(b) Assumed Liabilities. For all purposes of and under this Agreement, the term “Assumed Liabilities” shall mean, refer to and include all Liabilities of the Seller (i) under the Business Contracts validly assigned to the Purchaser (other than any Excluded Contracts) to the extent arising or accruing at or after the Effective Time, (ii) relating exclusively to the Stations that arise with respect to events occurring after the Effective Time and that relate to the period commencing after the Effective Time; (iii) the Purchaser’s obligations pursuant to Section 3.5; and (iv) to the extent included in the calculation of the Prorations in favor of the Seller, but only up to the amount of such Proration with respect to such Liability; provided, however, that, for the avoidance of doubt,

(c) Excluded Liabilities. The Purchaser shall not assume, and the term “Assumed Liabilities” shall not mean, refer to or include (and, therefore, the “Excluded Liabilities” shall consist of) all Liabilities of the Seller not expressly assumed by the Purchaser as Assumed Liabilities hereunder, including the following:

(ix) Liabilities to any Affiliate of the Seller;

(x) Liabilities related to any asset of the Seller not included within the Assets, including the Excluded Assets;

(xi) any Liability for Taxes payable with respect to the Seller’s transfer of the Assets to the Purchaser and the Seller’s consummation of the Transactions;

(xii) Liabilities under any Excluded Contract, except to the extent of the Purchaser’s obligation to pay such Liability under Section 3.5 of this Agreement;

(xv) All Liabilities of the Seller arising under this Agreement and any and all other Operative Agreements.

2.3 Consideration for Assets.

(a) Purchase Price. The consideration for the Assets shall be (i) \$10,733,333 paid in cash (the "Base Purchase Price"), subject to adjustment as provided in Section 2.4 (the Base Purchase Price, as so adjusted, the "Purchase Price") and (ii) the assumption by the Purchaser of the Assumed Liabilities pursuant to Section 2.2 hereof. The Purchaser shall pay the Purchase Price as determined pursuant to Section 2.4 and Section 2.5 at Closing as follows: (A) the full amount of the Escrow Deposit shall be transferred and deposited with the Escrow Agent as a portion of the Indemnity Escrow (as defined below) pursuant to Section 2.3(c); (B) the Indemnity Escrow Balance shall be deposited with the Escrow Agent as the balance of the Indemnity Escrow; and (C) the balance of the Purchase Price (*i.e.*, the Purchase Price reduced by the Indemnity Escrow) shall be paid by the Purchaser to the Seller, by wire transfer of immediately available funds in accordance with written instructions delivered by the Seller reasonably in advance of Closing.

(b) Escrow Deposit. Within five (5) Business Days of the execution and delivery of this Agreement, the Purchaser shall deliver to Kalil & Co., Inc. (the "Escrow Agent") \$555,858 to be held as an earnest money deposit ("Escrow Deposit") pursuant to an Escrow Agreement of even date herewith (the "Deposit Escrow Agreement"). At the Closing, the Escrow Deposit and, at the election of the Purchaser, the portion of the interest and earnings thereon specified by the Purchaser, shall be paid to the Seller as partial payment of, and a credit against, the Purchase Price due at Closing. In the event that this Agreement is terminated pursuant to the terms hereof, the Escrow Deposit shall be paid to the Seller or paid to the Purchaser in accordance with Section 9.1. Any portion of the

interest and earnings on the Escrow Deposit not paid to the Seller as provided above shall be paid to the Purchaser. The Purchaser and the Seller shall deliver such instructions to the Escrow Agent as may be necessary to disburse the Escrow Deposit in accordance with the terms of this Agreement.

(c) Indemnity Escrow. At the Closing, the Purchaser and the Seller will direct the Escrow Agent to transfer from the account holding the Escrow Deposit the entire amount of the Escrow Deposit and the Indemnity Escrow Balance shall be funded as set forth in clause (B) of the second sentence of Section 2.3(a) (such total amount equal to \$1,111,715, the “Indemnity Escrow”) pursuant to the Escrow Agent’s standard form of escrow agreement (with such changes as the parties shall collectively agree, the “Escrow Agreement”). The Escrow Agent will hold the Indemnity Escrow to be distributed pursuant to the terms of the Indemnity Escrow Agreement and this Agreement. The Indemnity Escrow will serve as one source of payment of any indemnification obligations of the Seller pursuant to Article VIII of this Agreement. On the date that is six (6) months after the Closing Date, the Escrow Agent will pay to the Seller the portion of the interest and earnings on the Indemnity Escrow and fifty percent (50%) of any amounts remaining in the Indemnity Escrow, minus the aggregate amount of Damages reasonably estimated by the Purchaser under any Notice of Claim properly asserted and previously submitted by the Purchaser and then unresolved (or resolved but unpaid), or such other amount as the Purchaser and the Seller may agree in writing to cover the aggregate dollar amount of such claims, and the Purchaser and the Seller shall so instruct the Escrow Agent in writing. On the date that is fifteen (15) months after the Closing Date, the Escrow Agent will pay to the Seller the portion of the interest and earnings on the Indemnity Escrow and any amounts remaining in the Indemnity Escrow, minus the aggregate amount of Damages reasonably estimated by the Purchaser under any Notice of Claim properly asserted and previously submitted by the Purchaser and then unresolved (or resolved but unpaid), or such other amount as the Purchaser and the Seller may agree in writing to cover the aggregate dollar amount of such claims, and the Purchaser and the Seller shall so instruct the Escrow Agent in writing. The provisions of Section 8.4 shall govern resolution of any such outstanding claims.

2.4 Proration.

(a) General Allocation Principles. Except as otherwise provided in this Section 2.4, the ownership and operation of the Assets, and the revenues, expenses, and liabilities attributable thereto (other than Excluded Liabilities), including power and utilities charges, wages of Transferred Employees, sales commissions, applicable copyright or other fees, including program license payments, rents and income, FCC annual regulatory fees, music and other license fees, and other accruing, prepaid and deferred items, will be prorated between the Seller and the Purchaser in accordance with the following principles and in accordance with GAAP:

(i) The Seller will be allocated with respect to the Stations all revenues earned, accrued, or allocable to, and all expenses, costs and liabilities incurred in or allocable to, the period prior to the Effective Time;

(ii) The Purchaser will be allocated with respect to the Stations all revenues earned, accrued or allocable to, and all expenses, costs and liabilities incurred in or allocable to, the periods at or after the Effective Time (other than Excluded Liabilities);

(iii) The Purchaser shall acquire all of the Accounts Receivable other than

Ineligible Accounts Receivable from MVPDs, and the Seller shall be afforded a credit in the Prorations equal to the book value of the Eligible Accounts Receivable at Closing, and for the avoidance of doubt, the Seller shall receive no credit for any Accounts Receivable that are not Eligible Accounts (“Ineligible Accounts Receivable”). For a period of ninety (90) days following the Closing (the “Collection Period”), the Purchaser shall use commercially reasonable efforts to collect Ineligible Accounts Receivable other than those from MVPDs (excluding litigation) and, following the Collection Period, shall promptly remit to the Seller, from time to time (but not more than once per month), any and all net collections that the Purchaser receives in respect thereof. Following the Collection Period, the Seller may, by written notice, require the Purchaser to assign and transfer to the Seller all uncollected Ineligible Accounts Receivable (other than those from MVPDs, which are being retained by the Seller):

(iv) (a) If at the Effective Time, the Trade Agreements have an aggregate *negative* balance (*i.e.*, the amount by which the value of air or advertising time the Stations are obligated to provide after the Effective Time thereunder exceeds the fair market value of corresponding goods and services to be received by the Stations thereunder after such time), there shall be no proration or adjustment therefor, unless the aggregate negative balance of all of the Trade Agreements exceeds \$5,000, in which event only such excess shall be treated as prepaid time sales of the Stations, and adjusted for as a proration in the Purchaser’s favor. There shall be no proration or adjustment in the Seller’s favor to the extent that the Trade Agreements have an aggregate *positive* balance at the Effective Time. In determining Trade Agreement balances, the value of air or advertising time shall be based upon the Seller’s rates as of the Effective Time, and corresponding goods or services shall include only those to be received by the Stations after the Effective Time plus those received by the Stations before the Effective Time to the extent conveyed by the Seller to the Purchaser as part of the Assets;

(v) The Seller shall remain or be solely (as between the Seller and the Purchaser) liable with respect to the Excluded Liabilities whether arising before or after Closing Date; and

(vi) In no event shall the Purchaser be liable for any bonus or any other compensation payable to any of the Seller’s employees as a result of or in connection with the Transactions, including stay or retention bonuses or change of control payments, all of which shall be the responsibility of the Seller.

At the Closing, the Purchase Price will be increased or decreased, as appropriate, in order to give effect to this Section 2.4, based on the estimate described in Section 2.5.

(b) Treatment of Program Liabilities. Notwithstanding Section 2.4(a), as between the Purchaser and the Seller:

(i) The Seller will be allocated all obligations to make cash payments of license and usage fees pursuant to any Contract for Program Rights (“Program Payments”) that first become due and payable under the terms of such Contract for Program Rights prior to the first day of the applicable payment period that includes the Closing Date;

(ii) The Purchaser will be allocated all obligations to make Program Payments that first become due and payable under the terms of any applicable Contract for Program Rights after the last day of the applicable payment period that includes the Closing Date; and

(iii) With respect to Program Payments that first become due and payable under the terms of any applicable Contract for Program Rights during the applicable payment period that includes the Closing Date: (A) the Seller will be allocated all obligations to make a portion of each such Program Payment that is equal to a fraction, the numerator of which is the number of days (if any) during such applicable payment period that are prior to the Closing Date and the denominator of which is the total number of days during such applicable payment period, and (B) the Purchaser will be allocated obligations to make the remaining portion of such Program Payments. All Contracts for Program Rights must be amortized in accordance with the Stations' ordinary course accounting policies. Notwithstanding anything to the contrary contained herein, the current liability for each Contract for Program Rights must be brought current by the Seller as of the Effective Time, and no such amounts shall be deferred in such a manner that the liability in respect thereof differs from amounts determined by using the terms of the agreement giving rise to such liability.

2.5 Adjustment Procedures. The adjustments specified in Section 2.4 shall be determined in accordance with the following procedures:

(a) Estimate for Closing. The Seller shall, no later than three (3) Business Days prior to the scheduled Closing Date, prepare and deliver to the Purchaser a good faith estimate of the prorations and adjustments to the Purchase Price that are required in order to give effect to Section 2.4 (the "Prorations"), which shall reflect Section 6.7(e).

