Agreement (the "Quantum Agreement"), dated as of September 5, 2003, by and among SBI, Ronald E. Hale, Sr., and Quantum Communications Corporation, which has been terminated), or result in the creation of any Lien upon any of the WTKE Assets; or (c) violate any judgment, decree, order, statute, law, rule or regulation of any court or other Governmental Authority applicable to SBI, WTKE or any of the WTKE Assets.

3.4. WTKE Real Estate Leases. Copies of all WTKE Real Estate Leases are included in Schedule 1.1.(c) and have been complied with in all material respects by SBI. To SBI's knowledge, neither Capstar nor any other party to any of the WTKE Real Estate Leases is in default thereunder. All the WTKE Real Estate Leases are in full force and effect and are valid, binding and enforceable in accordance with their respective terms, except as enforceability may be limited by laws affecting the enforcement of creditors rights or equitable principles generally.

3.5. Taxes. SBI, or, as the case may be, Capstar has (to SBI's knowledge) filed all applicable federal, state, local and foreign tax returns required to be filed, all in accordance with provisions of law pertaining thereto with respect to the WTKE Assets, and has paid all taxes, interest penalties and assessments (including without limitation income, withholding, excise, unemployment, Social Security, occupation, transfer, franchise, property, sales and use taxes, import duties or charges, and all penalties and interest in respect thereof) required to have been paid with respect to or involving SBI or the WTKE Assets. SBI has not been advised that any of such returns have been or are being audited by the IRS or any other Governmental Authority.

3.6. WTKE Licenses. SBI is the holder of the WTKE FCC Licenses and the WTKE Governmental Licenses, copies of which are included in Schedule 1.1(a) to this Agreement. All of the WTKE FCC Licenses and the WTKE Governmental Licenses are in full force and effect. The WTKE FCC Licenses constitute all of the licenses required under the Act and the rules and policies of the FCC for the operation of WTKE as currently conducted. The WTKE FCC Licenses authorize the operation of WTKE for a license term expiring on February 1, 2012. The WTKE FCC Licenses are not subject to any conditions except (a) those set forth on the licenses themselves and (b) those set forth in the Act and FCC rules and policies and applicable to radio stations in the same service and class. SBI has timely filed with the FCC, the FAA and any other Governmental Authorities which have issued the WTKE Governmental Licenses all material applications, reports and other documents required by applicable law and government regulation governing such licenses, including but not limited to the Act and FCC rules and policies. Except as specified in Schedule 3.6 annexed hereto, there is not pending or, to SBI's knowledge, threatened, any petition, complaint, objection (whether formal or informal), order to show cause, investigation, or other action by or before the FCC or any court to revoke, cancel, rescind, modify, or refuse to renew any of the WTKE FCC Licenses. Other than matters identified in Schedule 3.6 and proceedings of general applicability to the radio industry, there is not now pending or, to SBI's knowledge, threatened, any other petition, complaint, objection (whether formal or informal), investigation, order to show cause, notice of violation, notice of apparent liability, or notice of forfeiture or other proceeding pending or, to SBI's knowledge, threatened before the FCC or any court that involves WTKE or the WTKE Assets. WPGGWTKE is operating in material compliance with the WTKE FCC Licenses and the WTKE Governmental Licenses as well as applicable law and government regulation governing such licenses, including the Act and the rules and policies of the FCC. To the extent required by applicable law, the FCC has a current and accurate Antenna Structure Registration on file for the tower utilized by WTKE, and a copy of that registration is included in Schedule 1.1(a).

3.7. Environmental. No hazardous or toxic waste, substance, material or pollutant (collectively "Hazardous Waste"), as defined under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. § 9601 *et seq.*, the Toxic Substances Control Act, as amended, 15 U.S.C. § 2601 *et seq.*, the Resource Conservation and Recovery Act of 1976, as amended, 42 U.S.C. § 6901 *et seq.*, the Clean Water Act, as amended, 42 U.S.C. § 1251 *et seq.*, the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* or any other applicable federal, state or local law, or any regulations or policies adopted pursuant to such laws (the foregoing laws, regulations and policies collectively referred to herein as the "Environmental Laws") has been released, emitted or discharged by SBI or, to SBI's knowledge, any other party on or in any of the WTKE Assets; nor, to SBI's knowledge, is any Hazardous Waste currently located in or on WTKE Assets in violation of any Environmental Laws. Based on SBI's use thereof and, to SBI's knowledge, any prior owner's use thereof, the WTKE Assets are not subject to and do not involve any material violation of any Environmental Laws, including but not limited to FCC rules, policies and guidelines concerning RF radiation. SBI has not received any notice, summons, citation, directive, letter or other communication, written or oral, from the United States, the State of Florida, or any other party concerning any intentional or unintentional action or omission on the part of SBI or any other party which resulted in the releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping or disposing of Hazardous Waste on, above or under the WTKE Assets.

3.8. Consents. Except for the execution and consummation of the WTKE Purchase Agreement, the approval of the FCC, and the consent of parties to certain WTKE Real Estate Leases as specified herein, the execution, delivery and performance by SBI of this Agreement and the consummation of the transactions contemplated hereby will not require any consent, permit, license or approval of, or filing with or notice to, any person or entity.

3.9. WTKE Tangible Personal Property. Schedule 1.1.(b) contains a description of the WTKE Tangible Personal Property. At the Closing, SBI will have good, valid and marketable title to all of the WTKE Tangible Personal Property, free and clear of all Liens (other than Permitted Encumbrances). All items of the WTKE Tangible Personal Property necessary for the operation of WTKE are or will be in good operating condition and repair, ordinary wear and tear excepted, are free from material defect and damage, are functioning in the manner and for the purposes for which they were intended, have been duly maintained, and do not require any repairs other than normal routine maintenance.

