Subject: Request for Virtual Channel Change
Hossein,

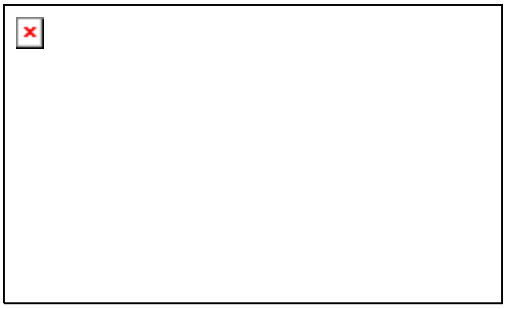

I am writing on behalf of my client, Televicentro of Puerto Rico, LLC (Televicentro), license of digital television stations WAPA-TV, San Juan, PR (Fac. ID 52073), WNJX-TV, Mayaguez, PR (Fac. ID 73336) and WTIN(TV), Ponce, PR (Fac. ID 26681). WNJX-TV and WTIN(TV) operate as satellite stations of WAPA-TV, rebroadcasting the signal of WAPA-TV.

WAPA-TV has been assigned virtual channel 4, while WNJX-TV and WTIN(TV) have been assigned virtual channels 22 and 14 respectively. As WNJX-TV and WTIN(TV) retransmit the broadcast signal of WAPA-TV in its entirety, Televicentro hereby requests that the virtual channels for WNJX-TV and WTIN(TV) reflected in the Commission s database be changed to virtual channel 4 for both stations.

Such common designation will further the public interest for Puerto Rican viewers so that each of the stations, which share the common broadcast of WAPA-TV, Virtual Channel 4, are commonly designated by digital receivers.

Please contact me with any questions and thank you for your assistance.

John Bagwell