(b) Post-Closing Adjustment.

(i) Within ninety (90) days after the Closing Date, the Purchaser shall deliver to the Seller a statement setting forth the Purchaser's determination of the Prorations. In connection with the Seller's review of such determination, the Purchaser will furnish the Seller with such information as may be reasonably requested by the Seller. If the Seller disputes the amount of the Prorations determined by the Purchaser, then the Seller shall deliver to the Purchaser within thirty (30) days after the Seller's receipt of the Purchaser's statement, a statement setting forth the Seller's determination of the Prorations. If the Seller notifies the Purchaser of its acceptance of the Purchaser's statement, or if the Seller fails to deliver its statement within the period specified in the preceding sentence, then the Purchaser's determination of the Prorations shall be conclusive and binding on the parties as of the last day of such thirty (30) day period.

(ii) The Seller and the Purchaser shall use good faith efforts to resolve any dispute involving the determination of the Prorations. If the parties do not resolve the dispute within thirty (30) days following the delivery of the Seller's statement pursuant to Section 2.5(b), then the Seller and the Purchaser shall jointly designate the Independent Accounting Firm to resolve the dispute applying the principles, policies and practices referred to in Section 2.4. If issues are submitted to the Independent Accounting Firm for resolution,

then: (A) the Seller and the Purchaser shall furnish or cause to be furnished to the Independent Accounting Firm such work papers and other documents and information relating to the disputed issues as the Independent Accounting Firm may reasonably request and as are available to that party or its agents and shall be afforded the opportunity to present to the Independent Accounting Firm any material relating to the disputed issues and to discuss the issues with the Independent Accounting Firm; (B) except as the Purchaser and Seller may otherwise agree, all communications between any party hereto or its respective representatives or agents, on the one hand, and the Independent Accounting Firm, on the other hand, will be in writing with correct and complete copies simultaneously delivered to the non-communicating party; (C) the determination by the Independent Accounting Firm, as set forth in a notice to be delivered to both the Seller and the Purchaser within sixty (60) days of the submission to the Independent Accounting Firm of the issues remaining in dispute, shall be final, binding and conclusive on the parties hereto, absent manifest error, and shall be used in the calculation of the Purchase Price; and (D) the fees, costs and expenses of the Independent Accounting Firm shall be borne by the parties hereto in inverse proportion, as determined by the Independent Accounting Firm, as they may prevail on the matter resolved by the Independent Accounting Firm.

(iii) Final settlement of the Prorations, in cash, will be made no later than the fifth (5th) Business Day after the value of the Prorations are finally determined pursuant to this Section 2.5. The Purchase Price as finally determined pursuant to this Section 2.5 is referred to as the “Final Purchase Price”. If the Final Purchase Price exceeds the Purchase Price paid by the Purchaser to the Seller at Closing, then the Purchaser shall pay the Seller the amount of such excess, and, if the Purchase Price paid by the Purchaser to the Seller at Closing exceeds the Final Purchase Price, then the Seller shall pay the amount of such excess to the Purchaser.

2.6 Allocation of Purchase Price. The consideration for the Assets provided herein shall be allocated among the various categories of Assets in accordance with the requirements of Section 1060 of the Internal Revenue Code, and the Treasury Regulations thereunder. The parties hereto shall use their commercially reasonable efforts to reach agreement within one hundred twenty (120) days after the Closing Date on a reasonable allocation of consideration to such categories of Assets. If the Purchaser and the Seller reach such agreement, then the Purchaser and the Seller (i) shall execute and file all Tax Returns in a manner consistent with the allocation determined pursuant to this Section 2.6 and (ii) shall not take any position before any Governmental Authority or in any judicial proceeding that is inconsistent with such allocation. The Seller and the Purchaser shall each timely file a Form 8594 with the IRS in accordance with the requirements of Section 1060 of the Internal Revenue Code. If the parties hereto do not reach agreement with respect to such allocation, then each party hereto shall make its own determination of such allocations for financial and Tax reporting purposes. The parties hereto shall promptly advise each other of the existence of any Tax audit or litigation related to any allocation hereunder.

The Seller and the Purchaser shall use their commercially reasonable efforts to obtain at the earliest practicable date any and all such third party consents or approvals under all Business Contracts or Business Licenses; provided, however, that neither the Seller nor the Purchaser shall be required to pay or incur any cost or expense to obtain any third-party consent or approval that it is not otherwise required to pay or incur in accordance with the terms of the applicable Business Contract or Business License, except for usual and customary legal fees and expenses, which shall be paid by the Seller. The Seller has timely paid, caused to be paid or accrued, all Taxes due and payable by the Seller, except for Taxes that are being contested in good faith and with adequate reserves as required by GAAP. (b) The Seller has withheld and paid each Tax required to have been withheld and paid in connection with amounts paid or owing to any employee, independent contractor, creditor, customer, shareholder or other party, and complied with all information reporting and backup withholding provisions of applicable Law. The Seller is not a "foreign person" as that term is used in Treasury Regulations Section 1.1445-2. No extensions or waivers of statutes of limitations have been given or requested with respect to any Taxes of the Seller. All deficiencies asserted, or assessments made, against the Seller as a result of any examinations by any Tax authority have been fully paid.

(c) The Seller is not a party to any Action by any Tax authority. (d) There are no Encumbrances for Taxes upon any of the Assets nor is any Tax authority in the process of imposing any Encumbrances for Taxes on any of the Assets (other than for current Taxes not yet due and payable).

4.20 Transactions with Affiliates. Except as disclosed on Schedule 4.20, the Seller is not a party to any contract with any Affiliate of the Seller, or any equity owners, directors or officers of any such Affiliates that would be an Asset.

4.21 Brokers. Except as disclosed on Schedule 4.21, no finder, broker, agent, financial advisor or other intermediary has acted on behalf of the Seller in connection with this Agreement or the Transactions or is entitled to any payment in connection herewith or therewith.

4.22 Data Incidents. To the Knowledge of Seller, the Seller has not experienced any material breach of privacy, security, or confidentiality with respect to Protected Data, or any material unauthorized access to, acquisition of, loss of, or disclosure of Protected Data (a “Data Incident”), including any Data Incident that required or will require notification to affected Persons, Governmental Authorities, or other Persons under any applicable Law or pursuant to any contractual obligation. The Seller has not notified any affected Person or Governmental Authority of any actual or suspected Data Incident.

4.23 Disclaimer. EXCEPT AS EXPRESSLY PROVIDED IN THIS ARTICLE IV, OR ANY SCHEDULE, CERTIFICATE OR OTHER DOCUMENT DELIVERED BY THE SELLER PURSUANT TO THIS AGREEMENT, INCLUDING THE OTHER OPERATIVE AGREEMENTS, THE SELLER MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, NATURE OR DESCRIPTION, EXPRESS OR IMPLIED, INCLUDING, ANY WARRANTY OF TITLE, MERCHANTABILITY OR FITNESS OF ANY ASSET FOR A PARTICULAR PURPOSE OR WITH RESPECT TO ANY PROJECTIONS OR FUTURE FINANCIAL OR OPERATIONAL PERFORMANCE OF THE STATIONS, THEIR BUSINESS, OR THE ASSETS.

ARTICLE V. REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Seller as follows:

5.1 Organization. The Purchaser is duly organized, validly existing and in good standing under the Laws of the State of Delaware.

5.2 Authority. The Purchaser has all requisite limited liability company power and authority to enter into and deliver this Agreement and the Operative Agreements to which it is a party, to perform its obligations hereunder and thereunder, to consummate the Transactions, and to assume and perform the Assumed Liabilities. The execution and delivery by the Purchaser of this Agreement and the Operative Agreements to which it is a party, the performance by the Purchaser of its obligations hereunder and thereunder, the consummation by the Purchaser of the Transactions, and the assumption and performance of the Assumed Liabilities, have been duly authorized by all necessary requisite limited liability company action on the part of the Purchaser. This Agreement has been, and the Operative Agreements to which the Purchaser is a party shall be, duly executed and delivered by the Purchaser. Assuming the due authorization, execution and delivery of this Agreement and the Operative Agreements by the Seller, this Agreement constitutes, and each of the Operative Agreements to which the Purchaser is a party (when so executed and delivered) will constitute, a legal, valid and binding obligation of the Purchaser, enforceable against the Purchaser in accordance with its terms, except as such enforceability may be limited by the Enforceability Exceptions.

5.3 No Violation; Third Party Consents. Assuming that all consents, waivers, approvals, orders and authorizations described in Section 5.4 hereto have been obtained and all registrations, qualifications, designations, declarations or filings with any Governmental Authorities described in Section 5.4 hereto have been made, the execution and delivery by the Purchaser of this Agreement and the Operative Agreements to which it is a party, the performance by the Purchaser of its obligations hereunder and thereunder, the consummation by the Purchaser of the Transactions, and

the assumption and performance of the Assumed Liabilities, will not conflict with or violate, constitute a default (or event which with the giving of notice or lapse of time, or both, would constitute a default) under, give rise to any right of termination, amendment, modification, acceleration or cancellation of any obligation or loss of any benefit under, result in the creation of any Encumbrance other than a Permitted Encumbrance on any of the assets or properties of the Purchaser pursuant to, or require the Purchaser to obtain any consent, waiver, approval or action of, make any filing with, or give any notice to any Person as a result or under, the terms or provisions of (i) the organizational documents of the Purchaser, (ii) any Contract to which the Purchaser is a party or is bound, or (iii) any Law applicable to the Purchaser, or any Governmental Order issued by a Governmental Authority by which the Purchaser is in any way bound or obligated, except, in the case of clauses (ii) and (iii) of this Section 5.3, as would not have a material adverse effect on the ability of the Purchaser to perform its obligations under this Agreement and the Operative Agreements to which it is a party, to assume and perform the Assumed Liabilities or to consummate on a timely basis the Transactions.