3.10. Compliance with Law. SBI, the WTKE Assets and WTKE are each in material compliance with all applicable law and government regulation. Without limiting the foregoing, SBI has paid all monies and obtained all licenses, permits, certificates and authorizations material to the operation of WTKE and the use of the WTKE Assets. SBI has filed all material reports and other documents required to be filed with any Governmental Authority with respect to the WTKE Assets. SBI has not received or been made aware of any order, decision or notice, not heretofore complied with, from any Governmental Authority or any insurance or inspection body that any of the WTKE Assets fails to comply with any applicable law, government regulation, or judicial order.

3.11. Insurance. SBI maintains insurance policies relating to the WTKE Assets bearing the policy numbers, for the terms, with the companies, in the amounts, and providing the general coverage set forth on Schedule 3.11 annexed hereto. All of such policies are in full force and effect at Closing.

3.12. Litigation. Except as set forth in Schedule 3.12 annexed hereto, SBI has not been operating under and is not subject to, or in default with respect to, any order, judgment, writ, injunction, or decree of any court or Governmental Authority, which has had or could reasonably be expected to have a material adverse effect on the WTKE Assets or the manner in which SBI operates WTKE. There is no litigation, arbitration, dispute, proceeding or investigation ("Litigation") pending by or against, or, to SBI's knowledge, threatened against WTKE, the WTKE Assets, or SBI which relates to or affects the WTKE Assets or the business of WTKE or which materially interferes or could reasonably be expected to materially interfere with SBI's (1) right, title or interest in and to the WTKE Assets, (2) operation of WTKE, or (3) ability to transfer the WTKE Assets to Cumulus free of such Litigation.

3.13. Brokers. There is no broker or finder or other person entitled to a commission or brokerage fee or payment in connection with this Agreement or the transactions contemplated hereby as a result of any agreement of, or action taken by, SBI.

3.14. Qualification. To its knowledge, SBI is qualified under the Act and the rules and policies of the FCC to hold the WYZB FCC Licenses.

3.15. Insolvency. No insolvency proceedings of any character, including, without limitation, bankruptcy, receivership, reorganization, composition or arrangement with creditors, voluntary or involuntary, affecting SBI or any of the WTKE Assets is pending or, to SBI's knowledge, threatened, and SBI has not made any assignment for the benefit of creditors, nor taken any actions with a view to, or which would constitute the basis for, the institution of any such insolvency proceedings.

3.16. Disclosure. No provision of this Agreement relating to SBI, WTKE or the WTKE Assets or any other document, Schedule, or Exhibit furnished by SBI to Cumulus in connection with the execution, delivery and performance of this Agreement, or the consummation of the transactions contemplated hereby, contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact required to be stated in order to make the statement, in light of the circumstances in which it is made, not misleading.

ARTICLE 4. Representations and Warranties of Cumulus

Cumulus represents and warrants to SBI as to the truth of the following matters:

4.1. Company Status. At the Closing, Cumulus will provide SBI with a certified resolution of CBL's member authorizing the execution, delivery and consummation of this Agreement.

4.3. No Conflict. The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby will not (a) conflict with or violate the articles of organization or operating agreements of CBL or CCL; (b) conflict with or violate or result in any breach of or any default under, result in any termination or modification of, or cause any acceleration of any obligation under, any contract or other agreement to which CBL or CCL is a party or by which it is bound, or by which WYZB or any of the WYZB Assets may be affected, or result in the creation of any Lien upon any of the WYZB Assets; or (c) violate any judgment, decree, order, statute, law, rule or regulation of any court or other Governmental Authority applicable to Cumulus, WYZB or any of the WYZB Assets.

4.4. Taxes. Cumulus has filed all applicable federal, state, local and foreign tax returns required to be filed, all in accordance with provisions of law pertaining thereto, and has paid all taxes, interest, penalties and assessments (including without limitation income, withholding, excise, unemployment, Social Security, occupation, transfer, franchise, property, sales and use taxes, import duties or charges, and all penalties and interest in respect thereof) required to have

been paid with respect to or involving Cumulus or the WYZB Assets. Cumulus has not been advised that any of such returns have been or are being audited by the IRS or any other Governmental Authority.

4.5. WYZB Licenses. Cumulus is the holder of the WYZB Licenses and WYZB Governmental Licenses, copies of which are included in Schedule 1.3.(a) to this Agreement. All of the WYZB FCC Licenses and the WYZB Governmental Licenses are in full force and effect. The WYZB FCC Licenses constitute all of the licenses required under the Act and the rules and policies of the FCC for the operation of WYZB as currently conducted. The WYZB FCC Licenses authorize the operation of the WYZB for a license term expiring on February 1, 2012. The WYZB FCC Licenses are not subject to any conditions except those set forth on the licenses themselves and those conditions set forth in the Act and FCC rules and policies and applicable to radio stations in the same service and class. Cumulus has timely filed with the FCC, the FAA and any other Governmental Authorities which have issued the WYZB Governmental Licenses all material applications, reports and other documents required by applicable law and government regulation, including but not limited to the Act and FCC rules and policies. There is not pending or, to Cumulus's knowledge, threatened, any petition, complaint, objection (whether formal or informal), order to show cause, investigation, or other action by or before the FCC or any court to revoke, cancel, rescind, modify, or refuse to renew any of the WYZB FCC Licenses. Other than proceedings of general applicability to the radio industry, there is not now pending or, to Cumulus's knowledge, threatened, any other petition, complaint, objection (whether formal or informal), investigation, order to show cause, notice of violation, notice of apparent liability, or notice of forfeiture or other proceeding pending or, to Cumulus's knowledge, threatened or before the FCC or any court that involves WYZB or the WYZB Assets. WYZB is operating in material compliance with the WYZB FCC Licenses and the WYZB Governmental Licenses as well as applicable law and government regulation governing such licenses, including the Act and the rules and policies of the FCC. To the extent required by applicable law, the FCC has a current and accurate Antenna Structure Registration on file for the tower utilized by WYZB, and a copy of that registration is included in Schedule 1.1(a).

