In re: WRXV(FM), State College, PA  
Invisible Allies Ministries  
Facility ID No.: 91941  
BPED-20130923AGE

Dear Applicant:

This refers to the above-captioned non-commercial educational minor change application filed to modify the broadcast facilities of WRXV.

An engineering review of the application reveals that it is in violation of the contour overlap provisions of 47 C.F.R. Section 73.509 with respect to the first-adjacent channel license (BLED-19830920AC) of WQSU(FM), Selinsgrove, PA. Specifically, the application's proposed protected contour (60 dBu) would receive prohibited contour overlap from the interfering contour (54 dBu) of WQSU by approximately 1.5 kilometers between the azimuths of 76 to 87 degrees True. This constitutes an acceptance defect.

In light of the above, Application BPED-20130923AGE is unacceptable for filing, pursuant to 47 C.F.R. Section 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. Section 0.283.

Sincerely,

Rodolfo F. Bonacci  
Assistant Chief  
Audio Division  
Media Bureau