5.4 Governmental Consents. No consent, waiver, approval, order or authorization of, or registration, qualification, designation, declaration or filing with, any Governmental Authority is required on the part of the Purchaser in connection with the execution and delivery by the Purchaser of this Agreement and the Operative Agreements to which it is a party, the performance by the Purchaser of its obligations hereunder and thereunder, the consummation by the Purchaser of the Transactions, the assumption and performance of the Assumed Liabilities, except (i) the FCC Consent and (ii) where the failure to obtain such consent, waiver, approval, order or authorization, or to make such registration, qualification, designation, declaration or filing, would not, individually or in the aggregate, have a material adverse effect on the ability of the Purchaser to perform its obligations under this Agreement, the Operative Agreements to which it is a party, to assume and perform the Assumed Liabilities or to consummate on a timely basis the Transactions.

5.5 Litigation. There are no pending or, to the knowledge of the Purchaser, threatened Actions by any Person or Governmental Authority against or relating to the Purchaser (or any Affiliate of the Purchaser) or by which the Purchaser or its assets or properties are or may be bound which would have a material adverse effect on the ability of the Purchaser to perform its obligations under this Agreement and the Operative Agreements to which it is a party, to assume and perform the Assumed Liabilities or to consummate on a timely basis the Transactions.

5.6 Brokers. Except as set forth on Schedule 5.6, no finder, broker, agent, financial advisor or other intermediary has acted on behalf of the Purchaser in connection with this Agreement or the Transactions or is entitled to any payment in connection herewith or therewith.

5.7 FCC Qualifications. Subject to obtaining any required Ownership Waivers, the Purchaser is, to the Purchaser's knowledge, legally, technically, financially and otherwise qualified under the Communications Act to perform its obligations hereunder and to be the licensee of the Assigned Licenses. To the Purchaser's knowledge, there is no fact or circumstance relating to the Purchaser or any of its Affiliates that would reasonably be expected to prevent the FCC from granting the FCC Applications or that would otherwise reasonably be expected to disqualify the Purchaser as the licensee of the Assigned Licenses. Other than the Ownership Waivers, no waiver of any FCC rule or policy is required for the grant of the FCC Applications.

5.8 Financing. The Purchaser will have at the Closing sufficient cash, available lines of credit or other sources of funds to enable it to make payment of the Purchase Price and any other amounts to be paid by it in accordance with the terms of this Agreement. The Purchaser acknowledges and agrees that it shall be the Purchaser's obligation to have funds on hand at the Closing sufficient to enable the Purchaser to pay the Purchase Price, and the Purchaser's failure to have such funds at Closing shall constitute a breach by the Purchaser that gives rise to the failure of a condition set forth in Section 7.2 for the purposes of Section 9.1(a)(i).

ARTICLE VI. COVENANTS AND AGREEMENTS

6.1 Conduct of Business. At all times during the period commencing upon the execution and delivery of this Agreement by the parties hereto and terminating upon the earlier of the Closing or the termination of this Agreement pursuant to and in accordance with the terms of Section 9.1 hereof, unless the Purchaser shall otherwise consent in writing, and except as otherwise required by Law or to enable the Seller to comply with its obligations hereunder or as otherwise set forth in Schedule 6.1 hereto, the Seller shall:

(b) (i) confer on a regular and frequent basis with the Purchaser to report material operational matters and to report the general status of ongoing operations of the Stations and the

(e) Without limiting the foregoing, at all times during the period commencing upon the execution and delivery of this Agreement by the parties hereto and terminating upon the earlier of the Closing or the termination of this Agreement pursuant to and in accordance with the terms of Section 9.1 hereof unless the Purchaser shall otherwise consent in writing (which consent shall not be unreasonably withheld, delayed, denied or conditioned, except as set forth on Schedule 6.1 hereto, the Seller shall not take, or cause to be taken, any of the following actions to the extent such actions relate to the Stations or the Assets:

(i) enter into, materially amend, materially modify or terminate (other than at the expiration of their respective terms or due to a default of the other party thereunder) any (1) Material Business Contract, (2) any Business Contract relating to Program Rights, or (3) other Business Contract other than Business Contracts not involving Liabilities exceeding \$10,000 in any twelve-month period or \$50,000 in the aggregate in any twelve-month period for all such Business Contracts;

(ii) make any change in any method of accounting or accounting practice utilized in the preparation of the Financial Statements, except for any such change required by reason of a concurrent change in GAAP;

(iii) increase any wage, salary, bonus or other direct or indirect compensation payable or to become payable to any of the Business Employees, or make any accrual for or commitment or agreement to make or pay the same, other than increases in wages, salary, bonuses or other direct or indirect compensation made in the ordinary course of business, consistent with past practice. Notwithstanding the foregoing, any such increases shall not exceed 2% individually or in the aggregate, or those required by any existing Business Contract or Law; provided, however, that the Seller may offer retention bonuses to any of the Business Employees, at the sole expense of the Seller;

(iv) increase benefits under, or establish any new bonus, insurance, severance, deferred compensation, pension, retirement, profit sharing, option (including the

(v) make any payment or commitment to pay any severance or termination pay to any Business Employee or any independent contractor, consultant, agent or other representative of the Seller, other than payments or commitments to pay such Business Employees, independent contractors, consultants, agents or other representatives of the Seller in accordance with the terms of any agreements with such individual, or those required by any existing Business Contract or Law; provided, however, that the Seller may make any such payment or commitment to make any such payment at the sole expense of the Seller;

(vi) (A) sell or make any other disposition of any of the Assets except obsolete assets that are not in use or held for use in the operation of the Stations; and (B) grant or incur any Encumbrance on any of the Assets, other than Permitted Encumbrances;

(vii) except in the ordinary course of business, consistent with past practice, incur or assume any debt, obligation or Liability;

(viii) materially amend, materially modify or terminate any Material Business License; or

(ix) enter into any binding agreement that would cause the Seller to violate any of the terms and provisions of this Section 6.1.

6.2 Access and Information.

(a) Subject to the terms of the Confidentiality Agreement, at all times during the period commencing upon the execution and delivery hereof by the parties hereto and terminating upon the earlier of the Closing or the termination of this Agreement pursuant to and in accordance with the terms of Section 9.1 hereof, the Seller shall permit the Purchaser and its authorized agents and representatives to have reasonable access, upon reasonable advance notice and during normal business hours, to the Stations and the Assets and all of its relevant books, records and documents of or relating to the Stations and the Assets, and shall furnish to the Purchaser such information and data, financial records and other documents in its possession relating to the Stations and the Assets as the Purchaser may reasonably request; provided that such access shall not unduly interrupt the normal operations of the Stations, shall be coordinated through the Seller management, and shall comply with all applicable Business Contracts and Permitted Encumbrances.

(b) Within thirty (30) days after the end of each calendar month during the period from the date hereof through the Closing, the Seller shall provide to the Purchaser, with respect to the Stations, the unaudited balance sheet as of the end of such month and the related combined unaudited statement of income and operations for such month and the year to date ended of the Stations. Within forty-five (45) days after the end of each quarter during the period from the date hereof through the Closing, the Seller shall provide to the Purchaser, with respect to the Stations, the unaudited balance sheet as of the end of such quarter and the related combined unaudited statement of income and operations for such quarter ended of the Stations.

6.3 Confidentiality. The terms of the Confidentiality Agreement are hereby incorporated herein by reference and shall continue in full force and effect from the date hereof until the Closing in accordance with the terms thereof, such that the information obtained by the Purchaser, or its officers, employees, agents or representatives, in connection with the negotiation, execution and performance of this Agreement, the consummation of the Transactions, or otherwise, shall be governed by the terms set forth in the Confidentiality Agreement; provided, however, that in the event of the termination of this Agreement, the terms of the Confidentiality Agreement incorporated herein by reference shall survive as set forth therein.

6.4 Further Actions.

(a) Upon the terms and subject to the conditions set forth in this Agreement (including the terms of Section 6.4(b) hereof), the Seller and the Purchaser shall each use their respective commercially reasonable efforts to take, or cause to be taken, all appropriate action, and to do, or cause to be done, and to assist and cooperate with the other parties hereto in doing, all things necessary, proper or advisable under applicable Laws to consummate the Transactions, including, without limitation (but subject to Section 3.5): (i) obtaining all necessary Licenses, actions or nonactions, waivers, consents or approvals, authorizations, qualifications and other orders of any Governmental Authorities with competent jurisdiction over the Transactions; and (ii) obtaining all necessary consents, approvals or waivers from third parties. In furtherance (and not in limitation) of the provisions set forth in this Agreement, at all times prior to the Closing, the Purchaser and the Seller shall use their respective commercially reasonable efforts to take or cause to be taken all action necessary or desirable in order to consummate the transactions contemplated by this Agreement as promptly as is practicable.

(b) Also in furtherance and not in limitation of Section 6.4(a), the Purchaser and the Seller each shall prepare and file with the FCC as soon as practicable, but in no event later than five (5) Business Days after the execution of this Agreement, the requisite applications (the “FCC Applications”) and other necessary instruments or documents requesting the FCC Consent and thereafter prosecute such applications with all reasonable diligence to obtain the FCC Consent as soon as practicable; provided, however, that, except as provided in the following sentence, neither the Purchaser nor the Seller shall be required to pay consideration to any third party to obtain the FCC Consent. The parties shall each pay one-half of the FCC filing fees relating to the Transactions, irrespective of whether the Transactions are consummated. The Purchaser and the Seller each shall oppose any petitions to deny or other objections filed with respect to the FCC Applications to the extent such petition or objection relates to such party. Neither the Purchaser nor the Seller shall take any intentional action that would, or intentionally fail to take such action the failure of which to take would, reasonably be expected to have the effect of materially delaying the receipt of the FCC Consent. The Purchaser agrees that it will not enter into any joint sales agreement effective upon the Closing and its portions of the FCC Applications will not contain any references to any joint sales agreement on the part of the Purchaser. If the Closing shall not have occurred for any reason within the original effective period of the FCC Consent, and neither party shall have terminated this Agreement under Section 9.1, then the Purchaser and the Seller shall jointly request that the FCC extend the effective period of the FCC Consent. No extension of the FCC Consent shall limit the right of either party to exercise its rights under Section 9.1. The Seller will consent to, and take all other steps reasonably necessary in connection with, the re-association of all of the translators and

low powers owned by the Seller in the DMA to one or more stations owned by the Purchaser in the DMA effective at Closing.

