

## Statement of Educational Objectives

The Borrego Springs Christian Center is a non-stock, non-profit corporation chartered under the laws of the State of California, and is tax-exempt pursuant to Section 501 (c)(3) of the Internal Revenue Code.

The Borrego Springs Christian Center operates a church. In addition to providing religious teaching Borrego Springs Christian Center's educational and moral teachings address adult social problems such as divorce, mental illness, child abuse, teen pregnancy, alcoholism and drug abuse.

Borrego Springs Christian Center's objective in acquiring radio stations is to teach the Gospel of Jesus Christ and thereby spread redemption, hope and social progress in the areas outlined above. Radio stations will expand the reach of our educational programs, particularly those geared to adults.

Using radio will permit Borrego Springs Christian Center to advance its objectives by putting to work its considerable educational talents and capabilities to address moral and religious subjects outside the standard church setting, and otherwise on a far broader scale.

It will be our policy to provide the highest quality programming, stressing spiritual and moral values. Programs and messages will be responsive to the problems, needs and interests of the community of license and service area. Our programming will be in good taste and suitable for listeners of all ages. All programming will help fulfill our educational objectives, and radio station operations will be conducted on a non-commercial basis.
