Re: Waiver of Construction Deadline for Construction Permit  
BNPFT-20130829ACF

Dear Ms. Dortch:

Friends of Christian Radio, Inc. ("FCR") and Caron Broadcasting, Inc. ("CBI") filed an assignment application with the Federal Communications Commission ("FCC") on July 29, 2016, seeking to assign the construction permit for unbuilt FM Translator Station W249CQ, Cofax, Indiana (Facility ID No. 143973) from FCR to CBI (File No. BAPFT-20160729ANJ), which was granted on September 9, 2016.

CBI filed a contingent "250 Mile Modification" application for W249CQ on July 29, 2016 (BMPFT-20160729AOA). The purpose of the modification is to allow CBI to rebroadcast WSDZ (AM), Belleville, Illinois, on the translator. After consummation and grant of the modification application, CBI will build the modified translator promptly.

The W249CQ Construction Permit is currently scheduled to expire on November 7, 2016. CBI accordingly requests a waiver of the construction deadline for the Construction Permit pursuant to Footnote 36 of the FCC's October 23, 2015 "AM Revitalization" Order, FCC 15-142, for six months from the later of the consummation of the assignment or the FCC grant of the above-referenced modification application.
