

## **FAMILY RELATIONSHIPS**

The present application does not present an issue under the Commission's policies relating to media interests of immediate family members. This application requests Commission consent to the assignment to Great Radio, LLC ("Great Radio") of two AM and two FM stations (and four FM translators), all of which are located within the geographic boundaries of the Corning-Elmira, NY Nielsen Radio Market. Great Radio presently also is the licensee of WCBA(AM), which is part of the Corning-Elmira radio market, but as set forth at Exhibit 18 hereto, is concurrently herewith filing an application for consent to the assignment of that station to Waypoint Media, LLC, an unrelated third party.

Worksheet 3(B) to the instructions to FCC Form 314 asks whether any member of the immediate family of any party to the application has any interest in or connection with any other broadcast station in the same market that is the subject of the application. The President, Manager and sole member of Great Radio is William Christian. Mr. Christian's wife, Paige Christian, is the Vice President and Secretary of Sound Communications, LLC ("Sound"). Sound is the licensee of four FM and two AM stations in the Corning-Elmira market.

Neither Mrs. Christian nor Mr. Christian holds any equity or voting rights with respect to Sound. However, pursuant to the Limited Liability Company Operating Agreement of Sound, Mr. Christian holds warrants, convertible only upon a sale of Sound or substantially all of Sound's assets. With respect to the specific questions set forth on Worksheet 3(B):

- Mrs. Christian has not been involved with the negotiations regarding the proposed acquisition by Great Radio of the stations set forth in this application.
- Mrs. Christian has not provided financing or otherwise been involved in the process of making financial arrangements for the proposed acquisition by Great Radio of the stations set forth in this application.
- This is not Mr. Christian's first broadcast ownership interest. Mr. Christian also holds attributable interests in the broadcast stations listed on Exhibit 16 to this application.
- Mr. and Mrs. Christian are involved together in the management or operation of just two other broadcast stations. They are the co-owners of Milachi Media, LLC ("Milachi"), which is the licensee of Class A low power television stations WVTT-CA, Facility No. 10869, Olean, NY and WGCE-CA, Facility No. 58739, Rochester, NY. Olean, NY and Rochester, NY each are separate Nielsen Radio Markets from the Corning-Elmira market.
- There are no written agreements, arrangements or understandings for the participation of Mrs. Christian in the financial affairs, commercial practices, programming or employment practices of Great Radio.

Based on the foregoing, the proposed transaction fully complies with the Commission's policies relating to media interests of immediate family members.
