**REQUEST FOR EXTENSION OF TIME**

Hall Communications, Inc. ("Hall"), licensee of WPCV(FM), Winter Haven, Florida, by its attorneys, hereby respectfully requests an extension of time within which to respond to the Opposition filed by NIA Broadcasting, Inc. ("NIA") to Hall's Informal Objection with regard to NIA's above-captioned May 17, 2018 application seeking a construction permit for modification of the licensed facilities of FM translator Station W248CA, St. Petersburg, Florida. With respect thereto, the following is stated:

An extension of time for an additional seven (7) days is requested due to counsel's press of out-of-town business. Although no time limits are imposed by the Commission's rules on the filing of responses to informal objections and related pleadings, this request is being submitted in an abundance of caution to provide time for Hall to respond to NIA's Opposition and Request to Hold Action In Abeyance in this proceeding.

WHEREFORE, for the reasons stated herein, Hall respectfully requests an extension of time within which to respond to NIA's Opposition.

Respectfully submitted,

HALL COMMUNICATIONS, INC.
