Informal Objection

Dear Mr. Perdomo:

The staff has under consideration: (1) the above-captioned application for W258BM for Easton, Pennsylvania; (2) the Informal Objection filed by Radio Sharon Broadcasting, LLC ("Petitioner") filed on June 26, 2017; (3) and all related pleadings. For the reasons set forth herein, we deny the Informal Objection and grant the application.

Petitioner alleges that W258BM has been operating with more than the licensed effective radiated power of four watts. Petitioner states that the FCC should initiate an investigation on W258BM for allegedly operating outside the licensed parameters. If Petitioner believes that W258BM is operating in violation of the FCC's Rules, Petitioner should instead submit a complaint to the Enforcement Bureau.

The application for W258BM, BPFT-20170620ABI, complies with all relevant rules and regulations. Since the Petitioner has not cited any rule violations, we will deny the Informal Objection.
