

Exhibit 4
WBXM-CA Montgomery, AL

The applicant, The Box Worldwide, LLC, requests a waiver of rule section CFR 47, Section 74.705 (d) (2) concerning protection to WKRG-TV, Channel 5. This rule section requires that the interfering contour not overlap the 47 dBu 50/50 protected contour of WKRG-TV. As can be seen from the included Contour Diagram, the contours do overlap.

The applicant has done a Longley-Rice interference study using the methods outlined in OET Bulletin 69. This analysis shows that the interference caused to WKRG-TV will be 0.0%. Based on the results of this study the applicant request a waiver of the above-mentioned rule part as allowed in CFR 47, Paragraph 73.705 (e)