(c) In connection with the efforts referenced in this Section 6.4 to obtain the FCC Consent and the Ownership Waivers, the Purchaser and the Seller shall each use its respective commercially reasonable efforts to (i) cooperate in all respects with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party, (ii) keep the other party informed in all material respects of any material communication received by such party from, or given by such party to, the FCC or any other Governmental Authority and of any material communication received or given in connection with any proceeding by a private party, (iii) permit the other party the opportunity to review and comment in advance any submissions to any Governmental Authority or material agreement that relates to the consummation of the Transactions and (iv) permit the other party to attend any meetings with any Governmental Authority or participate in any communications with any Governmental Authority. The Seller shall be permitted by the Purchaser to enter into tolling agreements with the FCC to extend the statute of limitations for the FCC to determine or impose a forfeiture penalty against the Seller in connection with any pending complaint against the Seller relating to the broadcast of allegedly obscene, indecent or profane material, or regarding the Seller's compliance with other FCC rules.

(d) The Purchaser and the Seller acknowledge that under the rules and policies of the FCC in effect as of the date of this Agreement, a waiver of the FCC's local television ownership rule may be necessary to allow the Purchaser to continue the operation of KGWR-TV and KGWL-TV as satellites of KGWC-TV (the "Ownership Waivers"). The Purchaser shall pay all costs of third parties incurred in the preparation of the request for the Ownership Waivers. The Seller and the Purchaser shall cooperate fully in the preparation of the request for the Ownership Waivers and shall promptly respond to requests from the FCC to provide information concerning the Ownership Waivers or the FCC Applications.

6.5 Publicity. The Seller and the Purchaser shall cooperate with each other in the development and distribution of all news releases and other public disclosures relating to the Transactions. Neither the Seller nor the Purchaser shall issue or make, or allow to have issued or made, any press release or public announcement concerning the Transactions without the consent of the other party hereto, except as otherwise required by applicable Law, but in any event only after giving the other parties hereto a reasonable opportunity to comment on such release or announcement in advance, consistent with such applicable legal requirements.

6.6 Transaction Expenses. Except as otherwise provided herein, the Purchaser shall pay all transaction costs and expenses (including legal, accounting and other professional fees and expenses) that it incurs in connection with the negotiation, execution and performance of this Agreement and the consummation of the Transactions. Except as otherwise provided herein, the Seller shall pay all transaction costs and expenses (including legal, accounting and other professional fees and expenses) that it incurs in connection with the negotiation, execution and performance of this Agreement and the consummation of the Transactions. Each of the Seller and the Purchaser shall pay one-half of (i) any sales and use Taxes associated with the transfer of the Assets from the Seller to the Purchaser pursuant to this Agreement and (ii) all real property transfer Taxes and fees and costs of recording or filing all applicable conveyancing instruments associated with the transfer of the

Assets from the Seller to the Purchaser pursuant to this Agreement. The Seller represents, warrants and certifies to the Purchaser that, at Closing, the Assets sold to the Purchaser hereunder, comprise at least eighty percent (80%) of all of the Seller's assets (including cash and cash equivalents). Consistent with Section 6.4(b) above, each party shall pay one-half of all FCC filing fees with regard to the Transactions. The Seller and the Purchaser shall cooperate in the preparation, execution and filing of all Tax Returns regarding any transfer Taxes which become payable as a result of the transfer of the Assets from the Seller to the Purchaser pursuant to this Agreement and/or shall cooperate to seek an available exemption from such Taxes.

6.7 Employees and Employee Benefit Matters.

(a) Purchaser shall offer employment in accordance with the provisions of this Section 6.7 to each Business Employee listed on Schedule 6.7(a) effective as of the Closing (provided such Business Employee is employed by the Seller as of such date). Each such offer of employment by Purchaser will be subject to and in compliance with the Purchaser's applicable policies and procedures, including employment background checks and the execution of all of the Purchaser's standard new hire documents and agreements, and will supersede any prior express or implied employment agreements, arrangements, representations, or offer letters in effect prior to the Closing Date. As of the Closing Date, Purchaser shall employ each such Business Employee who accepts Purchaser's offer of employment (collectively, the "Transferred Employees") at a salary or hourly rate and, if applicable, commissions as set in the offer of employment, provided, that (i) the salary or hourly rate for each Transferred Employee shall not be less than his or her salary or hourly rate as in effect on the date hereof and (ii) any Business Contracts for the Transferred Employees listed on Schedule 4.9(a) shall be Assumed Liabilities hereunder. Immediately prior to the Closing, the Seller shall terminate its employment of each such Transferred Employee. Notwithstanding anything to the contrary herein, unless employed pursuant to a written agreement which expressly provides that his/her employment with Purchaser is not terminable at will, each Transferred Employee shall be an employee at will of Purchaser, and nothing in this Section or elsewhere in this Agreement shall guarantee employment with Purchaser for any period of time. Nothing in this Agreement shall be construed as an obligation of Purchaser to continue the employment of any Transferred Employee for any period following the Closing Date.

(b) The Seller shall retain full responsibility and Liability for offering and providing "continuation coverage" to any "qualified beneficiary" who is covered by a "group health plan" sponsored or contributed to by the Seller or an ERISA Affiliate of the Seller and who has experienced a "qualifying event" or is receiving "continuation coverage" on or prior to the Closing. "Continuation coverage," "qualified beneficiary," "qualifying event" and "group health plan" shall each have the meaning given such term under Section 4980B of the Internal Revenue Code and Section 601 et seq. of ERISA.

(c) The Seller shall be solely responsible for compliance with applicable federal, state or local laws regarding "plant closings" or "mass layoffs" (as such terms are defined in applicable Law) or similar triggering events as they relate to the Transactions, including, without limitation, the requirements of WARN. Except as otherwise provided in this Section 6.7, the Seller shall (i) retain liability for all obligations and liabilities to the Business Employees arising prior to the Closing; and (ii) in accordance with the Seller's employment terms or employment and compensation agreements, be responsible for and shall cause to be discharged and satisfied in full all

amounts owed to the Transferred Employees, including, without limitation, wages, salaries, bonuses, severance pay, sick pay, accrued vacation, any liabilities accrued or incurred under any of the Benefit Plans, or any other benefits or payments relating to the period of employment by the Seller.

(d) The Purchaser shall permit Transferred Employees (and their spouses and dependents) to participate in its “employee welfare benefit plans” as defined under ERISA (including without limitation health insurance plans) in which similarly situated employees of the Purchaser are generally eligible to participate, with coverage effective immediately on the Closing Date (and without exclusion from coverage on account of any pre-existing condition except to the extent such persons were subject to such pre-existing condition limitations under the Seller’s group health plan). Transferred Employees’ service with the Seller (and any predecessors of the Seller) will be deemed as service with the Purchaser for purposes of eligibility, waiting periods, vesting periods and benefits based on length of service, and calculation of vacation and severance benefits, if applicable (other than benefit accrual under a defined benefit pension plan and the Purchaser’s discretionary match under the Purchaser’s 401(k) plan), and with any credit under any welfare plan for any deductibles or co-insurance paid for the current plan year under any plan maintained by the Seller. If requested by the Purchaser, the Seller shall reasonably cooperate and provide reasonable assistance to the Purchaser with respect to any employee benefit plan (or insurance contract related thereto) of the Purchaser or its Affiliates providing benefits to Transferred Employees, including facilitating contact with third parties as the Purchaser deems necessary or appropriate. Nothing herein shall require the Purchaser to assume, sponsor, continue or otherwise duplicate any Benefit Plan.

(e) The Purchaser shall provide to each Transferred Employee credit for any unused paid time off (or sick and vacation) (calculated as of the Closing Date) in an amount equal to the amount calculated pursuant to the Seller’s policies as in effect on the date of this Agreement, including any hours earned but not credited as of such date, and the Purchaser shall assume and discharge the Seller’s obligation to provide such leave as part of the Assumed Liabilities. The value of the total amount of the credits given by the Purchaser will be reflected as an adjustment in the Purchaser’s favor in the Prorations.

(f) This Section 6.7 will operate exclusively for the benefit of the parties to this Agreement, and no provision of this Agreement shall create any third-party beneficiary rights of any employee or former employee (including any beneficiary or dependent thereof) of the Seller with respect to continued employment (or resumed employment) with the Purchaser or the Seller or in respect of any other matter.

6.8 Retention of and Access to Records. From and after the Closing, for a period of at least one (1) year, the Purchaser shall preserve all books and records transferred by the Seller to the Purchaser pursuant to this Agreement. Promptly after the Purchaser shall decide to destroy such books and records but in any event by the 5th anniversary of the Closing Date, the Purchaser shall provide the Seller a reasonable opportunity to obtain copies, at the Seller’s expense, of any of such books and records that the Seller needs for any reasonable business purpose. As soon as reasonably practicable following the Closing, the Purchaser shall deliver to the Seller such financial information relating to the Stations in sufficient detail to enable the Seller to prepare its financial statements and all Tax Returns of the Seller relating to periods ending on or prior to the Closing Date. The Purchaser, on the one hand, and the Seller, on the other hand, shall provide, at the expense of the requesting party, with such assistance as may reasonably be requested by either of them in connection with the

preparation of any Tax Return, any Tax audit or other examination by any Governmental Authority, or any judicial or administrative proceedings relating to Liability for Taxes. In furtherance of the foregoing, from and after the Closing, the Purchaser shall afford to the Seller, and its counsel, accountants and other authorized agents and representatives, during normal business hours, reasonable access to the employees, books, records and other data relating to the Assets, the Assumed Liabilities, the Transferred Employees and the Excluded Liabilities in its possession with respect to periods prior to the Closing, and the right to make copies and extracts therefrom, to the extent that such access may be reasonably required (a) to facilitate the investigation, litigation and final disposition of any claims which may have been or may be made against any such party or Person or its Affiliates, (b) for the preparation of Tax Returns and audits, and (c) for any other reasonable business purpose.

6.9 Control Prior to Closing. The parties acknowledge and agree that, for the purposes of the Communications Act and any other applicable Law, this Agreement and, without limitation, the covenants in this Article VI, are not intended to, and shall not be construed to, transfer control of the Stations or to give the Purchaser any right to, directly or indirectly, control, supervise or direct, or attempt to control, supervise or direct, the programming, operations or any other matter relating to the Stations prior to the Closing Date, and the Seller shall have complete control and supervision of the programming, operations, policies and all other matters relating to the Stations until the Closing.

