

## PROGRAMMING AGREEMENT

This PROGRAMMING AGREEMENT dated as of the 1st day of November, 2019 (this "Agreement"), by and between Good News Ministries, Inc., a Missouri not-for-profit corporation (the "Owner") and Lake Area Educational Broadcasting Foundation, a Missouri charitable trust (the "Programmer") (collectively, Owner and Programmer are the "Parties").

WHEREAS, Owner and Programmer have entered into an Asset Purchase Agreement of the same date proposing the sale and assignment of the license for FM radio broadcast station KSJI, St. Joseph, Missouri (Channel 216, 91.1 MHz), Facility ID No. 81962 (the "Station") from Owner to Programmer (the "APA");

WHEREAS, Owner agrees to provide time on the Station exclusively to Programmer on terms and conditions that conform to policies of the Owner and the Federal Communications Commission (the "FCC") for programming arrangements and that are as set forth herein;

WHEREAS, Programmer agrees to provide broadcast programming of the Programmer's selection that conforms with the policies of Owner and with all rules and published policies of the FCC, and as set forth herein; and

WHEREAS, Owner maintains, and will continue to maintain during the term of this Agreement, ultimate control over the Station's facilities including control over the Station's finances and programming and personnel.

NOW, THEREFORE, in consideration of the foregoing, and of the mutual promises set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which Owner and Programmer hereby acknowledge, Owner and Programmer, intending to be bound legally, hereby agree as follows:

1. **Overall Purpose and Term.** (a) In accordance with the terms and subject to the limitations set forth herein: (i) Programmer will provide programming to Owner for the Station, promote the Station and their programming and, at Programmer's discretion, sell underwriting announcements and other noncommercial advertising time on the Station; and (ii) Owner will maintain the Station's transmitting facilities and make such facilities available to the Programmer for the purposes described herein. Beginning on the Commencement Date, Programmer shall be solely responsible for any expenses incurred in connection with and shall be entitled to all revenue from the sale of underwriting announcements or program time on the Station on or after the Commencement Date. Subject to the terms of this Agreement, each party hereby warrants and covenants that it will fulfill said obligations, and their other obligations specified herein, to the fullest extent permitted or required by law (including the FCC's rules and published policies) in a diligent, reasonable manner.

(b) **Commencement Date.** Programmer shall begin its programming activities with regard to the Station pursuant to this Agreement at 12:01 AM Central Daylight time on April 15, 2020, and such date is referred to in this Agreement as the "Commencement Date." The term of this Agreement will continue for one (1) year from the Commencement Date (the "Term"), unless earlier terminated by the Parties pursuant the terms herein.

2. **Station Facilities.** During the Term, Owner will make the Station's radio broadcasting transmission facilities available to Programmer for broadcast on the Station of programs selected by Programmer in accordance with the terms and conditions hereof, and underwriting/noncommercial announcements sold by Programmer, which may originate from the Programmer's studios; provided, however, that Owner reserves the right to retain, on the Station, five hours per broadcast week during the hours of 7:00 a.m. to noon Sunday for the broadcast of its own regularly-scheduled news, public affairs, and other programming.

3. **Revenue.** Programmer will be entitled to all revenues resulting donations from listeners and from the sale other time on the Station during the Term, including, without limitation, all revenue from the sale of underwriting announcements and other time during Owner's public service programming or other programming provided by Owner pursuant to Sections 9 and 10. Such revenues shall in no circumstances include rental payments, such as studio rents or tower rents, paid to Owner or parties related to Owner.

4. **Compensation.** As consideration for Owner permitting Programmer to broadcast Programmer's programming on the Station pursuant to the terms of this Agreement, Programmer will pay to Owner the amounts described on Exhibit A.

5. **Responsibilities.**

(a) **Programmer's Responsibilities.**

(i) Programmer will be responsible for utilizing Owner's employees (to the extent Owner has any employees), under Owner's ultimate supervision to operate and maintain Owner's studio, production and master control facilities and to acquire, compile, produce, broadcast and sell the Station's programming and noncommercial messages. Programmer will, under Owner's ultimate supervision, broadcast programs and public service announcements on the Station that are responsive to the problems, needs and issues facing the residents of the Station's service areas

(ii) In performing its obligations under this Agreement, Programmer will adhere to and fulfill all of the terms, conditions and obligations under all contracts utilized by Owner (as agreed to by Programmer) and listed on Schedule A in the operation of the Station. Programmer shall not enter into any agreements which cannot be cancelled or terminated upon notice of no more than thirty (30) days and shall not enter into any trade agreements without the prior consent of Owner.

