Re: Waiver of Construction Deadline for Construction Permits BMPFT-20160729ALY and BNPFT-20130827ABP

Dear Ms. Dortch:

Kona Coast Radio, LLC (“Kona”) and Salem Media of Hawaii, LLC (“Salem”) filed an assignment application with the Federal Communications Commission (“FCC”) on July 28, 2016, seeking to assign the construction permits for unbuilt FM Translator Stations K241BZ (now K236CR), Kihei, Hawaii (Facility ID No. 142637), and K239CD, Lahaina, Hawaii (Facility ID No. 142632) from Kona to Salem (BAPFT-20160728AHH).

Salem filed a “250 Mile Modification” application for K241BZ, which was granted on August 29, 2016 (BMPFT-20160729ALY). The purpose of the modification is to allow Salem to rebroadcast KGU(AM), Honolulu, Hawaii, on the translator. After consummation, Salem will build the modified translator promptly.

Salem also filed a “250 Mile Modification” application for K239CD on July 29, 2016, and an amendment thereto on August 26, 2016 (BMPFT-20160729ALG). The purpose of the modification is to allow Salem to rebroadcast KHNR(AM), Honolulu, Hawaii, on the translator. After consummation and grant of the modification application, Salem will build the modified translator promptly.

The K241BZ/K236CR Construction Permit is currently scheduled to expire on December 12, 2016, and the K239CD Construction Permit is currently scheduled to expire on March 19, 2017. Salem accordingly requests a waiver of the construction deadlines for the Construction Permits pursuant to Footnote 36 of the FCC's October 23, 2015 "AM Revitalization" Order, FCC 15-142, for six months from the later of the consummation of the assignment or the FCC grant of the above-referenced modification applications.

Salem certifies that it is not subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862.

Please do not hesitate to contact the undersigned should you have any questions.

Very truly yours,

Frank R. Jazzo
