Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Mason:

This letter concerns the request you filed on May 24, 2017, on behalf of ACM JCE IV B LLC (ACM), for extension of Special Temporary Authority (STA) to permit AM Radio Station WFL(AM) to remain silent.

Commission records reflect that ACM stated that Station WFL(AM) went silent on October 14, 2016, for technical reasons. The previous STA was granted on November 9, 2016, and expired on May 8, 2017. ACM requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

ACM's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WFL(AM) to remain silent until October 14, 2017. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WFL(AM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., October 15, 2017.¹**

ACM is required to notify the Commission when broadcast operations resume. If ACM does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Lisa Scanlan
