<sup>1</sup> The assignee interprets Question 5 as seeking information about any parties, whose interests are otherwise non-attributable, who acquire attributable status as a result of operation of the “equity debt plus” rule (47 C.F.R. § 73.3555, Note 2(j)). A “debt plus equity” calculation is inapplicable to this transaction because no assignee party either (1) holds an attributable interest in a media outlet in the same market or (2) supplies over 15% of the total weekly broadcast programming hours of the station in which the interest is held.