4.6. Environmental. No Hazardous Waste as defined under any Environmental Laws has been released, emitted or discharged by Cumulus or, to Cumulus's knowledge, any other party, in or on any of the WYZB Assets; nor, to Cumulus's knowledge, is any Hazardous Waste currently located in or on the WYZB Assets in violation of any Environmental Laws. Based on Cumulus's use thereof and, to Cumulus's knowledge, any prior owner's use thereof, the WYZB Assets are not subject to and do not involve any material violation of any Environmental Laws, including but not limited to FCC rules, policies and guidelines concerning RF radiation. Cumulus has not received any notice, summons, citation, directive, letter or other communication, written or oral, from the United States, the State of Florida, or any other party concerning any intentional or unintentional action or omission on the part of Cumulus or any other party which resulted in the releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping or disposing of Hazardous Waste on, above or under WYZB Assets.

4.7. Consents. Except for the FCC as specified herein, the execution, delivery and performance by Cumulus of this Agreement and the consummation of the transactions contemplated hereby will not require any consent, permit, license or approval of, or filing with or notice to, any person or entity.

4.8. WYZB Tangible Personal Property. Schedule 1.3.(b) contains a description of the WYZB Tangible Personal Property. At the Closing, Cumulus will have good, valid and marketable title to all of the WYZB Tangible Personal Property, free and clear of all Liens (other than Permitted Encumbrances). All items of the WYZB Tangible Personal Property necessary for the operation of WYZB are in good operating condition and repair, ordinary wear and tear excepted, are free from material defect and damage, are functioning in the manner and for the purposes for which they were intended, have been duly maintained, and do not require any repairs other than normal routine maintenance.

4.9. Compliance with Law. Cumulus, the WYZB Assets and WYZB are each in material compliance with all applicable law and government regulation. Without limiting the foregoing, Cumulus has paid all monies and obtained all governmental licenses, permits, certificates and authorizations material to the operation of WYZB and the use of the WYZB Assets. Cumulus has filed all material reports and other documents required to be filed with any Governmental Authority with respect to the WYZB Assets. Cumulus has not received any order, decision or notice, not heretofore complied with, from any Governmental Authority or any insurance or inspection body that any of the WYZB Assets fails to comply with any applicable law or government regulation.

4.10. Insurance. Cumulus maintains insurance policies relating to the WYZB Assets bearing the policy numbers, for the terms, with the companies, in the amounts, and providing the coverage set forth on Schedule 4.10 annexed hereto. All of such policies are in full force and effect.

4.11. Litigation. Except as set forth in Schedule 4.11 annexed hereto, Cumulus has not been operating under and is not subject to, or in default with respect to, any order, judgment, writ, injunction, or decree of any court or Governmental Authority which has had or could reasonably be expected to have a material adverse effect on the WYZB Assets or the manner in which Cumulus currently operates WYZB. There is no Litigation pending by or against, or, to Cumulus's knowledge, threatened against WYZB, the WYZB Assets or Cumulus which relates to or affects the WYZB Assets or the business of WYZB or which materially interferes or could reasonably be expected to materially interfere with Cumulus's (1) right, title, or interest in and to the WYZB Assets, (2) operation of WYZB, or (3) ability to transfer the WYZB Assets to SBI free of such Litigation.

4.12 Brokers. There is no broker or finder or other person entitled to a commission or brokerage fee or payment in connection with this Agreement or the transactions contemplated hereby as a result of any agreement of, or action taken by, Cumulus.

4.13. Qualification. To its knowledge, Cumulus is qualified under the Act and the rules, and policies of the FCC to hold the WTKE FCC Licenses.

4.14. Insolvency. No insolvency proceedings of any character, including, without limitation, bankruptcy, receivership, reorganization, composition or arrangement with creditors, voluntary or involuntary, affecting Cumulus or any of the WYZB Assets is pending or, to Cumulus's knowledge, threatened, and Cumulus has not made any assignment for the benefit of creditors, nor taken any actions with a view to, or which would constitute the basis for, the institution of any such insolvency proceedings.

4.15. Disclosure. No provision of this Agreement relating to Cumulus, WYZB or the WYZB Assets or any other document, Schedule, or Exhibit furnished by Cumulus to SBI in connection with the execution, delivery and performance of this Agreement, or the consummation of the transactions contemplated hereby, contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact required to be stated in order to make the statement, in light of the circumstances in which it is made, not misleading.

ARTICLE 5. Covenants of SBI Pending the Closing

SBI covenants and agrees that, from the date of this Agreement, or, when the context otherwise requires, the date SBI acquires the WTKE Assets, until the Closing, SBI shall take or, as the case may be, refrain from taking the following actions:

5.1. Maintenance of WTKE. SBI shall operate WTKE in all material respects in accordance with the terms of the WTKE FCC Licenses and WTKE Governmental Licenses and in material compliance with all applicable law and government regulations. To that end, SBI will timely file with the FCC any and all reports, applications, and disclosures as may be required by the Act or FCC rules or policies. SBI shall maintain in full force and effect through and including the Closing Date the existing property damage, liability, and other insurance with respect to the WTKE Assets. Prior to the Closing, SBI will not, without the prior written consent of Cumulus:

(b) enter into any contract or agreement with respect to the WTKE Assets except in the ordinary course of business or as provided in this Agreement;

(c) make any material change in the insurance policies included in Schedule 3.10 to the extent they relate to the WTKE Assets; or

(d) solicit or entertain, directly or indirectly, any proposal to sell all or any portion of the WTKE Assets to any third party by assignment, transfer of SBI's ownership interest, merger, or otherwise.

