

## Attachment 2

The construction permit for Mina, New York is currently held in Connoisseur Media of Erie, LLC. That company is a sister company to Connoisseur Media Licenses, LLC, the assignee proposed in this application.

Both companies are 100% controlled by Connoisseur Media, LLC, which in turn is 100% controlled by Connoisseur Media Holdings, LLC. All of the voting rights in that company are held by CM Broadcast Management, LLC, which is controlled 60% by Jeffrey D. Warshaw and 40% by Michael O. Driscoll.

As both the assignor and assignee are under the control of the same parent companies, this application is appropriately filed and processed on a Form 316.