(iii) Any equipment required or expenses incurred to program the Station by Programmer from Programmer's other locations shall be at Programmer's expense.

(b) **Owner's Responsibilities.** Owner will employ and be responsible for paying the salaries, commissions, payroll taxes, insurance and all other related costs of all of its employees (to the extent Owner has any employees). Owner will be responsible for all (A) lease obligations in connection with property leased (if any) to Owner, (B) utility bills for utility services at the Station's tower/transmitter site, (C) telephone system maintenance costs and local exchange and long distance telephone service costs for Owner's telephone system(s) and usage

at the Station's tower/transmitter site if there is any such service, (D) costs of engineering and technical personnel necessary to assure compliance with the FCC's rules and published policies and maintenance and repair of the Station's transmitting facilities, (E) all liabilities and obligations under all contracts to which Owner is a party relating to the business and operations of the Station and listed on Exhibit A, (F) premiums for insurance maintained by Owner, (G) real and personal property taxes, (H) business, license and FCC regulatory fees, and (I) reasonable maintenance and repair costs for the Station's studio, transmission and production equipment, some of which are subject to reimbursement by Programmer and included in all the Operating Expenses in accordance with the terms set forth on Exhibit A.

(c) **Additional Responsibilities.**

(i) Programmer and Owner will pay their respective expenses owed to third parties with regard to the Station and in no event will any such payable remain unpaid for more than thirty (30) days after it is due unless such payable is being disputed in good faith.

(ii) Except as otherwise mutually agreed, as between the Owner and the Programmer, Owner is and will continue to be responsible for all its obligations pursuant to any contracts of employment between Owner and all employees of Owner (to the extent Owner has any employees).

(iii) Owner shall be responsible for and timely pay any fines, forfeitures or other penalties as required by law, rule or regulation, or by order of any government agency or court for the Station. In the event Owner does not timely make payment, Programmer in its discretion may pay the fine, forfeiture or other penalties, and deduct such costs and expenses from future payments until Programmer is reimbursed for their costs and expenses in its entirety

(d) **Renewal, Modification and Cancellation of Contracts.** Owner will comply with all reasonable requests of Programmer with respect to the renewal and cancellation of contracts (in accordance with their terms) or the entry into or the modification of contracts which affect the Programmer's programming activities with regard to the Station pursuant to this Agreement. Owner will enter into no new trade agreements during the Term, but Owner may complete the sale of its existing inventory of goods acquired through such trade agreements. Owner shall be responsible for storing and maintaining possession of such goods and of the agreements governing the sale of such goods. Programmer shall honor in accordance with their terms all contracts entered into prior to the Term which provide for announcements to be aired during the Term, and all payments for such continuing contracts shall be pro-rated between Owner and Programmer in accordance with the actual dates on which such announcements were aired.

6. **Revenues and Deposits.**

(a) Revenues from Broadcast Time Sales and Uses of the Station's Studio/Production Facilities during the Term. Programmer will have the exclusive right to sell, either directly or indirectly through sales representatives, all programs and underwriting announcements aired on the Station during the Term (whether during

programming selected by Programmer or programming selected by the Owner), and production fees for uses of the Station's studio/production facilities during the Term. Programmer shall have access to the Station's studio/production facilities during the Term.

(b) **Collection of Accounts Receivable.** Programmer shall collect and retain all Accounts Receivable during the Term of this Agreement. Programmer shall be responsible for the payment of all salesperson, agency, and representative commissions due with respect to the Accounts Receivable and shall defend and hold Owner harmless against any claims for such commissions.

7. **Handling of Station Communications.** Owner will receive and handle mail, faxes, telephone calls and e-mail from members of the public in connection with the operation of the Station but shall pass on to Programmer inquiries and other communications concerning Programmer's programming or other activities with regard to the Station.