5.2. Access to Facilities, Files, and Records. At the reasonable request of Cumulus, SBI shall give Cumulus and its representatives (a) reasonable access during normal business hours to all facilities, property, accounts, title papers, insurance policies, licenses, agreements, commitments, records, machinery, fixtures, furniture, and inventories related to WTKE or the WTKE Assets, and (b) all such other information concerning the affairs of WTKE as Cumulus may reasonably request. The rights of Cumulus under this Section shall not be exercised in such a manner as to interfere unreasonably with the business or operations of WTKE.

5.3. Change in Circumstances. SBI shall give notice to Cumulus promptly upon the occurrence of, or upon becoming aware of the impending or threatened occurrence of, any event that would (a) cause or constitute a material breach of any of SBI's representations or warranties in this Agreement or (b) affect the consummation of the WTKE Purchase Agreement or SBI's acquisition of the WTKE Assets, including but not limited to any event or change in

circumstances that would constitute a breach of any party's representations, warranties, covenants, or obligations under the WTKE Purchase Agreement.

5.4. Consents. SBI shall use commercially reasonable efforts to obtain prior to the Closing consents to the assignment to or assumption by Cumulus of all WTKE Real Estate Leases included in the WTKE Assets that require the consent of any third party.

5.5. Notice of Proceedings. SBI will notify Cumulus promptly (and in any event within five (5) business days) upon becoming aware of any actual or threatened claim, dispute, arbitration, litigation, complaint, judgment, order, decree action or proceeding relating to SBI, Capstar, WTKE, the WTKE Assets, or the consummation of this Agreement or the WTKE Purchase Agreement, or any transaction contemplated herein or therein.

5.6. Confidential Information. SBI shall not disclose to third parties, other than its employees and agents for purposes of consummating the transactions contemplated hereby (who shall also be made subject to the restrictions of this section), any information, whether or not in writing, received from Cumulus or its agents in the course of evaluating, investigating, negotiating, and consummating the transactions contemplated by this Agreement, all of which shall be deemed confidential: provided, that no information shall be deemed to be confidential that (a) becomes publicly known or available other than through disclosure by SBI; (b) is rightfully received by SBI from a third party who has no obligation to Cumulus; or (c) is independently developed by SBI. If this Agreement is terminated without any Closing, all originals of all material provided to SBI by Cumulus or its agents shall be returned to Cumulus and all copies thereof shall be destroyed.

5.7. Consummation of Agreements. SBI shall fulfill and perform all conditions and obligations to be fulfilled and performed by SBI under (a) this Agreement, (b) the WTKE Purchase Agreement, and (c) the separate purchase agreements to acquire the WBAU Assets and assets used or useful in the operation of any other radio station that SBI proposes to sell to Cumulus, and make every commercially reasonable effort to cause the transactions contemplated by this Agreement and those other agreements to be fully carried out.

5.8. Compliance with Law. SBI will comply in all material respects with all applicable laws and government regulations, including but not limited to the Act and the rules and policies of the FCC.

5.9. Performance under WTKE Real Estate Leases. SBI will perform in all material respects its obligations under, and keep in good standing, all WTKE Real Estate Leases to which SBI is a party and which will be assigned to Cumulus at the Closing pursuant to this Agreement.

5.10. Purchase Agreement. SBI shall promptly provide Cumulus with copies of all closing documents executed in conjunction with, and all other communications or other documents related to, the WTKE Purchase Agreement.

5.11. Broadcast of Announcements. Beginning on the date that is at least four (4) weeks prior to the Closing (but in no event prior to the date on which the FCC provides public notice of the Orders), SBI shall broadcast without charge 60-second announcements on WTKE which (a) are provided by Cumulus, (b) advise the public of the forthcoming change in frequency

for the WYZB format, and (c) are broadcast at least once every day-part on every day during the first week, at least once every other hour during the second and third weeks, and at least once every hour during the fourth week: provided, that, in the event the Closing occurs less than four weeks after the FCC provides public notice of the Orders, the frequency of the announcements shall be broadcast to maximize the number of announcements (so that the announcement will always be broadcast at least once an hour during the last week prior to Closing).

ARTICLE 6. Covenants of Cumulus Pending the Closing

Cumulus covenants and agrees that from the date hereof until the Closing it shall take or, as the case may be, refrain from taking the following actions:

6.1. Maintenance of WYZB. Cumulus shall operate WYZB in all material respects in accordance with the terms of the WYZB FCC Licenses and WYZB Governmental Licenses and in material compliance with all applicable laws and government regulations. To that end, Cumulus will timely file with the FCC any and all reports, applications, and disclosures as may be required by the Act or FCC rules or policies with respect to WYZB. Cumulus shall maintain in full force and effect through and including the Closing Date the existing property damage, liability, and other insurance with respect to the WYZB Assets. Prior to the Closing, Cumulus will not, without the prior written consent of SBI:

(a) sell, lease, transfer, or agree to sell, lease, or transfer any WYZB Assets without replacement thereof with an asset of equivalent kind, condition, and value;

(b) make any material change in the insurance policies included in Schedule 3.13 to the extent they relate to the WYZB Assets; or

(c) solicit or entertain any, directly or indirectly, any proposal to sale all or any portion of the WYZB Assets to any third party by assignment, transfer of Cumulus' ownership interests, merger or otherwise.

6.2. Access to Facilities, Files, and Records. At the reasonable request of SBI, Cumulus shall give SBI and its representatives (a) reasonable access during normal business hours to all facilities, property, accounts, title papers, insurance policies, licenses, agreements, commitments, records, machinery, fixtures, furniture, and inventories related to WYZB or the WYZB Assets, and (b) all such other information concerning the affairs of WYZB as SBI may reasonably request. The rights of SBI under this Section shall not be exercised in such a manner as to interfere unreasonably with the business or operations of WYZB.