6.10 Risk of Loss.

(a) If, prior to the Closing, any of the Assets shall be damaged or destroyed by fire or other casualty, then the Seller shall take all reasonable steps to repair, replace and restore the Assets to reasonable operating condition as soon as possible after any loss or damage, it being understood and agreed that all insurance proceeds with respect thereto (“Proceeds”) will be applied to or reserved for such replacement, restoration or repair, but that the Seller will have no obligation to repair, replace or restore in excess of the Proceeds (plus any applicable deductible payment), and that the Purchaser’s sole remedies if the Seller elects not to fully repair, replace or restore will be (i) to terminate this Agreement, or (ii) to close in accordance with Section 6.10(c).

(b) In the event that, prior to Closing, any damage or loss causes material impairment to and prevents broadcast transmissions of the Stations in the normal and usual manner and substantially in accordance with the FCC Licenses (not to include ordinary course scheduled maintenance), the Seller will give prompt notice thereof to the Purchaser, and the Purchaser, in addition to its other rights and remedies, will have the right to postpone the Closing Date until five (5) Business Days after transmission in accordance with the FCC Licenses has been resumed, subject to the Upset Date. During the period of postponement, the Seller shall use its commercially reasonable efforts to resume broadcast transmissions. In the event transmission in accordance with the FCC Licenses cannot be resumed within the effective period of the FCC’s consent to assignment of the FCC Licenses to the Purchaser, the parties will join in an application or applications requesting the FCC to extend the effective period of its consent for one or more periods not to exceed one hundred twenty (120) days in the aggregate, subject to the Upset Date. If transmission in accordance with the FCC Licenses has not been resumed so that the Closing Date does not occur by the Upset Date, then the Purchaser will have the right, by giving written notice to the Seller within five (5) Business Days after the expiration of such 120-day period, or any such extension thereof, to terminate this Agreement forthwith without any further obligation.

(c) If any loss of or damage to the Assets occurs prior to the Closing Date, and repair, replacement or restoration of such Assets to not less than reasonable good operating condition has not been made on or before the Closing Date (as the Closing Date may be extended as provided in Section 6.10(b)), or the cost thereof is greater than the Proceeds (plus any applicable deductible), then the Purchaser will be entitled, but not obligated, to accept the Assets in their then-current conditions and will receive an abatement or reduction in the Purchase Price in an amount equal to the difference between the amount necessary to fully repair or replace the damaged Assets to a reasonable good operating condition and the amount of any unused Proceeds and payment of any related deductible amount. If the Purchaser elects to accept damaged Assets at a reduced Purchase Price, then the parties agree to cooperate in determining the amount of the reduction to the Purchase Price in accordance with the provisions hereof; provided, further, that in such case, the Purchaser shall be deemed to have waived any breach of the representations, warranties or covenants set forth in this Agreement with respect to such loss or damage, and the Purchaser and Indemnified Party claiming through the Purchaser will have no rights to indemnification under Article VIII of this Agreement with respect thereto.

6.11 Update. The Seller shall deliver to the Purchaser, at least three (3) days before the Closing Date, a revised form of Schedule 4.7(a) as is necessary to reflect Business Contracts that have expired, been terminated, been amended, or been entered into in accordance with the terms of this Agreement since the date hereof, together with copies of any such amended or new Business Contracts.

6.12 Title Insurance; Survey. The Purchaser may obtain, at its sole option and expense, and the Seller shall grant the Purchaser access to obtain (a) commitments for owner's and lender's title insurance policies (ALTA Form 2006) on the Owned Real Property and commitments for lessee's and lender's title insurance policies for all Leased Real Property (collectively the "Title Commitments"), and (b) an ALTA survey on each parcel of Real Property (the "Surveys"); provided, however, that the Seller shall promptly provide the Purchaser with any existing Title Commitments, title policies and Surveys in its possession or control. The Title Commitments will evidence a commitment to issue an ALTA title insurance policy insuring good, marketable and indefeasible fee simple (or leasehold, if applicable) title to each parcel of the Real Property contemplated above for such amount as the Purchaser directs and will contain no exceptions except for Assumed Liabilities or Permitted Encumbrances with each of the title company's standard printed exceptions in Schedule B thereto deleted at the Seller's expense. The Seller shall reasonably cooperate with the Purchaser in obtaining such Title Commitments and Surveys (including by providing customary representations and affidavits to the Purchaser's title company). If the Title Commitments or Surveys reveal any Encumbrance on the title, other than Assumed Liabilities or Permitted Encumbrances, then the Purchaser may notify the Seller in writing of such objectionable matter promptly after the Purchaser determines that such matter is not an Assumed Liability or Permitted Encumbrance, or otherwise a customary title exception, and the Seller shall use commercially reasonable efforts to remove such objectionable matter as required pursuant to the terms of this Agreement. The Seller shall be obligated to remedy any title defect that is of a monetary nature.

6.13 Environmental Assessments; Phase I and Phase II Investigations. The Purchaser, at its sole cost and expense, shall have the right to (1) within sixty (60) days from the date of this Agreement, engage an environmental consulting firm to conduct a Phase I Environmental Site Assessment and Compliance Review, as such terms are commonly understood (the "Phase I

Environmental Assessment”), with respect to the Real Property and (2) within thirty (30) days after the receipt of the Phase I Environmental Assessment, engage an environmental consulting firm to conduct a Phase II Environmental Site Assessment or any other test, investigation or review recommended based upon the results of the Phase I Environmental Assessment; provided, that such environmental assessment, test, investigation or review shall be conducted only (i) during regular business hours, (ii) with no less than two (2) business days prior written notice to the Seller, (iii) in a manner which will not unduly interfere with the operation of the Stations or the use of access to or egress from the Real Property and (iv) with respect to Leased Real Property, shall conduct a Phase II Environmental Site Assessment or other test, investigations or review recommended based upon the results of the Phase I Environmental Assessment only if the owner of such property consents. The Seller shall use commercially reasonable efforts to undertake to obtain such consents as promptly as practicable. Prior to Closing, the Seller shall remediate any environmental condition that is identified in such assessment at its sole cost and expense in respect of Owned Real Property; provided, that if the reasonably estimated cost to remedy any environmental condition in the aggregate exceeds \$150,000, then the Seller may elect not to remediate any such environmental conditions. Any such remediation by the Seller shall only be required to meet the most cost-effective standard and executed in a reasonable manner, in each case to become compliant with any applicable Environmental Laws. Notwithstanding anything herein to the contrary, if the reasonably estimated cost to remedy any environmental condition in the aggregate exceeds \$150,000, and the Seller elects not to remediate any such environmental conditions because the estimate exceeds such amount, then the Purchaser shall have the right to terminate this Agreement upon written notice to the Seller; provided, that, in such case, the Seller shall not be entitled to the Escrow Deposit.

6.14 Delivery of Books and Records. The Seller shall deliver to Purchaser at the Closing all documents, books and records that are part of the Assets. Without limiting the generality of the foregoing, the Seller shall deliver to Purchaser at the Closing all documents and records relating to the Business Intellectual Property, including the original Certificates of Registration for all letters patent trademarks and service marks, if any, included within the registered Business Intellectual Property listed on Schedule 4.6(a) and all such documents relating thereto along with any other documents necessary to transfer title thereto and to record such transfer before the respective patent and trademark offices or similar Governmental Authorities.

6.15 Payroll Matters.

(a) The Seller and the Purchaser shall follow the “standard procedures” for preparing and filing IRS Forms W-2 (Wage and Tax Statements), as described in Revenue Procedure 2004-53 for Transferred Employees. Under this procedure, (i) the Seller shall provide all required IRS Forms W-2 to (x) all Transferred Employees reflecting wages paid and Taxes withheld by the Seller prior to the Closing Date, and (y) all other employees and former employees of Seller who are not Transferred Employees reflecting all wages paid and Taxes withheld by the Seller, and (ii) the Purchaser (or one of its Affiliates) shall provide all required IRS Forms W-2 to all Transferred Employees reflecting all wages paid and Taxes withheld by Purchaser (or one of its Affiliates) on and after the Closing Date.

(b) The Seller and the Purchaser shall follow the “standard procedures” of Revenue Procedure 2004-53 for purposes of filing IRS Forms W-4 (Employee’s Withholding Allowance Certificate). Under this procedure, the Seller shall retain all IRS Forms W-4 on file with

respect to each Transferred Employee, and the Purchaser shall obtain new IRS Forms W-4 with respect to each Transferred Employee.

(c) Prior to the Closing, the Seller will notify Purchaser of any outstanding garnishments, Tax levies, child support orders, and wage assignments in effect with the Seller on the Closing Date for Transferred Employees, and will provide the Purchaser with such information in the possession of the Seller as may be reasonably requested by Purchaser and necessary for Purchaser to make the payroll deductions and payments to the authorized payee as required by this Section 6.15. The Purchaser shall honor such payroll deduction authorizations with respect to Transferred Employees and will continue to make payroll deductions and payments to the authorized payee, as specified by a court or Order that was filed with the Seller on or before the Closing Date, to the extent such payroll deductions and payments are in compliance with applicable Law, and the Seller will continue to make such payroll deductions and payments to authorized payees as required by Law with respect to all other employees of the Stations who are not Transferred Employees.

6.16 Copy of Virtual Data Room. As soon as practicable after the Closing Date, but in no event later than thirty (30) days after the Closing Date, the Seller will cause its broker to deliver to the Purchaser on one or more DVDs or CDs, a complete and accurate (as of the Closing Date) electronic copy of its virtual data room (“VDR”) set up with respect to the transactions contemplated by this Agreement. Through the date such delivery is made, the Seller will cause its broker to continue to provide Purchaser and its representatives with access thereto.

6.17 Exclusivity. Unless and until this Agreement is terminated prior to Closing pursuant to Section 9.1, the Seller, acting in any capacity, will neither directly nor indirectly, through any agent, representative or otherwise (A) solicit, initiate, encourage or entertain submission of proposals or offers from any other Person relating to (i) any sale of a substantial portion of the assets of the Seller, (ii) any merger or consolidation of, or sale of a substantial portion of the equity interests in, the Seller, (iii) any time brokerage, local marketing, outsourcing, joint sales, shared services, management, marketing or other similar agreement or arrangement related to any of the Stations, or (iv) any similar transaction involving the Stations, (B) participate in any discussions or negotiations regarding, or, except as required by a legal or judicial process, furnish to any other Person any information with respect to, or otherwise cooperate in any way with, or assist or participate in, facilitate or encourage, any effort or attempt by any other Person to consummate any of the transactions described in clauses (A)(i) through (iv) above, or (C) approve or undertake any such transaction. The Seller shall promptly give the Purchaser written notice of the terms of any such proposal.

