Dear Mr. Turaville

This is to inform you that my company has completed the installation of the directional four-bay broadcasting antenna at the WAYQ transmitting site located near Charlotte, Tennessee (North 36-17-36, West 87-18-21) with strict adherence to the written installation instructions published by the antenna's manufacturer and with strict adherence to the requirements of the FCC's construction permit. Middle Tennessee Two-way Incorporated is actively involved in the installation of broadcasting antennas and has over ten years of experience in that field.

Sincerely,

A handwritten signature in black ink, appearing to read "John Hettish", with a large, sweeping flourish extending from the end of the signature.