6.3. Representations and Warranties. Cumulus shall give notice to SBI promptly upon the occurrence of, or upon becoming aware of the impending or threatened occurrence of, any event that would cause or constitute a material breach of any of Cumulus's representations or warranties in this Agreement.

6.4. Notice of Proceedings. Cumulus will notify SBI promptly (and in any event within five (5) business days) upon becoming aware of any actual or threatened claim, dispute, arbitration, litigation, complaint, judgment, order, decree action or proceeding relating to

Cumulus, WYZB, the WYZB Assets, or the consummation of this Agreement or any transaction contemplated herein.

6.5. Confidential Information. Cumulus shall not disclose to third parties, other than its employees and agents for purposes of consummating the transactions contemplated hereby (who shall also be made subject to the restrictions of this section), any information, whether or not in writing, received from SBI or its agents in the course of evaluating, investigating, negotiating, and consummating the transactions contemplated by this Agreement, all of which shall be deemed confidential: provided, that no information shall be deemed to be confidential that (a) becomes publicly known or available other than through disclosure by Cumulus; (b) is rightfully received by Cumulus from a third party who has no obligation to SBI; or (c) is independently developed by Cumulus. If this Agreement is terminated without any Closing, all originals of all material provided to Cumulus by SBI or its agents shall be returned to SBI and all copies thereof shall be destroyed.

6.6. Consummation of Agreement. Cumulus shall fulfill and perform all conditions and obligations to be fulfilled and performed by Cumulus under this Agreement and make every commercially reasonable effort to cause the transactions contemplated by this Agreement to be fully carried out.

6.7. Compliance with Law. Cumulus will comply in all material respects with all applicable laws and government regulations with respect to WYZB, including but not limited to the Act and the rules and policies of the FCC.

6.8. Broadcast of Announcements. Beginning on the date that is at least four (4) weeks prior to the Closing (but in no event prior to the date on which the FCC provides public notice of the Orders), Cumulus shall broadcast without charge 60-second announcements on WYZB which (a) are provided by SBI, (b) advise the public of the forthcoming change in frequency for the WTKE format, and (c) are broadcast at least once every day-part on every day during the first week, at least once every other hour during the second and third weeks, and at least once every hour during the fourth week provided, that, in the event the Closing occurs less than four weeks after the FCC provides public notice of the Orders, the frequency of the announcements shall be broadcast to maximize the number of announcements (so that the announcement will always be broadcast at least once an hour during the last week prior to Closing).

ARTICLE 7. Conditions to the Obligation of SBI to Close

The obligation of SBI to consummate the transactions contemplated by this Agreement is, at its option, subject to the fulfillment of the following conditions prior to or at the Closing:

7.1. Cumulus's Representations, Warranties and Covenants.

(a) Each of the representations and warranties of Cumulus contained in this Agreement shall have been true and correct in all material respects as of the date when made and on the Closing Date, except for those representations and warranties already qualified by materiality, and, in that latter event, the representations and warranties shall be true and correct in all respects.

(b) Cumulus shall have performed and complied in all material respects with the covenants and obligations required by this Agreement to be performed or complied with by it prior to or on the Closing Date, except for those covenants and obligations already qualified by materiality and, in that latter event, the covenants and obligations shall have been performed in all respects.

(c) Cumulus shall have furnished SBI with a certificate, dated the Closing Date and duly executed by an authorized officer, to the effect that the conditions set forth in Sections 7.1.(a) and (b) have been satisfied.

7.2. Proceedings. Neither party shall be subject to any injunction or other order of a court or other Governmental Authority prohibiting the consummation of the transactions contemplated hereby. In the event such an order is in effect, the Closing shall be delayed (without regard to any other provision of this Agreement) for a period not to exceed six (6) months after all other conditions to Closing have been satisfied. This Agreement may be terminated according to its terms if such injunction or other order remains in effect at that time.

7.3. FCC Orders. The FCC Orders shall have been issued without conditions materially adverse to SBI.

7.4. Deliveries. Cumulus shall have complied with its obligations set forth in Article 9.

ARTICLE 8. Conditions to the Obligations of Cumulus to Close

The obligation of Cumulus to consummate the transactions contemplated by this Agreement is, at its option, subject to the fulfillment of the following conditions prior to or at the Closing:

(c) SBI shall have furnished Cumulus with a certificate, dated the Closing Date and duly executed by an authorized officer, to the effect that the conditions set forth in Sections 8.1(a) and (b) have been satisfied.

8.2. Proceedings. Neither party shall be subject to any injunction or other order of a court or other Governmental Authority prohibiting the consummation of the transactions

contemplated hereby. In the event such an injunction or other order is in effect, the Closing shall (notwithstanding any other provision of this Agreement) be delayed for a period not to exceed six (6) months after all other conditions to Closing have been satisfied. This Agreement may be terminated according to its terms if such injunction or other order remains in effect at that time.

8.3. FCC Orders. The FCC Orders shall have been issued without conditions materially adverse to Cumulus, and, in the event that either Application is subject to a petition to deny or other objection, each Order shall have become a Final Order.

8.4. Deliveries. SBI shall have complied with its obligations set forth in Article 9.

8.5. Required Consents. SBI shall have obtained all of the third party consents required to assign to Cumulus all of the WTKE Real Estate Leases.

8.6. Capstar Closing. 8.8. Material Adverse Change. There shall not have been any material adverse change in the business, prospects, finances, or operations of WTKE that have had or could reasonably be expected to have a material adverse effect on the value or operations of WTKE as a whole: provided, that this condition shall not be based on any change in law or government regulation applicable to the radio industry generally or to changes in local, regional or national economical, social or political conditions.