ARTICLE VII. CLOSING CONDITIONS

7.1 Conditions to Obligations of the Purchaser. The obligations of the Purchaser to consummate the Transactions are subject to the satisfaction or fulfillment at or prior to the Closing of the following conditions, any of which may be waived in whole or in part by the Purchaser in writing (to the extent permitted by applicable Law):

(a) All representations and warranties of the Seller contained in this Agreement (disregarding any qualifications regarding materiality) shall be true and correct at and as of the

Closing with the same effect as though such representations and warranties were made at and as of the Closing (other than any representation or warranty that is expressly made as of a specified date, which shall be true and correct as of such date only), except for changes which are permitted or contemplated pursuant to this Agreement or specifically consented to by the Purchaser in writing or to the extent that the failure of the representations and warranties of the Seller contained in this Agreement to be true and correct, at and as of the Closing (or in respect of any representation or warranty that is expressly made as of a specified date, as of such date only), has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) The Seller shall have performed and complied in all material respects with all the covenants and agreements required by this Agreement to be performed or complied with by it at or prior to the Closing.

(c) There shall be in effect no Law or injunction or restraining order issued by a court of competent jurisdiction making illegal or otherwise prohibiting or restraining the consummation of the Transactions.

(d) There shall not be instituted or pending any suit, action, proceeding or investigation by the United States Federal Trade Commission, the Antitrust Division of the United States Department of Justice, any state attorney general, other government authority, or private party under any Antitrust Law (i) challenging or seeking to make illegal, to delay materially or otherwise directly or indirectly to prohibit the consummation of the Transactions or the Other APAs, or any of the other transactions contemplated hereby or thereby or (ii) seeking to prohibit, limit, restrain or impair the Purchaser's ability to own, control, direct, manage, or operate or to retain or change any portion of the Assets or the Stations from and after the Effective Time.

(e) The FCC Consent and the Ownership Waivers (i) shall have been granted, (ii) shall be in full force and effect, (iii) shall be without any conditions materially adverse to the Purchaser, (iv) shall be on terms that are not materially more onerous to the Purchaser than are the terms to the Seller under the existing Assigned Licenses, in each case, other than those of general applicability to all licensees of broadcast television stations, and (v) shall have become Final Orders.

(f) The Seller shall have delivered, and caused to be delivered, to the Purchaser all of the certificates, instruments, agreements and other documents required to be delivered by it at or prior to the Closing pursuant to Section 3.2 hereof.

(g) The Required Consents shall have been obtained. For purposes hereof, "Required Consent" shall mean the consents, authorizations, approvals, waivers, or notices relating to the Business Contracts or Real Property Leases set forth on Schedule 7.1(g).

(h) The consummation of the transactions contemplated by each of the Asset Purchase Agreement, dated as of the date hereof, by and between Wyomedia Corporation, a Wyoming corporation, and Front Range Television LLC, a Delaware limited liability company, and the Asset Purchase Agreement, dated as of the date hereof, by and between Silverton Broadcasting Company, LLC, a Delaware limited liability company, and Vision Wyoming LLC, a Delaware limited liability company (collectively, the "Other APAs") shall have occurred or be occurring prior to, or simultaneously with, the Closing.

(i) The Purchaser shall have completed its environmental due diligence pursuant to Section 6.13 to Purchaser's reasonable satisfaction.

(j) Since the date of this Agreement, no Material Adverse Effect shall have occurred.

7.2 Conditions to Obligations of the Seller. The obligations of the Seller to consummate the Transactions are subject to the satisfaction or fulfillment at or prior to the Closing of the following conditions, any of which may be waived in whole or in part by the Seller in writing (to the extent permitted by applicable Law):

(a) All representations and warranties of the Purchaser contained in this Agreement (disregarding any qualifications regarding materiality) shall be true and correct in all material respects as of the date of this Agreement and at and as of the Closing with the same effect as though such representations and warranties were made at and as of the Closing (other than any representation or warranty that is expressly made as of a specified date, which shall be true and correct in all material respects as of such date only).

(b) The Purchaser shall have performed and complied in all material respects with the covenants and agreements required by this Agreement to be performed or complied with by it at or prior to the Closing.

(c) There shall be in effect no Law or injunction issued by a court of competent jurisdiction making illegal or otherwise prohibiting or restraining the consummation of the Transactions.

(d) The FCC Consent shall have been granted and shall be in full force and effect.

(e) The Purchaser shall have delivered to the Seller the Purchase Price and all of the certificates, instruments and other documents required to be delivered by the Purchaser at or prior to the Closing pursuant to Section 3.3 hereof.

ARTICLE VIII. INDEMNIFICATION

8.1 Survival. The representations, warranties, covenants and agreements (other than covenants to be performed in whole or in part after the Closing, each of which shall survive the Closing until thirty (30) days after it has been fully performed and discharged) made by any party and contained in or made pursuant to this Agreement shall survive (and not be affected in any respect by) the Closing, any investigation conducted by any party hereto and any information which any party may receive, until one (1) year following the Closing Date, whereupon all such representations, warranties, covenants and agreements shall expire and terminate and shall be of no further force or effect; provided, however, that (i) the representations and warranties in Section 4.1 (Organization), Section 4.2 (Seller's Authority), the second sentence of Section 4.5 (Tangible Personal Property), the second sentence of Section 4.12(a) (Real Property), Section 4.19 (Taxes), Section 4.21 (Seller's Brokers), and Section 5.2 (Purchaser's Authority) (collectively, such representations and warranties in Section 4.1 (Organization), Section 4.2 (Seller's Authority), the second sentence of Section 4.5 (Tangible Personal Property), Section 4.19 (Taxes), Section 4.21 (Seller's Brokers), and Section 5.2

(Purchaser's Authority), the "Core Representations") shall survive the Closing until ninety (90) days after the expiration of the applicable statute of limitations with respect to the particular matter that is the subject thereof; and (ii) the representations and warranties in Section 4.17 (Environmental Matters) shall survive the Closing for a period of two (2) years with respect to the particular matter that is the subject thereof. In the event that written notice is properly given under this Article VIII with respect to any alleged breach of a representation and warranty to which such party is entitled to be indemnified hereunder prior to the applicable expiration date, such representation and warranty shall continue to survive (with respect to the subject matter of such written notice only) until the applicable claim is finally resolved.

8.2 Indemnification by the Purchaser. After the Closing, the Purchaser agrees to indemnify the Seller, its Affiliates and its and their respective officers, directors, employees and representatives (each, a "Seller Indemnified Party") against and hold each such Seller Indemnified Party harmless from and reimburse each such Seller Indemnified Party for all losses, damages, Liabilities and expenses, including reasonable attorneys' fees (collectively, "Damages") which such Seller Indemnified Party may at any time sustain or incur as a result of or arising out of:

(a) the breach of any representation or warranty of the Purchaser herein or in any Operative Agreement;

(b) the breach of any covenant or agreement of the Purchaser contained herein or in any Operative Agreement; and

(c) the Assumed Liabilities.

8.3 Indemnification by the Seller. After the Closing, the Seller agrees to indemnify the Purchaser, its Affiliates and its and their respective officers, directors, managers, employees and representatives (each, a "Purchaser Indemnified Party") against and hold each such Purchaser Indemnified Party harmless from and reimburse each such Purchaser Indemnified Party for all Damages which such Purchaser Indemnified Party may at any time sustain or incur as a result of or arising out of:

(a) The breach of any representation or warranty of the Seller herein or in any Operative Agreement in any case without regard to and without giving effect to any materiality (or similar) qualifiers contained herein or therein;

(b) the breach of any covenant or agreement of the Seller contained herein or in any Operative Agreement;

(c) the Excluded Liabilities; and

(d) the claims listed on Schedule 4.9(b) and matters related thereto.

8.4 Notification of Claims.

(a) A party entitled to be indemnified pursuant to Section 8.2 or 8.3 (the "Indemnified Party") shall promptly notify the party or parties liable for such indemnification (the "Indemnifying Party") in writing of any claim or demand which the Indemnified Party has determined

has given or could give rise to a right of indemnification under this Agreement (a “Notice of Claim”); provided, however, that a delay or failure to provide such notice shall not relieve any Indemnifying Party of its obligations, except to the extent that it has been prejudiced by such delay or failure. Any Notice of Claim shall (i) state with reasonable specificity the basis on which indemnification is being asserted, (ii) set forth the Indemnified Party’s good faith estimate of the amount of Damages for which indemnification is being asserted, and (iii) in the case of third party claims (a “Third Party Claim”), shall be accompanied by copies of all relevant pleadings, demands and other papers served on the Indemnified Party.

(b) If the Indemnified Party notifies the Indemnifying Party of any Third Party Claim, then the Indemnifying Party shall have the right at its own expense (if and only if (I) the Indemnifying Party shall have confirmed in writing to the Indemnified Party that it is fully obligated thereunder to the extent provided in this Agreement to indemnify the Indemnified Party with respect to such Third Party Claim and (II) the Third Party Claim does not arise in connection with any criminal proceeding, action, indictment, allegation or investigation) (i) to employ counsel of its choice that is reasonably acceptable to the Indemnified Party to defend any such claim or demand asserted against the Indemnified Party, and (ii) to control and conduct any proceedings or negotiations in connection therewith and necessary or appropriate to defend, in each case, in good faith, the Indemnified Party, provided that the parties believe in good faith (based on facts known at the time) that it is reasonably likely that all or substantially all of the Damages sought in the Third Party Claim are within the scope of and subject to indemnification by such Indemnifying Party hereunder. The Indemnifying Party shall notify the Indemnified Party in writing, as promptly as possible after its receipt of the Notice of Claim (but in any case, within thirty (30) days of receipt by the Indemnifying Party of a Notice of Claim (the “Indemnity Notice Period”)) of its election to defend any such Third Party Claim. Notwithstanding the foregoing, the Indemnifying Party may not assume and control the defense if the named parties to the action giving rise to the Notice of Claim (including any impleaded parties) include both the Indemnifying Party and the Indemnified Party and representation of both parties by the same counsel would be inappropriate (based on a written opinion of outside counsel) due to actual or potential differing interests between them, in which case the Indemnified Party shall have the right to defend the action and to employ counsel reasonably approved by the Indemnifying Party, and, to the extent the matter is determined to be subject to indemnification hereunder, the Indemnifying Party shall reimburse the Indemnified Party for all reasonable costs associated with such defense. In the event that the Indemnifying Party does assume the defense as provided above, the Indemnified Party shall have the right to participate in such defense (including without limitation, with counsel of its choice), at its own expense, and the Indemnifying Party shall reasonably cooperate with the Indemnified Party in connection with such participation. If the Indemnifying Party is not permitted to assume the defense of any Third Party Claim as provided herein or does not deliver to the Indemnified Party written notice within the Indemnity Notice Period that the Indemnifying Party is permitted to and will assume the defense of any such claim or litigation resulting therefrom, then the Indemnified Party may defend against any such claim or litigation in such manner as it may deem appropriate, at the cost of the Indemnifying Party.

