RE: Request for STA

Dear Sir,

I am writing to inform you that we had a tractor hit a guide wire of one of our towers, causing it to fall. I have contacted a tower company to come evaluate the damage and cost to fix.

In the meantime, I am requesting a STA for the AM to be off the air until the tower can be put back up. Also, I am requesting to be allowed to continue airing the FM while the repairs are being made.

Best Regards,

Deborah Boyd
