

Assignee's Educational Purpose

Western New York Public Broadcasting Association ("WNED") is a New York educational corporation which has been recognized as a nonprofit, charitable organization, devoted exclusively to the advancement of noncommercial purposes pursuant to Section 501(c)(3) of the Internal Revenue Code. As the licensee of the four noncommercial educational ("NCE") stations identified in Exhibit 15, WNED has repeatedly been found qualified to operate NCE stations. For example, WNED's qualifications were upheld in the grant of the renewal applications for WNED-TV (BRET-20070130ABC) and WNED-FM (BRH-20060201ADT). Upon consummation of this assignment application, stations WBFO(FM), WOLN(FM) and WUBJ(FM) would be used for the advancement of WNED's approved educational purposes.