8. **Owner's Compliance With FCC Rules and Published Policies.** Owner will comply in all material respects with all FCC rules and published policies applicable to the Station. Without limiting the foregoing sentence, Owner's obligations will include ascertaining the needs and interests of the Station's service areas, maintaining the Station's political broadcasting and public inspection files and the Station's maintenance logs, setting political advertising policies, meeting equal employment opportunity requirements with regard to Owner's employees, preparing the Station's quarterly issues/programs lists and making all required FCC filings with regard to the Station.

9. **Programming and the Public Interest.**

(a) **Programming.** The programming selected by Programmer will consist of such materials as are determined by Programmer to be appropriate and/or in the public interest including public affairs programming, public service announcements, entertainment, news, weather reports, sports, promotional material, noncommercial material and underwriting announcements as described on Exhibit B.

(b) **Cooperation.** Owner shall have full authority, power and control over the operation of the Station and all persons working at the Station during the Term. Owner shall bear responsibility for the Station's compliance with all applicable provisions of the Communications Act of 1934, as amended, the rules, regulations and policies of the FCC (the "FCC Rules") and all other applicable laws. Chris Meikel, or such other Owner principal as Owner shall specify, shall be the representative of Owner with responsibility for the day-to-day oversight of the Station. Programmer shall deliver a monthly report summarizing the operations of the Station pursuant to this Agreement and Programmer shall meet with the Owner either in person or by telephone at least once a week to discuss operations of the Station. Programmer shall initiate that weekly meeting or call. In the event Owner determines that additional attention should be directed to particular community needs, Programmer will cooperate to assure that the Station's locally-produced programming serves those needs. Such programs will be aired on the Station at a mutually agreeable time between 6:00 AM and 12:00 midnight, local time.

(c) **Format.** With Owner's prior consent, which consent shall not be unreasonably withheld, Programmer may change or alter the format of the Station. Without such prior consent, Programmer may not change or modify the format of any or all of the Station or change the character of any or all of the Station's programming.

(d) **Documents.** Programmer will provide Owner promptly with all documents Programmer receives which are required to be placed in the Station's political or public inspection files. Programmer will provide Owner with information with respect to programs and public service announcements broadcast on the Station which are responsive to the problems, needs and issues facing the residents of the Station's service areas, so as to assist Owner in the preparation of required programming reports, and will assist Owner upon request in compiling such other information which is reasonably necessary to enable Owner to prepare other records and reports required by the FCC or other government agencies. Programmer shall furnish to Owner upon request any other information that is reasonably necessary to enable Owner to prepare any records or reports required by the FCC or other governmental entities.

(e) **Control.** Owner will have the full and unrestricted right to reject, delete and not broadcast any material contained in any part of the programming selected and/or scheduled by Programmer which Owner in good faith determines would be contrary to law, the public interest or the standards set forth on Exhibit B. Owner will retain ultimate control over the Station's policies and standards and, in that regard, hereby adopts written standards, generally in accordance with industry standards for a noncommercial radio broadcast station, as set forth in the attached Exhibit B, for the acceptance of programming material and noncommercial announcements. Programmer hereby covenants, warrants and represents that with regard to the Station it will, at all times during the Term, comply in all material respects with such standards for acceptance of programming material and noncommercial announcements.

10. **Special Programs.** Owner reserves the right, in good faith, to preempt Programmer's programs for the Station to broadcast special programs on occasion concerning issues or events of local, regional or national importance in the event that Programmer does not broadcast the same on its own initiative or in the event that Owner reasonably determines in good faith that the amount of Programmer's coverage of such issues or events is inadequate; provided that in all such cases Owner will use its best efforts to give Programmer reasonable notice of Owner's intention to preempt programs scheduled by Programmer.

11. **Station Identification.** Owner will be responsible for the proper broadcast of FCC required station identification announcements on the Station. Programmer, while conducting its activities with regard to the Station pursuant to this Agreement, will broadcast all required station identification announcements in form and content approved by Owner with respect to the Station in full compliance with FCC rules and published policies.

