Back Porch Radio Broadcasting, Inc. (“BPRB”), licensee of Noncommercial Educational FM Station WORT, Madison, Wisconsin, is a non-stock, non-profit organization. BPRB is filing this application to obtain Commission consent to new members of its Board of Directors.

The selection of BPRB’s new Board of Directors took place pursuant its Articles of Incorporation and By-Laws. Board Members serve three year terms, and Board Members appoint officers from among the Board Members. The Board consists of 11 board members. Board Members have final authority on all matters pertaining to the functioning of BPRB. Five of the Board seats are filled by “participating members” as defined in the By-Laws. Five board seats are reserved for “listener members” as defined by the By-Laws. The remaining seat is reserved for a staff-selective representative. Other than the staff-designated seat, which is voted on by staff, all other vacant board positions are filled at the annual election by a vote of the participating members.

This application is intended to bring the station into compliance with the requirement to obtain FCC approval of the board after 50% of the members of the Board of Directors have changed. The chart below sets forth the members of the Board each month from when BPRB last submitted in a transfer of control application with the Commission (FCC File No. BTCED-20150925ABK), granted October 13, 2015, through the present.

The resulting transfer of control occurred gradually, over time, through routine changes in board membership. No consideration or thing of value is being given in exchange for the interests being transferred. The transfer does not involve any change in the non-profit status or objectives of the licensee. All Board Members are U.S. citizens. None has any interest in any mass media other than in the licensee.
