Dear Sir/Madam,

Upon seeking the advice of Dale Bickel, I am sending this letter to inform you that our campus radio station WVWC-FM which is a non-commercial, 10-watt station will be off of the air for studio remodeling for at least the next 30 days. We will request an STA if the project goes beyond thirty days from the date of this letter. If you need any further information, please feel free to contact me.

Thank You