12. **Station Facilities.**

(a) **Operation of Station.** Owner agrees that the Station will be operated throughout the Term in all material respects in accordance with the authorizations

issued by the FCC for the Station and all applicable FCC rules and published policies. During the Term, Owner will make the Station available to Programmer for program transmissions for the entire time that the Station is on the air, except for downtime occasioned by required maintenance and other interruptions contemplated by Section 12(b) and events described in Section 15. Any routine or non-emergency maintenance work affecting operation of the Station at full power will be scheduled with at least forty-eight (48) hours prior notice to Programmer; and, to the extent feasible, Owner will cause such maintenance work to be performed between the hours of 12:00 AM and 6:00 AM, local time.

(b) **Interruption of Normal Operations.** If the Station suffers any loss or damage of any nature to its transmission or studio facilities or if the FCC Licenses of the Station are forfeited, revoked or cancelled which results in the interruption of service or the inability of the Station to operate with its maximum authorized facilities, Owner will immediately notify Programmer of such loss or damage, and Owner will undertake such repairs (in consultation with Programmer) as are necessary to restore full-time operation of the Station with its maximum authorized facilities as expeditiously as reasonably possible following the occurrence of any such loss or damage. If Owner is unable to or does not commence such repairs or seek reinstatement of the FCC License as soon as possible, then Programmer in its discretion may undertake such repairs or reinstatement at its own expense under the supervision of the Owner and deduct such costs and expenses from future payments of the Operating Expenses until Programmer is reimbursed for their costs and expenses in its entirety. If the Station operates with less than its maximum authorized facilities for more than seven consecutive days Programmer may terminate this Agreement.

13. **Political Advertising.** Owner shall maintain the public inspection file of the Station pertaining to the broadcast of political programming and advertisements, and to the broadcast of sponsored programming addressing political issues or controversial subjects of public importance. Programmer also shall consult with Owner and adhere to all applicable statutes and the rules, regulations and written policies of the FCC as announced from time to time, with respect to the carriage of political advertisements and programming (including, without limitation, the rights of candidates and, as appropriate, others to "equal opportunities" and the carriage of contrasting points of view as mandated by any "fairness" rule with respect to such "issue-oriented" advertising or programming as may be broadcast) and the charges permitted therefor. Programmer shall promptly provide to Owner all documentation relating to requests for broadcast or the broadcast of such programming by Programmer on the Station.

14. **Owner's Responsibility For Compliance with FCC Technical Rules.** Owner will be responsible for compliance by the Station with the technical operating and reporting requirements established by the FCC.

15. **Force Ma jeure.** Each party will carry standard property and casualty insurance for the property and equipment it owns. Owner's policy(ies) for such coverage will have an aggregate policy limit that is not less than the aggregate limit of the policy(ies) normally maintained by Owner for such property and equipment prior to the date hereof. If any failure or impairment of facilities or any delay or interruption in the broadcast of programs, or failure at any time to furnish facilities, in whole or in part, for broadcast, occurs due to causes beyond the control of Owner, then such failure, impairment, delay or interruption, by itself, will not

constitute a breach of or an event of default under this Agreement, and Owner will not be liable to Programmer for any such failure, impairment, delay or interruption so long as (if Owner elects to remedy such failure, impairment, delay or interruption) Owner undertakes and continues reasonable efforts to remedy any such failure, impairment, delay or interruption by returning the affected Station to its condition prior to such damage. Promptly thereafter, if Owner elects to do so by written notice to Programmer, Owner will obtain any applicable insurance proceeds and apply such proceeds to the cost of remedying such failure, impairment, delay or interruption; provided that, if Owner determine that it will not do so, then Owner will give the Programmer prompt written notice of such determination. If Owner elects not to remedy such failure, impairment, delay or interruption (or if the Owner makes no election prior to the thirtieth (30th) day after such failure, impairment, delay or interruption occurs), then Programmer may (i) elect to obtain such insurance proceeds and effect such remedy by giving Owner written notice to that effect and deduct any costs and expenses for repairs from future payments until Programmer is reimbursed for their costs and expenses in its entirety, or (ii) terminate this Agreement, provided such interruption of service or inability to operate materially and adversely affects the business operations of the Station as a whole.

