2. Caribou County will amend its application no later than Friday, August 17, 2001 according to the specifications in the FCC's Public Notice dated May 25, 2001. The amendment may be done electronically, and will include the submission of an executed copy of this letter of Agreement as an Exhibit.

3. Azteca will also submit a copy of this executed letter of Agreement to the FCC, according to the specifications in the FCC's Public Notice dated May 25, 2001. This filing will be done manually, given that an engineering amendment is not required.

4. Azteca and Caribou County certify that neither applicant or its principals have received any money or other consideration for this Agreement.

5. This letter embodies all of the terms and agreements between Azteca and Caribou County. This Agreement may be executed in one or more counterparts, each which shall be deemed an original, but all of which together shall constitute one and the same instrument. Signatures may be delivered via telecopier or other like transmission.

Please indicate acceptance of this Agreement by Ms. Hayden's signature below, and return fax the signed copy at your earliest convenience to my attention at 202-429-4636. We will also forward to you the signed copy by Alex Collantes with Azteca Broadcasting Corporation.

Please feel free to contact me or my colleague, Howard A. Topel, if you have any questions or comments.
