

Heirborn Ministries, Inc. shall engage in radio broadcasting, with the purpose of educating the public at large in matters of public interest and importance.

This shall be accomplished through radio programming designed to educate the public in matters relating to society, government, Christianity, and our place in American life. We will offer Bible preaching and teaching along with programs designed to assist in family life, children, education, and other topics. We shall, through our programming, endeavor to communicate the need to be good citizens and the importance working together to make this community a better place in which to live.
