

The map displays the Memphis area with latitude and longitude coordinates. The WEGR 60 dBu contour is shown as a green circle, and the proposed change to the auxiliary 60 dBu contour is shown as a red circle. The WEGR station is marked with a blue cross at approximately 35°15'N, 90°05'W. Other stations marked include Paplar Bluff, Dexter, Sikeston, Mayfield, Union City, Martin, Paris, Kennett, Caruthersville, Halls, Ripley, Janesboro, Osceola, Wynne, Bartlett, Memphis, Callieville, Balivar, Savannah, Farret City, Marianna, New Albany, Tupelo, Clarkdale, and Worth Helena. The map also shows the Mississippi River and the state boundary between Tennessee and Mississippi.
