Re: Borinquen Broadcasting Co., Inc. (BBC)
WVJP(AM), Caguas, PR
Facility Identification Number: 6442
Special Temporary Authority (STA)
BESTA-20190927AAT

Dear Ms. Rodriguez:

This is in reference to the request filed on September 27, 2019. BBC requests an extension of the STA granted on December 22, 2017, as last modified on June 27, 2019, to continue operating with the facilities specified in BP-20190712AAC to allow time to file an FCC Form 302 application.¹ In support of the request, BBC stated that additional time will be needed to file the application.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and BBC may continue to operate with parameters at variance using the facilities specified in BP-20190712AAC, with a maximum of 2.5 kW (day) and 0.5 kW (night). BBC must reduce power or cease operation if complaints of interference are received, and use whatever means are

¹ WVJP(AM) is licensed for ND operation on 1110 kHz with 2.5 kW day and 0.5 kW night, and BP-20190712AAC authorizes permanent use of the current STA facility.

necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. See 47 CFR 1.1310.

This authority expires on **April 14, 2020**.

Sincerely,

A handwritten signature in blue ink, consisting of a large, stylized 'J' followed by a series of loops and a long horizontal stroke extending to the right.
