January 28, 2008

To Whom It May Concert:

I, Paul S. Buchele, a Registered Land Surveyor in Georgia, do hereby certify that on January 25, 2008, the WXVS FM antenna located on the GAPTV WXGA tower in Waycross, Georgia was oriented to an azimuth of 4 Degrees True North, based on both GPS and Conventional surveying equipment.

Sincerely,

Paul Buchele
Georgia Registered Land
Surveyor No. 2633
