

The map displays the Grand Rapids area with various towns and geographical features. Three concentric circles are centered on Grand Rapids: a green circle labeled '60 dBu Proposed NEW', a red circle labeled '25 mile KOZY(AM)', and a blue circle labeled '2 mV/m KOZY(AM)'. The map includes a legend box in the bottom left corner with the following text:

- Green Contour is Proposed 60 dBu
- Blue Contour is KOZY's Protected 2 mV/m
- Red Contour is the 25 Mile Radius from KOZY's Transmit Site
