

CLEAR CHANNEL RADIO

Federal Communications Commission

July 16th 2004

Dear Sirs:

I certify that this antenna was assembled and installed following the manufactures instructions on June 24th 2004.

Also the azimuth of the antenna was oriented at 100 degrees true North as dictated by the construction permit.

I have been in radio since 1975 and holder of General Radio Telephone License PG-GB-004499 since 1995.

Sincerely,

Jeffrey L. Parker
