Re: Notification of Reduced Power  
KMXJ-FM, Amarillo, Texas (Facility Id. 31463)

Dear Ms. Dortch:

On behalf of Townsquare Media Amarillo License, LLC, the licensee of the above-referenced station and pursuant to Section 73.1560(d) of the Commission's rules, this is to notify the Commission that the station has been operating at reduced power since March 24, 2017.

The station has been operating at approximately 5% of its authorized power since March 24, 2017 due to damage caused by a grass fire. Townsquare has ordered replacement parts and repairs will be underway soon. If Townsquare is unable to return the station to full power operations within 30 days, Townsquare will request special temporary authority to allow the station to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact undersigned counsel.

Very truly yours,

Howard M. Liberman
