**Re: Asociacion Evangelica Cristo Viene Inc. LPTV Station  
W54AQ Yauco, Puerto Rico**

Dear Grafton Olivera:

Thank you very much for the copy of your FCC application sent to us in accordance with the Puerto Rico Coordination zone agreements. We have considered the technical aspects of your application and find that your station at address Yauco, Puerto Rico, has direct line-of-sight to the telescope. Hence, we request your cooperation in suppressing any out-of-band emission that could cause interference to our passive use of the spectrum in the Radio Astronomy bands at the Observatory.

We have no objection to your license application.

Thanking you for your cooperation,

Dr. Tim Hankins  
Director

Reinaldo Velez  
Spectrum Manager
