

## **MULTIPLE OWNERSHIP EXHIBIT**

Station KGSR(FM) is licensed to Bastrop, Texas, which is part of the Austin, Texas Arbitron Metro. In this Arbitron Metro there are 41 commercial and noncommercial educational full-power radio stations. According to the FCC's local ownership "tiers," in a Metro reported by BIA as having between 30 and 44 (inclusive) "home" commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 7 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM).

Emmis Austin Radio Broadcasting Company, L.P.'s ("Emmis") existing combination of stations in this Austin, Texas Arbitron Metro (which already includes KGSR and is not altered by the instant application) comprises 5 FM stations and 1 AM station, which exceeds by one FM station the limits set forth in 47 C.F.R. Section 73.3555. However, in the *Report and Order* implementing the new ownership rules, the Commission recognized that "there may be some existing combinations of broadcast stations that exceed the new ownership limits," but that "we are persuaded by the record to grandfather existing combinations of radio stations."<sup>1</sup> Therefore, Emmis' combination in the Austin, Texas Arbitron Metro is grandfathered and this application can be granted without divestiture.

In addition, the facilities proposed in this application do not overlap any stations attributable to Emmis or any party to this application that are not geographically located in an Arbitron Metro. Thus, a contour overlap study is not required.

---