ARTICLE 9. Items to be Delivered at Closing

9.1. Deliveries by SBI. At the Closing, SBI shall deliver to Cumulus the following items:

ARTICLE 10. Indemnification

10.1. Survival. The several representations, warranties, covenants, and agreements of SBI and Cumulus contained in or made pursuant to this Agreement shall be deemed to have been made on and as of the Closing, shall survive the Closing, and shall remain operative and in full force and effect for a period of twenty-four (24) months after the Closing: provided, that all representations, warranties, covenants and obligations relating to Sections 3.5, 3.6, 3.7, 3.10, 4.4, 4.5, 4.6, and 4.9 shall survive the Closing and remain operative until the expiration of any applicable statutes of limitation or, in the case of Environmental Laws, five (5) years after the Closing; and provided further, that liabilities assumed or retained by SBI or Cumulus, as the case may be, pursuant to this Agreement shall remain in effect until such liabilities have been paid or discharged in full.

10.2. Indemnification of Cumulus. SBI shall indemnify, defend, and hold Cumulus and its parent, affiliates, members, officers, directors, employees and agents (who, for purposes of this Article, are included in all references to Cumulus) harmless from and against any and all damages, claims, losses, expenses, costs, obligations, and liabilities including, without limiting

the generality of the foregoing, liabilities for reasonable attorneys' fees (collectively "Loss and Expense") suffered, directly or indirectly, by Cumulus after the Closing Date by reason of, or arising out of, (a) any breach of a representation or warranty made by SBI pursuant to this Agreement, (b) any failure by SBI to perform or fulfill any of its covenants or obligations set forth in this Agreement, (c) any failure by SBI to pay or discharge any liabilities assumed or retained by SBI under this Agreement or to comply, if required, with any bulk sales law in Florida applicable to the sale of the WTKE Assets, or (d) any litigation, proceeding, or claim by any third party relating to the business or operation of WTKE prior to Closing or the business or operation of WYZB after Closing.

10.3. Indemnification of SBI. Cumulus shall indemnify, defend and hold SBI and its affiliates, stockholders, officers, directors, employees and agents (who for purposes of this Article, are included in all references to SBI) harmless from and against any and all Loss and Expense suffered, directly or indirectly, by SBI after the Closing Date by reason of, or arising out of, (a) any breach of a representation or warranty made by Cumulus pursuant to this Agreement, (b) any failure by Cumulus to perform or fulfill any of its covenants or obligations set forth in this Agreement, (c) any failure by Cumulus to pay or discharge any liabilities assumed or retained pursuant to this Agreement or to comply, if required, with any bulk sales law in Florida applicable to the sale of the WYZB Assets, or (d) any litigation, proceeding, or claim by any third party relating to the business or operation of WYZB prior to Closing or the business or operation of WTKE after Closing.

10.4. Notice of Claim. If either SBI or Cumulus believes that any Loss and Expense has been suffered or incurred, such party shall notify the other promptly in writing describing such Loss and Expense, the amount thereof, if known, and the method of computation of such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred. If any action at law or suit in equity is instituted by a third party with respect to which any of the parties intends to claim any liability or expense as Loss and Expense, such party shall promptly notify the indemnifying party of such action or suit. In no event, however, may the indemnifying party avoid or limit its obligations by reason of any delay unless such delay has prejudiced the indemnifying party, and then the indemnifying party's obligations shall be reduced only to the extent of such prejudice.

10.5. Defense of Third Party Claims. The indemnifying party shall have the right to conduct and control, through counsel of that party's own choosing, any third party claim action, or suit at the indemnifying party's sole cost and expense, but the indemnified party may, at that latter party's election, participate in the defense of any such claim, action, or suit at that party's sole cost and expense: provided, that if the indemnifying party shall fail to defend any such claim action or suit then the indemnified party may defend through counsel of that party's own choosing, such claim, action or suit and settle such claim, action, or suit, and recover from the indemnifying party the amount of such settlement or of any judgment and the costs and expenses of such defense; and provided further, that the indemnifying party shall be given at least (15) days prior notice of the terms of any proposed settlement thereof so that the indemnifying party may then undertake and/or resume the defense against the claim. The indemnifying party shall not compromise or settle any third party claim, action, or suit without the prior written consent of the indemnified party, which consent will not be unreasonably withheld or delayed: provided, that the indemnified party shall be obligated to provide its consent if such compromise or settlement includes a release for the indemnified party of all liability with respect to the matter

being compromised or settled, a reimbursement of the indemnified party for all Loss and Expense incurred in conjunction with the aforesaid claim, action, or suit, and a provision which denies any liability for the claim.

10.6. Limitations. Neither party shall be required to indemnify the other party under this Article unless written notice of a claim under this Article was received by the party within the pertinent survival period specified in this Article.

ARTICLE 11. Termination

11.1. Bases for Termination. This Agreement may be terminated immediately on or prior to the Closing upon notice by one party to the other (or as otherwise specified in this Section) under one of the following circumstances:

- (a) by the mutual written consent of the parties;
 - (b) by SBI, if any of the conditions provided in Article 7 hereof have not been met by the time required and have not been waived;
 - (c) by Cumulus, if any of the other conditions provided in Article 8 hereof have not been met by the time required and have not been waived;
 - (d) by Cumulus, if the Closing has not occurred within the time specified in Section 1.9 of this Agreement, and by SBI if the Closing has not occurred within twenty-four (24) months after the time specified in Section 1.9;
 - (e) by SBI or Cumulus, as the case may be, under Section 12.5 or Section 12.6 hereof;
 - (f) by Cumulus, if the WTKE Purchase Agreement is terminated without a closing resulting in SBI's acquisition of the WTKE Assets;
 - (g) by Cumulus, if any of the conditions set forth in Schedule 11.1(g) materialize;
- or
- (h) by SBI or Cumulus, if the FCC denies either Application in an order which becomes a Final Order or the FCC designates either Application for hearing in an order which becomes a Final Order.

