Re: Tower Location-Town of Atlanta, GA

Dear Mr. Warner:

I hereby certify that by means of field measurement this day, June 30, 2001, it was determined that the antenna for WCLK was oriented on a bearing of 28 degrees True as shown on Jampro Antennas Inc. drawing (top view), Order: JPHPC-2/DA/RFP (10640). I am a land surveyor licensed in the State of Georgia, License # 2659.

Sincerely,

Clyde Eldredge, LS