(c) In the event the Indemnifying Party (i) does not elect to assume control and the defense of any Third Party Claim, or after having done so does not conduct the same diligently and in good faith or (ii) is not entitled to assume control of the defense and control of such Third Party Claim, the Indemnifying Party shall be bound by the results obtained by the Indemnified Party with respect to such claim; provided, however, the Indemnified Party shall not have the right to

consent or otherwise agree to any monetary or non-monetary settlement or relief, including injunctive relief or other equitable remedies, without the prior written consent of the Indemnifying Party, which consent will not be unreasonably withheld, delayed or conditioned. In the event that the Indemnifying Party assumes control of the defense of any Third Party Claim, the Indemnifying Party shall have the right in good faith to settle or compromise any such claim, provided that (i) at least five (5) Business Days prior notice of such settlement or compromise is given to the Indemnified Party and (ii) such settlement or compromise results only in the payment of money damages (and the Indemnifying Party pays such amount in full, which the Seller agrees will be paid from the Indemnity Escrow) and, for the avoidance of doubt, must not require the Indemnified Party to take or refrain from taking any action (provided that Indemnified Party shall not unreasonably withhold its consent to the terms of a mutual release with respect to such claim with the third party making such claim), contain any admission by or on behalf of the Indemnified Party, or otherwise fail to hold the claimant fully harmless with respect to such claim. Notwithstanding the foregoing, in connection with any such settlement or compromise negotiated by the Indemnifying Party, no Indemnified Party shall be required by an Indemnifying Party to (i) enter into any settlement that does not include as an unconditional term thereof the delivery by the Indemnified Party or plaintiff to the Indemnified Party of a release from all liability in respect of such claim or litigation, or (ii) enter into any settlement that attributes by its terms any non-indemnified liability to the Indemnified Party.

(d) If a claim, whether a direct claim or a Third Party Claim, requires immediate action, then the parties hereto will work in good faith to reach a decision with respect thereto as expeditiously as possible. The Indemnifying Party or the Indemnified Party, as the case may be, shall at all times use its reasonable efforts to keep the Indemnifying Party or the Indemnified Party, as the case may be, reasonably apprised of the status of any matter the defense of which they are maintaining and to cooperate in good faith with each other with respect to the defense of any such matter.

8.5 Limitations.

(a) Notwithstanding anything herein to the contrary, no Indemnifying Party shall have any obligation to indemnify any Indemnified Parties pursuant to Sections 8.2(a) or 8.3(a), as the case may be, and no Indemnified Party shall make a claim pursuant to Sections 8.2(a) or 8.3(a), as the case may be, unless the aggregate amount of Damages sustained or incurred with respect to all claims pursuant to Section 8.2(a) or Section 8.3(a), as the case may be, exceeds \$50,000 (the “Basket”); provided, however, that if the aggregate amount of such Damages exceeds the Basket, then the Indemnifying Party shall be liable only for the amount of Damages in excess of the Basket; provided, however, that the Basket shall not apply to breaches of the Core Representations or fraud. Notwithstanding anything to the contrary contained in this Agreement, the aggregate maximum indemnifiable liability of any Indemnifying Party pursuant to Sections 8.2(a) or 8.3(a), as the case may be, shall be limited to \$1,111,715 (the “Cap”); provided, however, that the Cap shall not apply to breaches of the Core Representations or fraud. For the avoidance of doubt, the maximum amounts payable under any clause of this Section 8.5(a) shall be reduced by any amount previously paid under Section 8.2(a) of this Agreement, or under Section 8.3(a) of this Agreement, in the aggregate, as applicable.

(b) Notwithstanding anything herein to the contrary, payments by the Indemnifying Party pursuant to Section 8.2 or 8.3 shall be limited to the amount of Damages, if any, that remain after deducting therefrom (i) any insurance proceeds and any indemnity, contribution or

other similar payment actually recovered by the Indemnified Parties from any third party with respect thereto, reduced by any costs directly associated with recovery and any increase in any insurance related premiums as a result of any insurance claim related to such Damages, and (ii) any provision or reserve specifically provided for the item in question in the Prorations.

(c) Absent fraud, no claim for indemnification or cause of action arising under or resulting from this Agreement, any other Operative Agreement or any of the Transactions may be asserted by any Indemnified Party against the Seller or the Purchaser, respectively, for punitive damages, unless and only to the extent such damages are payable by the Indemnified Party to a third party.

(d) Notwithstanding any other provision of this Agreement, the Purchaser and the Seller acknowledge that the obligation of the Seller and the Purchaser, as the case may be, to provide indemnification for Damages arising out of Section 8.2 or 8.3 extends only to the Purchaser Indemnified Parties or the Seller Indemnified Parties, as the case may be, and that neither the Seller nor the Purchaser shall be obligated to provide such indemnification to any other Persons.

8.6 Treatment of Indemnity Benefits. All payments made by the Seller or the Purchaser, as the case may be, to or for the benefit of the other pursuant to any indemnification obligations under this Agreement shall be treated as adjustments to the Purchase Price for Tax purposes and such agreed treatment shall govern for purposes of this Agreement.

8.7 Exclusive Remedy. Absent fraud, the parties hereto hereby acknowledge and agree that the sole and exclusive remedy of the Purchaser Indemnified Parties and the Seller Indemnified Parties, as the case may be, from and after the Closing with respect to Damages and any and all claims for any breach or liability under this Agreement (except as specifically provided in any other Operative Agreement) shall be solely in accordance with, and limited by, the indemnification provisions set forth in this Article VIII.

ARTICLE IX. TERMINATION

9.1 Termination.

(a) This Agreement may be terminated prior to Closing by either the Purchaser, on the one hand, or the Seller, on the other hand, upon written notice to the other following the occurrence of any of the following:

(i) by the Purchaser or the Seller, if the other party is in breach or default of this Agreement or does not perform in all respects the obligations to be performed by it under this Agreement on or prior to the Closing Date, and such breach or failure to perform (a) would give rise to the failure of a condition set forth in Section 7.1(a) or Section 7.1(b) (in the case of a breach or default by the Seller) or Section 7.2(a) or Section 7.2(b) (in the case of a breach or default by the Purchaser) as if such breach or failure to perform had occurred at the time scheduled for Closing and (b) such breach has not been cured in all material respects as set forth in Section 9.1(d);

(ii) by the Purchaser or the Seller, if there shall be any Law that prohibits consummation of the Transactions, or if a Governmental Authority of competent jurisdiction shall have issued a final, nonappealable Governmental Order enjoining or otherwise prohibiting consummation of the Transactions;

(iii) by the Purchaser or the Seller, if the Closing, as the case may be, has not occurred on or prior to the date that is 12 months from the date of this Agreement (the “Upset Date”); or

(iv) by the Purchaser or the Seller if the FCC designates for a hearing any application for FCC Consent contemplated by this Agreement or any FCC applications contemplated by the Other APAs.

(b) This Agreement may be terminated prior to Closing by mutual written consent of the Purchaser and the Seller.

(c) If applicable, this Agreement may be terminated prior to Closing by the Purchaser pursuant to Section 6.10 or Section 6.13.

(d) If either party asserts that the other is in breach or default of this Agreement in a manner that would entitle such party the right to terminate under Section 9.1(a)(i), then the non-defaulting party shall, prior to exercising its right to terminate under Section 9.1(a)(i), provide the defaulting party with notice specifying in reasonable detail the nature of such breach or default. Except for a failure to pay the Purchase Price or otherwise perform any obligations to be performed at the time scheduled for Closing (to which the cure period described hereinafter shall not apply), the defaulting party shall have five (5) days from receipt of such notice to cure such default; provided, however, that if the breach or default is incapable of cure within such 5-day period, the cure period shall be extended for up to 30 days for as long as the defaulting party is diligently and in good faith attempting to effectuate a cure and there is a reasonable likelihood that a cure will be achieved within that time period. Nothing in this Section 9.1(d) shall be interpreted to extend the Upset Date.

(e) If this Agreement is terminated by the Seller pursuant to Section 9.1(a)(i) of this Agreement due to the Purchaser’s default or breach of this Agreement, and the Seller is not in material breach or default of this Agreement (a “Purchaser Termination Event”), then the Seller shall be entitled to the Escrow Deposit and all interest and earnings thereon as liquidated damages. The parties understand and agree that the amount of the Escrow Deposit and all interest and earnings thereon represents the Seller’s and the Purchaser’s reasonable estimate of actual damages and does not constitute a penalty. Notwithstanding any other provision of this Agreement to the contrary, in the event that this Agreement is terminated as a result of a Purchaser Termination Event, the payment of the Escrow Deposit and all interest and earnings thereon pursuant to this Section 9.1(e), shall be the Seller’s sole and exclusive remedy for damages of any nature or kind that the Seller may suffer under this Agreement, and the Seller shall have no further remedy against the Purchaser for any claim or Damages arising out of, relating to or in connection with this Agreement or the Transactions, except in the case of fraud.

(f) Upon termination: (i) if this Agreement is terminated for any reason other than a Purchaser Termination Event, then the Escrow Deposit and any interest or earnings thereon shall

be returned to the Purchaser by the Escrow Agent; (ii) if neither the Seller nor the Purchaser is in material breach of any provision of this Agreement, then neither shall have any further liability to each other; and (iii) if the Seller shall be in material breach or default of any provision of this Agreement, then the Purchaser shall have the rights and remedies provided in Section 9.3, or otherwise available at law or equity (without duplication).

(g) Each party agrees to take such action as is necessary or desirable to effectuate the payment of the Escrow Deposit and all interest or earnings thereon as set forth in this Section 9.1, including promptly providing to the Escrow Agent written instructions and Joint Instructions related to the payment thereof in the manner set forth in the Deposit Escrow Agreement.