16. **Trade Secrets and Proprietary Information.** In the event that: (a) any trade secrets or other proprietary information of Programmer becomes known to Owner in connection with this Agreement, and (b) such trade secrets and/or proprietary information are not otherwise available in the public domain or known publicly, Owner agrees to maintain the confidentiality of such trade secrets and/or proprietary information and not to use or disclose any such trade secrets and/or proprietary information without the prior written consent of Programmer (except as required by law, rule or regulation, or by order of any government agency or court, in which case Owner, prior to disclosure, shall give prompt notice to Programmer so that Programmer may seek a protective order). In the event that: (i) any trade secrets or other proprietary information of Owner becomes known to Programmer in connection with this Agreement, and (ii) such trade secrets and/or proprietary information are not otherwise available in the public domain or known publicly, Programmer agrees to maintain the confidentiality of such trade secrets and/or proprietary information and not to use or disclose any such trade secrets and/or proprietary information without the prior written consent of Owner (except as required by law, rule or regulation, or by order of any government agency or court, in which case Programmer, prior to disclosure, shall give prompt notice to Owner so that Owner may seek a protective order). The provisions of this Section 16 will survive any termination of this Agreement.

17. **Payola and Conflicts of Interest.** Each of Programmer and Owner agree not to, and to use reasonable efforts to cause its employees who have the ability to cause the broadcast of programs and/or noncommercial matter on the Station not to, accept any consideration, compensation or gift or gratuity of any kind whatsoever, regardless of its value or form, including a commission, discount, bonus, material, supplies or other merchandise, services or labor (collectively, "*Consideration*"), whether or not pursuant to written contracts or agreements between Programmer, Owner and merchants or advertisers, in consideration for the broadcast of any matter on the Station unless the payor is identified, in the broadcast for which Consideration was provided, as having paid for or furnished such Consideration, in accordance with Sections 317 and 507 of the Communications Act [47 U.S.C. §§ 317 and 508] and the FCC's rules and published policies. Programmer agrees to execute, and to cause each of Programmer's employees to execute, at least once every calendar year, a payola/conflict of interest affidavit in

the form of the attached Exhibit C, and Programmer agrees to deliver the originals of all such affidavits to Owner as expeditiously as possible following their execution.

18. **Programmer's Compliance with Law.** Programmer agrees that, throughout the Term, Programmer will comply with all laws, rules, regulations and policies applicable to the functions performed by it in connection with the Station (collectively, "*Applicable Government Regulations*"), including meeting equal employment opportunity requirements with respect to Programmer's employees performing duties in connection with the Station. Programmer knows of no fact or circumstance that would, under the federal antitrust laws, the Communications Act, the FCC's rules and published policies or otherwise, disqualify or preclude Programmer from entering into this Agreement, and Programmer agrees that it will comply with all laws, including but not limited to, federal antitrust laws, the Communications Act and the FCC's rules and published policies, in connection with its operation of the Station pursuant to this Agreement.

19. **Indemnification.**

(iii) Programmer's Indemnification of Owner. Programmer will indemnify and hold Owner and Owner's employees, agents and contractors harmless, including, without limitation, in respect of reasonable attorney's fees, from and against all liability, claims, damages and causes of action ("*Losses*") arising out of or resulting from acts or omissions of Programmer involving: (i) libel and slander; (ii) infringement of trademarks, service marks or trade names; violations of law, rules or regulations (including the FCC's rules and published policies); invasion of rights of privacy or infringement of copyrights or other proprietary rights; (v) the broadcast of programming furnished by Programmer, (vi) breaches of this Agreement; or (vii) Programmer's sale of advertising and the operation of Programmer's business relating to the Station. Programmer's obligation to indemnify and hold Owner and Owner's employees, agents and contractors harmless against the Losses specified above will survive any termination of this Agreement.

(a) **Owner's Indemnification of Programmer.** Owner will indemnify and hold Programmer and Programmer's employees, agents and contractors harmless, including, without limitation, in respect of reasonable attorney's fees, from and against all Losses arising out of or resulting from acts or omissions of the Owner involving: (i) libel and slander; (ii) infringement of trademarks, service marks or trade names; (iii) violations of law, rules or regulations (including the FCC's rules and published policies); (iv) invasion of rights of privacy or infringement of copyrights and other proprietary rights; (v) the broadcast of programming furnished by Owner, or (vi) breaches of this Agreement. Owner's obligation to indemnify and hold Programmer and Programmer's employees, agents and contractors harmless against Losses specified above will survive any termination of this Agreement.

