November 14, 2000

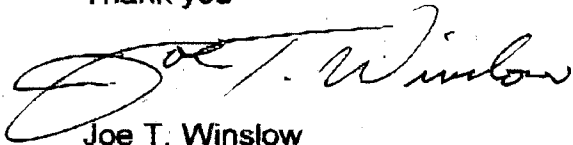

Federal Communications Commission,

This is to verify that on October 4, 2000 I witnessed the assembly and installation of the Shively Labs Model 6810 four bay antenna for WAZP FM.

The installation was accomplished in full conformance with the drawings, specifications, and instructions of the manufacturer.

The above statement is true and correct to the best of my knowledge and belief.

Thank you

Joe T. Winslow  
Chief Engineer  
WAZP