9.2 Effect of Termination. In the event of a valid termination of this Agreement pursuant to Section 9.1, this Agreement (other than Section 6.3, Section 6.6, this Article IX, and Article X, each of which shall survive termination and remain in full force and effect) shall forthwith become null and void, and no party hereto (nor any of their respective Affiliates nor any of such party's or any of such Affiliates', directors, officers or employees) shall have any liability or further obligation, except as provided in this Article IX; provided, however, that nothing in this Section 9.2 shall (subject to the limitations in Section 9.1(e)) relieve any party from liability for any breach or default of this Agreement prior to termination. Notwithstanding anything to the contrary herein, in no event shall either party be permitted to terminate this Agreement after the Closing.

9.3 Specific Performance: Prevailing Party Attorneys' Fees. In the event of failure or threatened failure by the Seller to comply with the terms of this Agreement, the Purchaser shall be entitled to an injunction restraining such failure or threatened failure and, subject to the extent applicable to obtaining the FCC Consent, to enforcement of this Agreement by a decree of specific performance requiring compliance with this Agreement. Any notice, request, demand, claim or other communication given hereunder using any other means (including ordinary mail or electronic mail) shall not be deemed to have been duly given unless and until such notice, request, demand, claim or other communication is actually received by the individual for whom it is intended.

10.2 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by the Seller or the Purchaser without the prior written consent of the other party, and any purported assignment or delegation in violation hereof shall be null and void except for assignments and transfers by operation of Law; provided, that the Purchaser may by written notice to the Seller, but without consent of, the Seller, assign all or any part of its rights and obligations hereunder to one or more Affiliate(s) of the Purchaser, and the Purchaser may assign its rights hereunder in whole or in part as security for any financing of the Transactions, provided, that, in either case, any such assignment does not materially delay the processing of the FCC Application, the grant of the FCC Consent or the Closing or conflict with any FCC rules or policies; and provided further, that the Purchaser shall not be relieved of any liability pursuant to this Agreement in connection with such assignment.

10.3 Amendments and Waiver. This Agreement may not be modified or amended except in writing signed by the party or parties against whom enforcement is sought. The terms of this Agreement may be waived only by a written instrument signed by the party or parties waiving compliance. No waiver of any provision of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar), nor shall such waiver constitute a continuing waiver unless otherwise provided. No delay on the part of any party hereto in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder. Whenever this Agreement requires or permits consent by or on behalf of a party, such consent shall be given in writing in a manner consistent with the requirements for a waiver of compliance as set forth in this Section 10.3.

10.4 Entire Agreement. This Agreement and the related documents contained as Exhibits and Schedules hereto or expressly contemplated hereby (including the Operative Agreements), together with the Confidentiality Agreement incorporated herein, contain the entire understanding of the parties relating to the subject matter hereof and supersede all prior written or oral and all contemporaneous oral agreements and understandings relating to the subject matter hereof. The Exhibits and Schedules to this Agreement are hereby incorporated by reference into and made a part of this Agreement for all purposes.

10.5 No Third Party Beneficiary. This Agreement is made for the sole benefit of the parties hereto, and their respective successors, executors and permitted assigns, and nothing contained herein, express or implied, is intended to or shall confer upon any other Person any third party beneficiary right or any other legal or equitable rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement (except to the extent that certain third parties are expressly covered by the indemnity herein).

10.6 Governing Law. This Agreement will be governed by and construed and interpreted in accordance with the substantive Laws of the State of Delaware, without giving effect to any conflicts of Law, rule or principle that might require the application of the Laws of another jurisdiction.

10.7 Representations and Warranties Exclusive. The representations, warranties, covenants and agreements set forth in this Agreement and the Operative Agreements constitute all the representations, warranties, covenants and agreements of the parties hereto and their respective

shareholders, directors, officers, employees, Affiliates, advisors (including financial, legal and accounting), agents and representatives and upon which the parties have relied. In particular, and without in any way limiting the generality of the foregoing, the Purchaser acknowledges and agrees that, in making its decision to purchase the Assets, it is not relying on (a) any information or materials, oral or written, distributed or made available to the Purchaser by any Person prior to the date hereof other than matters set forth in this Agreement, including the Schedules and/or the Operative Agreements or (b) any financial projection, forecast or business plan relating to the Stations. With respect to any projection, forecast or business plan delivered by or on behalf of the Seller to the Purchaser, the Purchaser acknowledges that (i) there are uncertainties inherent in attempting to make such projections, forecasts and plans, (ii) it is familiar with such uncertainties, (iii) it is taking full responsibility for making its own evaluation of the adequacy and accuracy of all such projections, forecasts and plans so furnished to it, and (iv) it shall have no claim of any kind whatsoever against any Person with respect thereto.

10.8 Neutral Construction. The parties to this Agreement agree that this Agreement was negotiated fairly between them at arms' length and that the final terms of this Agreement are the product of the parties' negotiations. Each party represents and warrants that it has sought and received legal counsel of its own choosing with regard to the contents of this Agreement and the rights and obligations affected hereby. The parties agree that this Agreement shall be deemed to have been jointly and equally drafted by them, and that the provisions of this Agreement therefore should not be construed against a party or parties on the grounds that the party or parties drafted or was more responsible for drafting the provision(s).

10.9 Severability. It is the desire and intent of the parties that the provisions of this Agreement be enforced to the fullest extent permissible under the Laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any party, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any party, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced in any manner materially adverse to any party and that such provision cannot be narrowly drawn, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the Transactions be consummated as originally contemplated to the fullest extent possible.

10.10 Bulk Sales Laws. With respect to the transactions contemplated herein, the parties hereby waive compliance with any applicable bulk sales laws of any State in which the Assets are located or in which operations relating to the Stations are conducted.

10.11 Heading; Interpretation; Schedules and Exhibits. This Agreement has been negotiated by the Purchaser, on the one hand, and the Seller, and their respective legal counsel, and legal or equitable principles that might require the construction of this Agreement or any provision of this Agreement against the party drafting this Agreement shall not apply in any construction or interpretation of this Agreement. In this Agreement (a) the words “hereof,” “herein,” “hereto,” “hereunder,” and words of similar import may refer to this Agreement as a whole and not merely to a specific section, paragraph, or clause in which the respective word appears, (b) words used herein, regardless of the gender specifically used, shall be deemed and construed to include any other gender, masculine, feminine or neuter, as the context requires, (c) any terms defined in this Agreement may, unless the context otherwise requires, be used in the singular or the plural depending on the reference, (d) unless otherwise stated, references to any Section, Article, Schedule or Exhibit are to such Section or Article of, or Schedule or Exhibit to, this Agreement, (e) the words “include,” “includes,” and “including” are deemed in each case to be followed by the words “without limitation” and (f) the word “shall” denotes a directive and obligation, and not an option. Without limiting the generality of the foregoing, it is hereby acknowledged and agreed that the terms “Station” or “Stations” shall include and mean, as applicable, the applicable Station or Stations individually and not just the Stations collectively or as a group. Any reference to any federal, state, local or foreign statute or law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. Disclosure of information included on any Schedule to this Agreement shall be considered disclosure of such information for all other Schedules, and shall so qualify the applicable representations and warranties to which such other Schedules relate, to the extent that it is reasonably apparent from the face of such disclosure that such disclosure is applicable to such other Schedule. In addition, (x) the fact that any disclosure on any Schedule is not required to be disclosed in order to render the applicable representation or warranty to which it relates true, or that the absence of such disclosure on any Schedule would not constitute a breach of such representation or warranty, shall not be deemed or construed to expand the scope of any representation or warranty hereunder or to establish a standard of disclosure in respect of any representation or warranty and (y) disclosure of a particular matter on any Schedule shall not be construed to mean that such matter is material or would reasonably be expected to have a Material Adverse Effect. The phrases “delivered” or “made available”, when used in this Agreement, shall mean that the information referred to has been physically or electronically delivered to the relevant parties, including, in the case of “made available” to the Purchaser prior to the date hereof, material that has been posted, retained and thereby made available to the Purchaser through the VDR at least one (1) Business Day prior to the date hereof or other applicable date.

10.12 Consent to Jurisdiction. EACH PARTY HERETO CONSENTS TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF DELAWARE OR IF IT HAS OR CAN ACQUIRE JURISDICTION, IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF DELAWARE, AND IRREVOCABLY AGREES THAT ALL ACTIONS OR PROCEEDINGS RELATING TO THIS AGREEMENT, ANY AGREEMENT DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY MAY BE LITIGATED IN SUCH COURTS. EACH PARTY HERETO ACCEPTS FOR ITSELF AND IN CONNECTION WITH ITS RESPECTIVE PROPERTIES, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF SUCH COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENS, AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH THIS AGREEMENT, ANY AGREEMENT DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS

CONTEMPLATED HEREBY OR THEREBY. EACH PARTY HERETO IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF SUCH COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO SUCH PARTY AT THE ADDRESS SPECIFIED IN THIS AGREEMENT, SUCH SERVICE TO BECOME EFFECTIVE 15 CALENDAR DAYS AFTER SUCH MAILING. NOTHING HEREIN SHALL IN ANY WAY BE DEEMED TO LIMIT THE ABILITY OF ANY PARTY HERETO TO SERVE ANY SUCH LEGAL PROCESS, SUMMONS, NOTICES AND DOCUMENTS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

10.13 Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT AND ANY OF THE AGREEMENTS DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE SUCH WAIVER, (II) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVER, (III) IT MAKES SUCH WAIVER VOLUNTARILY, AND (IV) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.13.

10.14 Counterparts. This Agreement may be executed and delivered (including by facsimile transmission or by means of portable document format (pdf) transmission by email) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement

10.15 Non-Recourse. Except for fraud, no past, present or future director, officer, employee, incorporator, member, partner, equity holder, Affiliate, agent, attorney or representative of the Seller or the Purchaser or any of its respective Affiliates shall have any liability for any obligations or liabilities of the Seller or the Purchaser under this Agreement or for any claim (whether in contract or tort, in law or in equity, or based upon any theory that seeks to “pierce the corporate veil” or impose liability of an entity against its owners or Affiliates or otherwise), liability or any other obligation arising under, based on, in respect of, in connection with, or by reason of, this Agreement or the Transactions, including its negotiation and/or execution.