(b) **Insurance.** Programmer and Owner each will maintain broadcasters' liability insurance policies covering libel, slander, invasion of privacy and the like, general liability, blanket crime, property damage, business interruption, automobile liability, and workers' compensation insurance in forms and amounts customary in the radio broadcast industry (to the extent commercially reasonable, for example, neither party shall be required to get insurance specifically with respect to property it does not own), and each of the parties hereto will name the other as an additional insured under such policies to the extent that their

respective

interests may appear and will provide for notice to the other party prior to cancellation thereof. Upon request, each party will provide the other with certificates evidencing such insurance, and will further provide certificates evidencing renewal thereof prior to the expiration of such policies.

## 20. **Termination.**

(a) **Events of Default.** The following shall, after the expiration of the "applicable cure periods," constitute events of default under the Agreement (each an "*Event of Default*"):

(i) Programmer's failure to timely pay any consideration provided for in this Agreement;

(ii) Owner's failure to timely pay any consideration provided for in this Agreement; or

(iii) The default by any party hereto in the observance or performance of any material covenant or agreement contained herein in any material respect; provided, however, that any failure of Owner to comply with Applicable Government Regulations shall not be deemed to be a default of a material covenant or agreement by Owner, if Programmer has failed to provide information or cooperation to Owner concerning Programmer's programming on the Station that would have allowed Owner to avoid such noncompliance, or if any other wrongful act or omission, or any instruction or request to the Station's personnel, by Programmer is the primary cause of such failure to comply with Applicable Government Regulations.

### (b) **Termination Upon Order of Governmental Authority.**

"A *Governmental Termination Event*" will occur if any court or federal, state or local government authority (including the FCC) orders or takes any action which becomes effective and which requires the termination or material curtailment of Programmer's activities with respect to the Station pursuant to this Agreement; provided that such order or action will no longer constitute a Governmental Termination Event if such action or order is subsequently stayed or ceases to be effective. If any court or federal, state or local government authority announces or takes any other action or proposed action which could result in a Governmental Termination Event, then either Programmer or Owner may seek administrative or judicial relief therefrom (in which event the other of them will cooperate with such effort in any reasonable manner requested) and consult with such agency and its staff concerning such matters and, in the event that this Agreement is not terminated, use their reasonable best efforts and negotiate in good faith a modification to this Agreement which would obviate any such questions as to validity while preserving, to the extent possible, the intent of the parties and the economic and other benefits of this Agreement and the portions thereof the validity of which are called into question. If the FCC initiates any revocation or other proceeding with respect to the authorizations issued to Owner for the operation of the Station, then Owner and Programmer will each use diligent, reasonable efforts to contest such action and will each be responsible for its own expenses incurred as a consequence of such FCC proceeding. Programmer will cooperate and comply with any reasonable request of Owner to assemble and provide to the FCC information relating to Programmer's performance under this Agreement. In the event of termination of Programmer's activities with respect to the Station pursuant to this agreement as a result of any Governmental Termination Event, Owner will cooperate reasonably with Programmer to the extent permitted to enable

Programmer to fulfill advertising or other programming contracts then outstanding. If a Governmental Termination Event occurs, then the Term will continue until the date upon which the activities of Programmer and Owner are required to be ceased, as mandated by the agency or authority which brought about such Governmental Termination Event.

(c) **Cure Periods.** An Event of Default under Section 20(a) above shall not be deemed to have occurred until thirty (30) days after the non-defaulting party has provided the defaulting party with written notice specifying the event or events that if not cured would constitute an Event of Default; provided, however, Programmer's failure to pay any consideration provided for in this Agreement or any amount due under this Agreement shall have a cure period of seven (7) days following the payment due date. The Event of Default which is subject to a cure period hereunder shall not be deemed to have occurred if actions necessary and sufficient to cure are taken during the relevant cure period and continue with reasonable diligence thereafter.

