WYGY RADIO STATION
LEBANON, OHIO
November 2005

TECHNICAL STATEMENT

1. This technical statement and attached exhibits were prepared in conjunction with a proposed transfer of control of stations WRRM, Channel 251B, Cincinnati, Ohio; WMOJ, Channel 235B, Fairfield, Ohio; and WYGY, Channel 243B, Lebanon, Ohio. WRRM, WMOJ and WYGY are each authorized in communities within metro counties in the Cincinnati, Ohio Arbitron Market (Market #27). As such, a review of the number of stations in the Cincinnati, Ohio market will be conducted to show the proposed combination is in compliance with the rules.

2. As shown on Exhibit #1, there are forty-seven AM and FM (commercial and non-commercial) stations listed in the Cincinnati, Ohio Arbitron Market. The transferee would be in control of three FM stations in the same market. The number of stations indicated falls in the forty-five or more stations tier of §73.3555(a)(1)(i) of the Commission's rules. At this level, common ownership or control of up to eight stations, with no more than five in the same service, is permissible. Therefore, the transfer of control of station of WRRM, WMOJ and WYGY is believed to be in compliance with the Commission's radio ownership rules.

3. The foregoing technical statement was prepared by Graham Brock, Inc. All information contained herein is true and accurate to the best of our belief and knowledge. All data relating to AM and FM facilities in the relevant BIA/Arbitron market was determined using the BIA Financial Network, Inc. Media Access Pro, Version 4.0. BIA database. We assume no liability for errors or omissions in that database which may be adverse to the information contained herein.
