**Re: Calvary Albuquerque
NCE Station Main Studio Rule Waivers
KPKJ, Mentmore, NM (Fac. ID 93073)
KKCJ, Cannon AFB, NM (Fac. ID 122203)**

Dear Ms Dortch:

On behalf of Calvary Albuquerque, licensee of Stations KK CJ, Cannon AFB, New Mexico, and KPKJ, Mentmore, New Mexico, both NCE stations, this is to advise you that copies of their public inspection files will no longer be maintained in their communities of license.

KKCJ and KPKJ were granted waivers of Section 73.1125(a) of the rules pertaining to main studio location through BALED-20100209AAT and -20100209AAU, granted March 29, 2010. In its waiver requests, Calvary Albuquerque committed to make a copy of the stations' public files available in the communities of license. But the licensee has had few, if any, requests from members of the public to view its local public files, and the FCC now views the maintenance of local files as optional. Accordingly, effective immediately, Calvary Albuquerque will no longer maintain public files in Cannon AFB and Mentmore, New Mexico. It will, however, continue to maintain public files at each station's main studio at 4001 Osuna Road, NE, in Albuquerque, and continue to provide a toll-free telephone number in Cannon AFB and Mentmore that connects to each station's main studio.
