subject: Another station interfering with your local station

message: I listen \To every Man an Answer\ on 89.7 FM W209BL on my way home from work. I work in Decatur AL and live in Huntsville AL. At different times on my way home another station overlaps. I think it is called KLOVE. About half of the drive KLOVE over takes it completely. Also when in Huntsville 89.7 FM W209BL along I-565 the station is completely fuzzy near the Space and Rocket Center and along Redstone Arsenal military base. I don't know if you can fix these problems but I hope so. It is amazing how much I learn from that show. I really depend on it.
