Capstar TX Limited Partnership
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed May 8, 2006, on behalf of Capstar TX Limited Partnership ("Capstar"). Capstar requests, *inter alia*, Special Temporary Authority ("STA") to permit continued operation of both Expanded Band AM Station KWHN and commonly owned, associated lower band AM Station KYHN, beyond the fifth anniversary of the licensing of Station KWHN.¹ In support of the request, Capstar states that the public interest would be served by allowing continued operation of both stations.

In order to provide for continued service to the public, we will grant STA for continued operation of Station KYHN beyond the expiration of the five-year term.²

Accordingly, the request for STA IS HEREBY GRANTED. Station KYHN may continue to operate with its currently licensed facilities, notwithstanding Special Operating Condition #2 of License BL-20001221ACS. We extend the Section 73.3555 Note 10 authority for joint ownership to permit continued operation of Stations KYHN and KWHN.

This authority expires on **December 1, 2006**.

Sincerely,

Peter H. Doyle, Chief
