In re: K267BV, Jackson, WY
Facility ID No. 145929
Silent since December 30, 2017

Notification of License Expiration

Dear Licensee:

Our records indicate that the station referenced above has been silent since at least December 30, 2017. Therefore, pursuant to Section 312(g) of the Communications Act, as amended,¹ the station's license expired as a matter of law at 12:01 a.m., December 31, 2018. Unless we receive documented evidence² within 45 days of the date of this letter that our records incorrectly reflect the operational status of the station and that, in fact, the station returned to the air with authorized facilities at some time between December 30, 2017, and 12:01 a.m., December 31, 2018, the Commission's public and internal databases **WILL BE MODIFIED** to indicate that the broadcast license for the referenced station is **EXPIRED**, that the station's license is **CANCELED** as a matter of law, and that the station's call sign is **DELETED**.

Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower be maintained until the tower is dismantled. Accordingly, the owner of the tower where the referenced station's transmitting antenna is located is required, pursuant to 47 U.S.C. Section 303(q), to maintain the tower in the manner prescribed by our rules and the terms of the cancelled license.³

¹ See 47 U.S.C. § 312(g); *Eagle Broad. Group, Ltd. v. FCC*, 563 F.3d 543 (D.C. Cir. 2009); *A-O Broad. Corp.*, Memorandum Opinion and Order, 23 FCC Rcd 603 (2008).

² Such evidence must indicate the dates broadcasts ceased and resumed, and the transmitter site location, effective radiated power and antenna height above ground level for all periods of operation. This evidence includes copies of leases, personnel records, engineering records, station logs, quarterly issues/programs lists, invoices, bills, checks written or received, credit card charges, wire transfers or deposits of funds relating to the station's operation from December 30, 2017, to the present. Also include pictures of the station's facilities during this timeframe, and provide exact transmitter site coordinates.

³ See 47 U.S.C. § 303(q); 47 CFR §§17.1 *et seq.* and 73.1213. See also *Streamlining the Commission's Antenna Structure Clearance Procedure*, Report and Order, 11 FCC Rcd 4272, 4293 (1995) (tower owner bears primary responsibility for maintaining tower painting and/or lighting).

Documents sent in response to this letter shall be sent to: FCC, Office of the Secretary, 445 12th Street, SW, Washington, DC 20554, with a courtesy copy by email to Victoria McCauley at the address below.

Please direct any questions concerning the content of this letter to Victoria McCauley, Attorney, phone (202-418-2136), or e-mail (Victoria.McCauley@fcc.gov).

Sincerely,

A handwritten signature in blue ink that reads "Albert Shuldiner" followed by a stylized flourish or initials.
