**Educational Mission of SHR**

Sacred Heart Radio, Inc. (SHR) is a State of Washington non-profit corporation which was formed to, *inter alia*, engage in educational activities. As noted above, it has been granted tax exempt status pursuant to 26 U.S.C §501(c)(3) by the Internal Revenue Service.

In practice, SHR's educational mission involves the following:

a. For providing regular educational programming designed to teach the Bible and the Catechism of the Roman Catholic Church in a manner which can be utilized by local Roman Catholic schools as well as by the Confraternity of

Christian Doctrine educational programs administered by local Roman Catholic parish churches.

b. Working with Roman Catholic educational and contemplative institutions, including but not limited to Franciscan University of Steubenville at Steubenville, Ohio and Our Lady of the Angels Monastery at Irondale, Alabama, for the presentation of quality educational programming.

c. For providing programming which can be used to train laymen for an active and effectual role in Roman Catholic parish life, such as lector, catechism teacher, etc.

SHR has been implementing this program over KBLE(AM), Seattle, Washington since March, 2001, and since September, 2005 over KTTO(AM), Spokane, Washington.

#### **Programming In Furtherance of SHR's Educational Mission**

Most of the programming to be aired by SHR over KZXD(FM) will come from the radio service of Eternal Word Television Network (EWTN). EWTN is headquartered on the former site of Our Lady of the Angels Monastery in Irondale, Alabama, which was founded and operated by the Roman Catholic order of nuns known as Poor Clares of Perpetual Adoration. The founder of Our Lady of the Angels is Mother M. Angelica, P.C.P.A. The main purpose of EWTN has been described by Mother Angelica as "catechesis": that is, the teaching of the Gospel of Jesus Christ and the Catechism of the Roman Catholic Church.

EWTN's programming is commercial-free, and there is no paid programming which is aired on EWTN. Such programming would be broadcast over KZXD(FM) in a commercial-free manner. Programming consists of the following basic types: (1) rebroadcasts of "Interactive" programs which involve a host or moderator and call-in questions from listeners; (2) recorded programs

presented by eminent Roman Catholic professors and scholars dealing with various topics of the Gospels and Roman Catholic catechism (categories 1 and 2 occupy a majority of the broadcast day); (3) Roman Catholic Masses, the Holy Rosary and various recitations of various devotionals; and (4) news programs known by the title "Catholic World Today" and "The World Over".

The current Sacred Heart Radio programming schedule, which we expect to implement at KZXD(FM) (although this is subject to change at the time the station goes on the air), is appended hereto.

Thus, the programming to be presented over KZXD(FM) presents a comprehensive daily effort to educate the public, Catholics and non-Catholics, about the tenets and dogmas of the Roman Catholic faith, including the Bible and the systematic Catechism of the Roman Catholic Church. SHR intends to work with local Roman Catholic organizations to assist their educational efforts with respect to teaching of the Catholic religion. In short, SHR intends to develop KZXD(FM) as a valuable educational resource which will serve the public interest, convenience and necessity.