(d) **Right of Termination by Owner or Programmer.** In addition to other remedies available at law or equity, but subject to the requirements and limitations set forth herein, this Agreement may be terminated as set forth below by either Owner or Programmer by written notice to the other upon the occurrence of the following:

(i) this Agreement is declared invalid or illegal in whole or substantial part by an order or decree of an administrative agency or court of competent jurisdiction and such order or decree has become final and no longer subject to further administrative or judicial review;

(ii) an Event of Default by the other party has occurred and the party seeking to terminate is not then in material default or breach hereof;

(iii) the termination of this Agreement pursuant to Section 20(b) above;

(iv) Programmer's election not to provide Programming as of the Commencement Date pursuant to Section 1(b);

(v) the mutual consent of all parties;

(vi) termination of the APA, provided the party seeking termination of this Agreement is not in material default or breach of the APA; or

(vii) there has been a material change in FCC rules, policies or precedent that would cause this Agreement to be in violation thereof and such change is in effect and not the subject of a timely appeal or further administrative review; provided, however, that in such event the parties shall first negotiate in good faith and attempt to agree on an amendment to this Agreement that will provide the parties with a valid, binding and enforceable agreement that conforms to the new FCC rules, policies or precedent.

(e) **Termination Requirements and Procedures.** Unless otherwise mutually agreed by Programmer and Owner, any termination of this Agreement shall not become effective until thirty (30) days after notice of termination is provided by Programmer or Owner.

(f) **Liabilities Upon Termination.** Upon termination of this Agreement for any reason, Programmer shall be responsible for all liabilities, debts and obligations of Programmer accrued from the purchase of air time and/or transmission services and all Programmer's programming on the Station, including, without limitation, accounts payable, barter agreements and unaired advertisements, but not for Owner's federal, state, and local tax liabilities associated with Programmer's payments to Owner as provided for herein. With respect to Programmer's obligations to broadcast programming, advertisements and other material over the Station after termination hereunder, Owner shall air such advertisements and shall be entitled to keep the revenue. Upon termination of this Agreement, any Operating Expenses shall be prorated to the effective termination date of this Agreement. In no event shall Owner be under any obligation to make available to Programmer any broadcast time or broadcast transmission facilities after termination of this Agreement, other than relating to advertisements, and all amounts accrued or payable to Owner up to the effective date of termination which have not been paid shall immediately become due and payable.

(g) **Accounts Receivable Upon Termination.** Upon any termination of this Agreement, Programmer shall be responsible for collecting the accounts receivable arising from Programmer's programming of the Station on or after the Commencement Date and prior to the termination of this Agreement. Accounts receivable collected by either Party for the same advertising client shall be applied first to Programmer's accounts receivable and then afterwards to Owner's accounts receivable, unless the advertising client directs otherwise.

(h) **Survival.** Anything to the contrary contained in this Agreement notwithstanding, all obligations under this Agreement accrued or arising prior to or by reason of the termination of this Agreement shall survive such termination and the following provisions shall also survive any such termination.

21. **Authorizations.** Owner owns or holds all material licenses and other permits and authorizations reasonably necessary for the operation of the Station (including licenses, permits and authorizations issued by the FCC), and Owner will take no action to impair such licenses, permits and authorizations.

22. **Notices.** All notices, requests, demands and other communications required under or delivered pursuant to this Note shall be in writing and shall be deemed duly given and received: (i) if personally delivered, on the date of delivery; (ii) if mailed, upon delivery, registered or certified, return receipt requested, postage prepaid and addressed as provided below; or (iii) if by a courier delivery service providing overnight or "next-day" delivery, on the next business day after deposit with such service, addressed to a party at their address set forth below. Any party may change their designated address by giving the other party written notice of any change in the manner set forth herein.

### Programming Standards

Programmer agrees to cooperate with Owner in the broadcasting of programs of the highest possible standard of excellence and for this purpose to observe the following regulations in the preparation, writing and broadcasting of its programs:

I. Religious Programming. The subject of religion and references to particular faiths, tenants, and customs shall be treated with respect at all times. Programs shall not be used as a medium for attack on any faith, denomination, or sect or upon any individual or organization. Requests for donations shall not be made if there is any suggestion that such donation will result in miracles, cures or prosperity.

