RE: **Tower Site 8th and Cedar St.**

This letter is to certify the alignment of the FM antenna (KKSP) placed on the existing self supported lattice tower located at the intersection of West 8th Street and Cedar Street in the city of Little Rock, AR.

The antenna was orientated to an azimuth of 184 degrees based on NAD83 datum using both RTK GPS units and conventional surveying equipment.

Sincerely

A handwritten signature in blue ink, appearing to read "Marion Scott Foster", written over a horizontal line.

Marion Scott Foster P.S. 1467