11.2. Payment of Loan. Notwithstanding anything in this Article to the contrary, SBI may not terminate this Agreement unless, prior to or simultaneous with such termination, SBI has paid or pays in full any and all monies which SBI owes to Cumulus under or in conjunction with the Loan by wire transfer of immediately available funds.

11.3. Liabilities Upon Termination. If the parties fail to consummate this Agreement on the Closing Date due to either party's material breach of any representation, warranty, covenant or obligation hereunder, and the other party is not at that time in material breach of any representation, warranty, covenant or obligation hereunder, then such party shall be entitled to

(a) obtain specific performance of the terms of this Agreement and the other party's obligation to consummate the transactions contemplated hereby (in light of the unique character of the WTKE Assets and the WYZB Assets and the difficulty, if not impossibility, of quantifying such party's damages) and (b) pursue any other remedies which such party may have at law or equity. If any action is brought by such party to enforce this Agreement by specific performance, the other party shall waive the defense that such party has an adequate remedy at law.

11.4. Notice of Breach. In the event that any party to this Agreement believes that the other party is in material breach of its representations, warranties, covenants or obligations hereunder, such party shall give prompt written notice thereof, detailing the nature of the breach and the steps necessary to cure such breach. For purposes of this Agreement, no "breach" shall be deemed to have occurred hereunder unless the party alleged to be in breach has been afforded a cure period of at least thirty (30) days following receipt of such notice within which to cure such breach.

ARTICLE 12. Miscellaneous

12.1. Expenses. Each party shall bear all of its expenses incurred in connection with the transactions contemplated by this Agreement, including without limitation, accounting and legal fees incurred in connection herewith: provided, that: (a) SBI and Cumulus shall each pay one-half of the FCC filing fees required to be paid in connection with each of the Applications; (b) SBI shall be exclusively responsible, and Cumulus shall not have any liability or responsibility, for any sales or transfer taxes (including without limitation any real estate transfer taxes), arising from the transfer of the WTKE Assets; (c) Cumulus shall be exclusively responsible, and SBI shall not have any liability or responsibility, for any sales or transfer taxes (including without limitation any real estate transfer taxes), arising from the assignment and transfer of the Assets; and (d) SBI and Cumulus shall divide equally up to \$20,000 in outdoor advertising (which would be in place at least one month prior to Closing and remain in place for one month after Closing) to advise the public of the change in formats for WTKE and WYZB (but with the understanding that Cumulus shall be solely responsible for all costs of preparing copy to be utilized in such outdoor advertising).

12.2. Remedies Cumulative. The remedies provided in this Agreement shall be cumulative and shall not preclude the assertion by any party of any other rights or the seeking of any other remedies against the other party.

12.3. Further Assurances. From time to time prior to, on and after the Closing, each party will execute all such instruments and take all such actions as any other party shall reasonably request, without payment of further consideration, in connection with carrying out and effectuating the intent and purpose hereof and all transactions contemplated by this Agreement, including without limitation the execution and delivery of any and all confirmatory and other instruments in addition to those to be delivered at the Closing, and any and all actions which may reasonably be necessary to complete the transactions contemplated hereby. The parties shall use commercially reasonable efforts to cooperate with each other and with their respective counsel and accountants in connection with any steps required to be taken as part of their respective obligations under this Agreement.

12.4. Public Announcements. Except as required by applicable law or government regulation or with the other party's express written consent, which shall not be unreasonably withheld, no party shall issue any press release or make any public statement (oral or written) regarding the transactions contemplated by this Agreement.

12.5. Broadcast Transmission Interruption.

(a) **Interruption of WTKE.** If the regular broadcast transmission of WTKE in the normal and usual manner is interrupted after SBI's acquisition of the WTKE Assets but before Closing hereunder for a period of six (6) consecutive hours or more, SBI shall give prompt written notice thereof to Cumulus with an explanation of the cause of the interruption and with prompt notice thereafter of the restoration of on air service. After receiving notice of interruption, Cumulus shall have the right, by giving written notice to SBI, to postpone (and if necessary re-postpone) the Closing to a date that is fifteen (15) days after the date on which on air service is restored. If regular broadcast transmission in the normal and usual manner is interrupted for a continuous period of 48 hours or more at any time prior to the Closing, Cumulus shall have the right, by giving written notice to SBI, to (i) terminate this Agreement or (ii) postpone the Closing as provided above. In no event shall this subsection be applicable to any reasonable interruption of on air service by WTKE caused by or incident to the relocation of WTKE's transmission facilities in accordance with the *Report and Order*.

(b) **Interruption of WYZB.** If the regular broadcast transmission of WYZB in the normal and usual manner is interrupted before Closing for a period of six (6) consecutive hours or more, Cumulus shall give prompt written notice thereof to SBI with an explanation of the cause of the interruption and with prompt notice thereafter of the restoration of on air service. After receiving notice of the interruption, SBI shall have the right by giving written notice to Cumulus, to postpone (and if necessary re-postpone) the Closing to a date that is fifteen (15) days after the end of any such interruption. If regular broadcast transmission in the normal and usual manner is interrupted for a continuous period of 48 hours or more at any time prior to the Closing, SBI shall have the right, by giving written notice to Cumulus, to (i) terminate this Agreement or (ii) postpone the Closing as provided above.

