

RELATED APPLICATIONS PURSUANT TO SECTION 73.3517(E)

This letter reflects the agreement between Horizon Broadcasting Group, LLC ("Horizon"), and 3 Cities, Inc. ("3 Cities"), to file with the FCC the following contingent FCC Form 301 minor change applications pursuant to the provisions of Section 73.203(b) and Section 73.3573(g) of the rules and the guidelines adopted in *Revision of Procedures Governing Amendment of FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*, 21 FCC Rcd. 14212 ("Streamlining Order"):

Application	Filed By	Proposal
FCC Form 301 minor change	Horizon Broadcasting Group, LLC, licensee of FM Radio Station KWLZ-FM, W. Linn, OR	The change of community of license from Warm Springs, OR, to W. Linn, OR, was previously approved in BPH - 20070119AAT. That CP is about to expire. This new application slightly modifies the CP previously granted to specify a revised site. The CP referenced above is requested to be dismissed, and the new application processed for a new 3-year construction period.
FCC Form 301 minor change	3 Cities, Inc., licensee of FM radio station KXXO, Olympia, WA	Change transmitter site to Capitol Peak as opposed to the one granted in BPH - 20070119AAS, which is about to expire and is requested to be dismissed. In addition, this application for a modified site should be processed for a new 3-year construction period.

The parties agree to work together to submit on the same date, and thereafter diligently prosecute the above-referenced Form 301 minor change applications (which each will cross reference the other as a contingent proposal).
