

Calvary Chapel of Tucson, Inc.

Educational Purpose Statement

Calvary Chapel of Tucson, Inc. (“CCT”) is a non-profit educational organization with a biblical teaching focus. CCT is incorporated in the State of Arizona as a not-for-profit corporation. Our mission is to educate and provide support to the citizens of our community and offer a “safe haven” for members of the CCT congregation.

A noncommercial educational FM radio station will allow CCT to advance its educational programs and better achieve its mission by offering a platform for excellent Christian teaching, music, and exhortation to the Tucson community, especially focusing on youth and seniors and those who are unable to attend CCT regularly. Specifically, these are the areas that the radio station will aid in allowing CCT to achieve its educational goals:

- Regular Bible study programming
- Intercessory prayer call-in
- Musical selections which will provide inspiration and encouragement
- Marriage commitment programs
- Local news and weather
- Civic and social concerns of interest to the citizens of the Tucson community
- Programs focusing on interpersonal relationships and how having a personal relationship with God through Christ is the basis on which to build
- Children’s programming to include dramas, coverage of sports events, announcements of concerts and community events
- Programs that address the needs of Senior Citizens
- Community calendar
- Obituaries

All programming on the station will be noncommercial in nature, with no advertisements, and no support for or opposition of a candidate for political office.