12.6. Risk of Loss.

(a) **Damage to WTKE Assets.** The risk of loss, damage or destruction to any of the WTKE Assets shall be borne by SBI at all times prior to the Closing, and it shall be the responsibility of SBI to repair or replace any lost, damaged or destroyed asset to its condition prior to any such loss, damage, or destruction. In the event of any such loss, damage or destruction, the proceeds of any claim under any insurance policy with respect thereto shall be used to repair, replace, or restore any such asset to its former condition, subject to the conditions set forth below. In the event of any loss, damage, or destruction to any of the WTKE Assets, SBI shall notify Cumulus thereof in writing immediately. Such notice shall specify with particularity the loss, damage or destruction incurred, the cause thereof (if known or reasonably ascertainable), and whether insurance coverage is applicable and, if so, to what extent. In the event that any asset is not completely repaired, replaced or restored on or before the Closing, Cumulus may, at its option, (i) elect to postpone Closing until such time as the asset has been completely repaired, replaced or restored (and, if necessary, the parties shall request from the FCC any extensions of time in which to consummate the Closing that may be required in order to complete such repairs); or (ii) elect to consummate the Closing and accept the asset in its current

condition, in which event SBI shall pay to Cumulus all proceeds of insurance along with an amount equal to the deductible and assign to Cumulus the right to receive any unpaid proceeds; or (iii) terminate this Agreement.

(b) Damage to WYZB Assets. The risk of loss, damage or destruction to any of the WYZB Assets shall be borne by Cumulus at all times prior to the Closing, and it shall be the responsibility of Cumulus to repair or to restore the asset to its condition prior to any such loss, damage, or destruction. In the event of any such loss, damage, or destruction, the proceeds of any claim under any insurance policy with respect thereto shall be used to repair, replace, or restore any such asset to its former condition, subject to the conditions set forth herein. In the event of any loss, damage, or destruction to any of the WYZB Assets, Cumulus shall notify SBI thereof in writing immediately. Such notice shall specify with particularity the loss, damage or destruction incurred, the cause thereof (if known or reasonably ascertainable), and whether insurance coverage is applicable, and, if so, to what extent. In the event that any asset is not completely repaired, replaced or restored on or before the scheduled Closing, SBI may at its option, (i) elect to postpone Closing until such time as the asset has been completely repaired, replaced or restored (and, if necessary, the parties shall request from the FCC any extensions of time in which to consummate the Closing that may be required in order to complete such repairs); or (ii) elect to consummate the Closing and accept the asset in its then condition, in which event Cumulus shall pay to SBI proceeds of insurance along with an amount equal to the deductible and assign to SBI the right to receive any unpaid proceeds; or (iii) terminate this Agreement.

12.7. Assignments. Neither party may assign its rights or obligations under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld, delayed, or conditioned: provided, that Cumulus may assign its rights and obligations under this Agreement without the prior written consent of SBI to any entity controlled by or under common control with Cumulus.

12.9. Law Governing. This Agreement shall be governed by, construed, and enforced in accordance with the laws of the State of Florida without regard to conflict of laws provisions.

12.10. Waiver of Provisions. The terms, covenants, representations, warranties, and conditions of this Agreement may be waived only by a written instrument executed by the party waiving compliance. The failure of any party at any time or times to require performance of any provision of this Agreement shall not affect the exercise of a party's rights at a later date. No waiver by any party of any condition or the breach of any provision, term, covenant, representation, or warranty contained in this Agreement in any one or more instances shall be construed as a further or continuing waiver of any such condition in any other instance or of the breach of any other provision, term, covenant representation, or warranty of this Agreement.

12.11. Counterparts. This Agreement may be executed in counterparts, and all counterparts executed shall collectively constitute one agreement, binding on all of the parties hereto, notwithstanding that all the parties are not signatory to the original or the same counterpart.

12.12. Reimbursement of Legal Expenses. If a formal legal proceeding is instituted by a party to enforce that party's rights under this Agreement, the party prevailing in the proceeding shall be reimbursed by the other party for all reasonable costs incurred thereby, including but not limited to reasonable attorneys' fees.

12.13. Access to Records. Any records delivered by one party to the other party relating to the WTKE Assets or the WYZB Assets, as the case may be, shall be maintained by the receiving party for three (3) years after the Closing Date. Upon reasonable prior notice, the other party shall be entitled to inspect and copy any such records at its expense. In the event that it wishes to dispose of such records, the receiving party shall give the other party thirty (30) days' prior written notice and an opportunity to retrieve such records at its expense.

12.14. Entire Agreement. This Agreement and the documents referenced herein constitute the entire agreement among the parties with respect to the subject matter hereof, supersede and cancel any and all prior or contemporaneous agreements and understanding between them with respect to the subject matter hereof, and may not be amended except in a writing signed by the parties.

12.15. Update of Schedules. At or prior to Closing, SBI and Cumulus shall each update the schedules relating to the WTKE Assets or, as the case may be, the WYZB Assets, to account for non-material changes in circumstances or events that arise after the date of this Agreement and before the Closing: provided, that in no event shall SBI or Cumulus, as the case may be, be obligated to assume any contract, real estate lease, or other liability except as may be required by this Agreement or in accordance with a document executed by the party to be charged with the assumption of any new responsibility or other liability.

12.16. Right of First Refusal. If it decides at any time within ten (10) years after Closing to entertain any proposal to sell the WYZB Assets, whether by sale of the assets themselves, the ownership interests of SBI, or otherwise (in any case, the “Sale”), SBI shall provide Cumulus with a copy of a written proposal for such Sale executed by the third party buyer, and Cumulus shall have thirty (30) days after receipt thereof to provide a proposal that is comparable to such proposal in all material respects. In no event shall SBI execute any agreement for any Sale with a third party without providing Cumulus with such opportunity to provide a proposal that is comparable in all material respects. Cumulus may assign its rights under this section with the prior approval of SBI, which shall not be unreasonably withheld, conditioned, or delayed. Cumulus’s rights may be enforced by specific performance in accordance with the provisions of Section 11.3 hereof.

12.17. Changes in Formats. Notwithstanding anything to the contrary in this Agreement, for a period of sixty (60) months after the Closing, neither SBI nor any successor-in-interest shall institute an AC or country program format, or any similar or derivative format, on WYZB. This provision is material to Cumulus’s inducement to enter into this Agreement and may be enforced by specific performance in accordance with the provisions of Section 11.3 hereof.
