Re: KVVS (FM), Rosamond, CA
CC Licenses, LLC
Facility Identification Number: 49950
Special Temporary Authority (STA)
BESTA-20150821AAC

Dear Licensee:

This is in reference to the request filed August 21, 2015, on behalf of CC Licenses, LLC ("CC"). CC previously explained that the upper portion of KVVS' tower had collapsed on February 22, 2015. The licensee installed an emergency antenna on the remaining standing portion of the tower and restored limited operation February 25. CC is presently pursuing the necessary regulatory approvals to enable the tower to be reconstructed. CC requests an extension of the March 10, 2015 Special Temporary Authority (STA) for continued operation until the licensed facilities can be reconstructed.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for STA extension IS HEREBY GRANTED. Station KVVS may continue to operate from its licensed site with the emergency installation described in its request. CC must notify the Commission when licensed operation is restored. CC must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **March 6, 2016**.

Sincerely,

A handwritten signature in black ink that reads "Dale Bickel". The signature is written in a cursive style with a large initial "D" and a long, sweeping underline.