II. Controversial Issues. Any discussion of controversial issues or public importance shall be reasonably balanced with the presentation of contrasting viewpoints in the course of overall programming; no attacks on the honesty, integrity, or like personal qualities of any person or group of persons shall be made during the discussion of controversial issues of public importance; and during the course of political campaigns, programs are not to be used as a forum for editorializing about individual candidates. If such events occur, Owner may require that responsive programming be aired.

III. No Plugola or Payola. The mention of any business activity or "plug" for any noncommercial, professional, or other related endeavor, except where contained in an actual noncommercial message of a sponsor, is prohibited. Neither Programmer, its principals, or its employees shall receive any consideration in money, goods, services, or otherwise, directly or indirectly (including to relatives) from any person or company for the presentation of any programming over any or all Station(s) without broadcasting sponsorship identification.

IV. No Lotteries. Announcements giving any information about lotteries or games prohibited by federal or state law or regulation are prohibited.

V. Election Procedures. Programmer does not anticipate selling any political advertising. If a bona fide candidate for Federal office requests access to the Station, Programmer will provide that opportunity at no charge. A record of all such requests will be given to the Owner for the Public File.

VI. Required Announcements. Programmer shall broadcast (a) an announcement in a form satisfactory to Owner at the beginning of each hour to identify the Station, (b) an announcement at the beginning and end of each broadcast day (or, if the Station broadcasts 24 hours per day, once in the morning and once at night) to indicate that program time has been purchased by Programmer, and (c) any other announcement that may be required by law, regulation, or the policy of the Station.

VII. No Illegal Announcements. No announcements or promotion prohibited by federal or state law or regulation of any lottery or game shall be made over the Station. Any game, contest, or promotion relating to or to be presented over the Station must be fully stated and explained in advance to Owner, which reserves the right in its sole discretion to reject any game, contest, or promotion.

X. Owner's Discretion Paramount. In accordance with Owner's responsibility under the Communications Act of 1934, as amended, and the rules and published policies of the Federal Communications Commission, Owner reserves the right to reject or terminate any programming proposed to be presented or being presented over the Station which is in conflict with the policy of the Station or which in the reasonable judgment of Owner would not serve the public interest.

XI. Programming in which Programmer has a Financial Interest. Programmer shall advise the Owner with respect to any programming (including promotional announcements) concerning goods or

services in which Programmer has a material financial interest. Any announcements for such goods and services shall clearly identify the Programmer's financial interest.

XII. Programming Prohibitions. Programmer shall not broadcast any of the following programs or announcements:

- A. *False Claims*. False or unwarranted claims for any product or service.
- B. *Unfair Infringements*. Infringements of another advertiser's rights through plagiarism or unfair imitation or either program idea or copy, or any other unfair competition.
- C. *Commercial Disparagement*. Any disparagement of competitors or competitive goods.
- D. *Indecency*. Any programs or announcements that are indecent, profane, vulgar, repulsive or offensive, either in theme or treatment or audio or visual content.
- E. *Defamation*. Any programs or announcements that are slanderous, libelous or defamatory in nature, either in theme or treatment or audio or visual content.
- F. *Price Disclosure*. Any price mentions except as permitted by an Owner's policies current at the time.
- G. *Descriptions of Bodily Functions*. Any continuity which describes in a repellent manner internal bodily functions or symptomatic results or internal disturbances, and no reference to matters which are not considered acceptable topics in social groups.
- H. *Conflict Advertising*. Any advertising matter or announcement which may, in the reasonable opinion of a Owner, be injurious or prejudicial to the interests of the public, the Station, or honest advertising and reputable business in general.
- I. *Fraudulent or Misleading Advertisement*. Any advertisement matter, announcement, or claim which Programmer knows to be fraudulent, misleading, or untrue.

Owner may waive any of the foregoing regulations in specific instances if, in its reasonable opinion, good broadcasting in the public interest will be served thereby.

In any case where questions of policy or interpretation arise, Programmer shall submit the same to Owner for decision before making any commitments in connection therewith.
