

## MULTIPLE OWNERSHIP EXHIBIT 5

According to the Commission's local ownership "tiers," in a Metro reported by BIA as having between 15 and 29 (inclusive) "home" commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 6 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM). In the Savannah, Georgia Arbitron Metro there are 23 commercial and noncommercial educational full-power radio stations. There are seven full-power radio stations (WBMQ(AM), WEAS-FM, WIXV(FM), WJCL-FM, WJLG(AM), WTYB(FM) and WZAT(FM)) attributable to Cumulus Licensing LLC in the Savannah, Georgia Arbitron Metro. This application does not comply with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555. However, in the *Report and Order* implementing the new ownership rules, the Commission recognized that "there may be some existing combinations of broadcast stations that exceed the new ownership limits," but that "we are persuaded by the record to grandfather existing combinations of radio stations."<sup>1</sup> Thus, the multiple ownership rules will not be applied so as to require divestiture, by any licensee, of existing facilities.<sup>2</sup>

The principal community contour of Station WEAS-FM does not overlap the principal community contour of any full-power commercial or non-commercial radio station that (i) is not located within or "home" to the Savannah, Georgia Arbitron Metro and (ii) is attributable to Cumulus Licensing LLC or any party to this application.
